Wm. Irvine's Letter To: Edwards

January 8, 1945

P. O. Box 696

Jerusalem, Palestine

My dear Edwards and Co:

Thanks for many good letters and birthday greetings. I wish they were for my 3rd birthday, when the loud Voice shall be heard, "Now is Salvation come and Strength, The Kingdom of our God and the Power of His Christ," which is coupled up with the Judgment of the

nations and all men. "As it was in Noah's day, so shall it be in the Son of Man [sic] days." In thee and thy seed shall all ends of the earth be blessed. Moses couples up his work in Egypt with the work of the Prophet for those days, all of which were but types and shadows of the greater rewards, etc. What took place in Egypt in deliverance and judgment were samples, and Moses and Aaron were samples of the instruments and methods used. Having ears for Moses by Aaron was the test for deliverance, and the attitude and ear by Egyptians only led to the Red Sea defeat; but what was in Egypt, the center state between East and West, will now cover the whole earth. Every nation and every man will find the place of his choice, and the consequences. All ends of the earth are to have true witness by the 144,000, with the marks we have in Salvation, Strength and the Kingdom of our God and the Power of His Christ, to seal their witness.

Out of Adam and Eve's 2 experiences you see the great possibilities. The dust heap of calling on the name of the lord, with no ears to hear Abel, Enoch, Noah, Abram, and Moses. Those with ears to hear and heart to obey, are like rock in the midst of mountains of dust. God's family must be begotten of God; there can be no room for the best and worst of men, any more than animals, good or bad, can find a place in the human family, home and circle. Scribe, Pharisee, Hypocrites, are powerful descriptions of what the dust heap has and always will be. It's the best that men can produce. Knowledge of good and evil, profession of outward righteousness, but only a bag of dust no matter what label you put on it.

Man can produce man, but only God can produce in man what is God. Sons are to be conformed to the image of His Son. So hearing God's Message written and spoken for these judgment days, is what brings people into the place where God can begin to work by His Spirit. Fear God and give Him glory, worship Him who created Heaven and earth, Sea and the fountains of waters is the Message of the 144,000.

The Red Sea crossing which meant life or death by God's miracle power, and so it will be for the whole peoples of the earth. Moses and Aaron were far from being impressive in appearance, one a slave shepherd for 40 years; Aaron a slave brick-maker for same time, so too much style and pretense won't help in those who witness.

Dust work is always the opposite. So it's getting down in manner of life and appearance in men's eyes. It's too serious a matter for triflers or pretenders. Moses forgot all his eloquence and so asked to have Aaron as his mouthpiece. It shall come to pass that every new development will make the message more value to those who hear and obey, and more rebellion in those who fear not God.

Keep clear of gossip, scandal, and criticism, and cultivate the spirit of helpfulness to all. How can you know the possibilities in the very simplest person? You can see how the people who were suffering in Egypt would value every step Moses took toward deliverance, while it would be quite the opposite in those who wanted slave conditions to continue. I hope the weather is better than it has been here.

My love and best wishes to all who seek to awaken others to what has so long been spoken by the Prophets.

Wm. Irvine

Wm. Irvine's Letter To: Smiths of Australia
January 19, 1945

P. O. Box 696
 Jerusalem, Palestine

My dear Smiths and Co:

I got a number of very sweet letters from Australia in spite of the drought and fires, etc., which seems to point in the right direction, though the great day of wrath is not quite clearly on and we have been suffering from too much rain and cold windy weather. Rev. 12 is worth reading, for the conditions are quite manifest. The Head of the Woman with the 12 Star Crowned Head which has given life which is the cause for the Sun clothing which she wears and the feet she puts on the Moon which is but the reflection of many who have heard. The Moon reflects the Light of the Sun, but has no life giving power. So I value any or all who stick to the Head rather than the reflected Light which will mark the Foolish Virgins and the goats who will no doubt be satisfied with the words and forget the 12 Star Crowned Head.

You can see who the Great Red Dragon is now, who is to be cast out and down, as the powers which have deceived the whole world and which stands ready to devour the child being brought forth. Manchild is a good way of describing the Old Weak Man — Moses was 80 and John of 96 when he went to wait his turn to prophesy again before Nations, tongues, people and Kings in Jerusalem and Nations when the iron rod will rule through closing the Heavens and all it says of the (2). Rev. 10 shows how John comes from Heaven and the Co-Witness is brought forth by the Woman in quite a very, clear simple form with Michael and his angels warring against the Dragon and they against him, but they prevail not, but are cast out and down as the Dragon, old serpent the Devil and Satan, who has deceive the whole world.

And the sweet part is to read what the loud Voice in Heaven says, "Now is come Salvation and the Strength, the Kingdom of our God and the Power of His Christ," which has been lacking on the earth since 1914, when the world was left to go on in it's own iniquity and which has ended in the Kings and Rulers setting themselves against the Lord and His Anointed which they are fighting so hard to carry out while the Carpenter Jesus sits laughing at all their vain attempts to take His place and rules the world with a rod of Iron in His Wrath. I feel always to forget that Jesus is still the same Man in every detail He was as the Carpenter at the bench and as the slave preacher with no home and assured way to live, and so hungry, and thirsty, half-clad, which was and is God's approved way of living for any man who wants to find acceptance with Good as His Servant.

The oldest Prophecy of the Lord in the Garden to the Serpent — the seed of the Woman is to bruise the serpent's head, for it's been all head and no heart by the whole Scribe and Phariseism of the hypocritical world who go in the way of Cain and follow greedily after the reward of Baalism and perish in the gainsaying of Korah, the mark of the seal of Cain in every age, rebuked by the flood and revealed in the crucifying of Jesus.

The Holy Season so popular in Jerusalem and the world will get a severe shock when they find a Woman has brought forth a Manchild such as God and Jesus says by the Revelation Message and we will all be surprised to find how Michael and his Angels, although unseen, will defeat the Dragon and his seen angels who seem so powerful in men's eyes. We don't realize the fact that God prepares appetite before He feeds us naturally and spiritually, so our felt need of John is but a pointer to what He has so long known was coming at the right time and place. the Woman is to go into the wilderness where God has prepared a place for her, for the wilderness for all flesh is just where God can show His Power in giving food and water.

My love,

Wm. Irvine

Wm. Irvine's Letter To: Edwards

January 21, 1945

P. O. Box 696

Jerusalem, Palestine

My dear Edwards and Co:

Thanks for yours and many other good letters. Keep London and produce on that side.

You may find Rev. 12 very good reading for today as it gives a clear outline of what's going on in Jerusalem and affecting the whole world. The Manchild being brought forth by the few who have got life through the 12 Star Crown on her head, clothed with the Sun, proof of having in them the life and so Light of God, or seeing as God sees. While others only have moon reflection, which the true will keep under or recognize the difference between the Dust imitation and the true revelation. These only will be anxious to see the same results in the whole world by the man God used in helping them. So their pain and anxiety.

There appeared another wonder in Heaven, or "in name of God on the earth," Behold a Great Red Dragon— Great because of world place & power. Red because of the Blood shed in name of the 7 great Religious heads in Jerusalem—leading the world, protected by 10 horns, or fighting powers, to protect their status & crowns of special honor on the religious leaders, with 1/3 part of the stars of Heaven the smaller and more recent religious orders on it's tail, for we have quite a many, of all sorts in Jerusalem; and the Dragon is not friendly but deadly, to devour any move God would make to break their power and the woman brought forth a Manchild, not a giant, but the opposite; old and weak 'til the salvation and strength comes from God as Moses over 80 must have been.

It's like Egypt, a shepherd slave and his slave brick making brother, to face Pharaoh, and Jannes and Jambres, the Political and Religious leaders of a great people, which means slavery to many others. A Manchild to rule all nations with a Rod of Iron and be caught up to God and His throne, gives us a hint that it means one of the two Prophets in Rev. 11, as Rev. 10 gives us John from Heaven to be co-witness and prophet.

The Woman is to flee into the wilderness to be fed and watered when the Heavens are closed as sign of their mission; War in Heaven over the conflict between the Dragon great and Red and the Manchild, with Michael for the child and the Dragon and his servants who prevail, neither was their place found any more in Heaven. The great dragon was cast out, that old serpent the Devil and Satan that deceiveth the whole world. These are a terrible indictment of the whole Religious head in Jerusalem, and all the political peoples who protect their interests. But Matt. 23 shows the sure consequences in its 7 woes, now being visited on the whole earth's surface, and the more terrible things to follow on the nations of the earth. The Dragon and his angels are cast out into the earth. Vs. 10, "A loud Voice in heaven, Now is come Salvation and strength, the Kingdom of God and the power of His Christ," which the Dragon has been hindering all these many years, in that God could not accept their service. But were rather the haters and persecutors and accusers of any one who would seek to do as Jesus did. You can see what a big thing in God's sight the bringing forth of the Manchild is, and Michael and Co., protecting.

Wm. Irvine

William Irvine's Letter to Mrs. Alice Mosely, New Zealand

January 29, 1945

PO Box 696, Jerusalem, Palestine

My dear Caseys and others in N.Z.:

Thanks for yours which was very much to the point as you have Mum's choice so clearly, as well as others to follow the 12-Star Crown or the Anointing which only God can give, which is the mark of the Woman who is to bring forth the Manchild as in Rev. 12, who is to rule the Nations with a Rod of Iron which is the wrath of God, and be caught up to God and His Throne, as you can see in Rev.12. Chapter 10 shows John coming to be co-witness and prophecy in Jerusalem, lifting his head to Heaven and saying time shall be no longer for men to do as they please.

Revelation 12 gives you the bringing forth of the Moses-like Man, old and second child-like, the Least of these His brethren. Moses was over 80 when he went to Egypt to deliver the slaves in Egypt, and you see Moses' prophecy for these days on the Earth— the

Lord God raising up a prophet like to him in preparation for the restitution of all things for Jesus' coming from Heaven as in Acts 3:20; and so 51 years ago on 8th January I went forth to Sow as in Matthew 13.

Tares and in 1914 God cut the Tares asunder and appointed them their portion with the hypocrites; the Son of Man chosen to give meat in due season to those who were hungry and thirsty for the Omega Message— the Alpha was finished in 1914.

Read Psalms 71 for today; we know God's leading best as we look back on it. After 1914 – 1918 War God began to open up Revelation and verse 3 of Chap. 1 began to be fulfilled, and now we see Rev. 22 the Key to the value of my reading to make it prophecy.

The word "Blessed" always means anointed of God to see as He sees, and those who have been blessed through my reading are the Woman, keen to see the Manchild brought forth. They are clothed with the Sun or Light of Life in them, while many will only have moonlight and so are revealed.

Twenty-five years ago I came to Jerusalem , not knowing very clear why. Now I know and can read Rev. 12 and see WHY. The great Red Dragon with 7 heads and ten horns are the 7 great religious Heads with 10 powers to protect the Status Crowns, as they call it; with a third part of the Stars of Heaven on its tail, for there are many Protestant sorts here and all about the same spiritually, cast down to the Earth. Rev. 12:9 is a terrible indictment of Jerusalem and the whole world, and you see what's happening as Michael and his Angels fight for the Manchild, and the Dragon and his angels for the old Serpent, the Devil and Satan who has made the world what it is against God.

Verse 10 is very comforting, for the Manchild is the sign of Salvation, strength, the Kingdom of God and the Power of His Christ begins again to be tasted, seen and known on the Earth. The Sower of Matt. 13 becoming the instrument in dealing with the deceived Nations, and also the hope for the victims of present world conditions, so cheerio. Jesus the Carpenter for 20 years in Nazareth is on the Throne and the number of His disciples on the Earth. The great Red Dragon is in contrast with the Least of these His brethren.

Wm. Irvine

Wm. Irvine's Letter To: Edwards

February 14, 1945

P. O. Box 696

Jerusalem, Palestine

My dear Edwards and Co:

Thanks for many kind, friendly letters for my 2 birthdays, now 83, in much ado about the way of God which has been from Cain and Abel on through the ages. The corrupters of God's way led to Noah's flood, and now the conflict is a world wide matter, as you can see in the Great Dragon of Jerusalem, with 7 heads, 10 horns, and crowns on the 7 heads and 1/3 part of the stars of Heaven on its tail which has deceived the whole world. The work of the old serpent, the Devil and Satan, and the hope for salvation, strength, the Kingdom of God and the power of His Christ, in the Woman bringing forth a Manchild; she clothed with the sun, the light of God shining from God in her, and on her head a 12 star crown which had made it possible. The dust reflecting the light as the moon under her feet, while the deceived world is a dust pile under judgment.

God so loved the world that He gave His only begotten Son to show us the WAY, truth and life of bringing men to God that they might become sons of God, heirs of God and joint-heirs with Jesus Christ. No man cometh unto the Father but by the way He did it and the Truth He was, and the manner of life He lived as the Apostle, Prophet, Evangelist, Pastor, and Teacher, and how careful He was in revealing, and guiding His disciples into the WAY, truth and life, with Judas to show that no unregenerate man can ever have any part or lot in these matters. But the Devil has always deceived men and made them believe they were unimportant, and Satan has always been the adversary of any one who would attempt to enter the straight and narrow way in service to God and man acceptably. God cannot and will not accept and honor any other way of service and sacrifice. All else is but dust heap, deceived and deceiving others, while men, free to choose, choose the way that seemeth right to a man, but ending in 1st and 2nd deaths.

I was glad to have W. E.'s help in circulating my letters and helping others to understand them, but could always feel the lack of apostolic marks, owing to his world equipment which you can see in the religious world. The truth was pointing apostolic way, while his manner of life was the opposite, but I always hoped to see the time when it could be changed over to the service conditions which alone can be acceptable to God, while we measure by what pleases and suits us. And you will always find most favor of men when you forget His claims, or the tithes which Malachi mentions.

I had very much the experience Bob is and has had in fellowship with honor, money, and big homes and other businesses and literary work which gave them preference in the eyes of their holy friends. For me to mention any of the marks Jesus and the disciples had, ended in gossip and scandal which ended in them putting me out, which brought much suffering. I was anxious to follow only Jesus, and they were very happy in all that Jesus and the apostles had renounced, which was only a step in opening my eyes to see that Jesus was the WAY, truth and life, and all else was vanity. So don't waste your days troubling about who or what is, but seek to make known the Message of God to all you can possibly reach, for it's more like sowing than reaping. The harvest will come and everyone will get reward according to their works, and now anything that tends to hinder that. Let Bob go alone till he can find one of similar understanding as a companion, so that he can be useful to those who need him. Let all aim at being clothed with sun by finding life in the Man and Message; get Rev. 12 clear to your understanding and act on that.

My love to all,

Wm. Irvine

I never doubted Bob or Willie's loyalty, though I knew there was vast difference in their outlook.

Wm. Irvine's Letter to Edwards' and Co.

February 21, 1945

PO Box 696, Jerusalem, Palestine

My dear Edwards' and Company:

Thanks for many which show marks of awakening from the dust of the earth. I have been 25-½ years in Jerusalem, and would never have been able to read Revelation 12 if not here. Verse 9, the great Dragon, that old Serpent the Devil and Satan, which deceiveth the whole world, cast out into the earth, and his servants with him. Verse 10, I heard a loud voice saying, Now is come salvation, strength, Kingdom of God and the power of His Christ—so we see it revealed in Jesus' days on the earth. This is the result of the Woman bringing forth a Manchild, who is to rule all the nations with a rod of iron, and be caught up to God and His Throne.

What we see in Jerusalem by the 7 heads, 10 horns, and crowns on the 7 heads, and 1/3 part of the stars of Heaven on its tail, the many Protestant lightgivers. The 7 heads with crowns are the representative men who look after the interests of the 7 great religions which read and interpret the words of Moses and Jesus. The 10 horns are the 10 governments who are pledged to protect their interests, 1/3 part of the lightgivers, but not the sun which stands for the light which God only can give to and by those in whom He can dwell.

The Dragon which deceiveth the whole world—what is wrong with so many wise and prudent men who preach and expound, sitting in Moses' and Jesus' seat – saying all they can to the people, but refusing to walk in the WAY of Moses' and Jesus' truth and live the life they lived before the eyes of men in weakness and lowliness, so dishonoring Moses and Jesus whom God honored, and will never honor those who refuse to walk in the Way, Truth and Life which is God's way and which alone can bring men to God to be made partakers of His nature—which is God's great purpose for the human race on the earth.

When Willie and Company can see and confess how wrong it was to expect salvation, strength, the Kingdom of God and the power of His Christ to come while the manner of life and service was just as the whole world has been, deceived by the Dragon; and all attempts to do the work of God in a way contrary to all Jesus gave His life for. So the 5 years speaking the words of truth, while violating and seeking to justify what was hindering God's life-giving seal. These things have only been coming strong and clear, and now those who claim apostleship can see what stands in the way of true blessing. The world is a dust heap by man's refusal to recognize the claims of God on all who will serve or sacrifice for the salvation of men, in bringing them to God so that He can be their Father. No man cometh unto God but by me and if He is in us we will let Him do His work in the way, the only way God can accept service.

Now you can read what is written for the Woman with the 12-star crowned head and an obedient heart to all God reveals, so that she is clothed with the Sun and the Moon of imitation under her feet, the reflection of the sun on the dust heap of human iniquity. So shall the Woman bring forth a Manchild by whom the world is to be judged, and salvation come to all who have honest fear of God on the earth.

My love to all,

Wm. Irvine

Wm. Irvine's Letter to W. E. Johnson & James McDonald, Powell River, BC

February 27, 1945

P. O. Box 696

Jerusalem, Palestine

My dear W. E. Johnson & James McDonald:

Thanks for yours. Glad to hear you want. I'm 83 now, so can't & don't write so many personal letters. But there are a number in Vancouver who may be able to help you in reading Revelation.

60 years after Jesus went to Heaven from Jerusalem, where they had killed Him as a criminal, bastard Impostor, God gave to Jesus the Rev. message for the Judgment period which began in 1914. Jesus sent the message to John the Apostle who was prisoner in Patmos, aged 93. John was to write the message. Ver. 3 of Chap 1 shows there was to be a reader for those who would hear when the time was at hand as in 1914. Since then I have been able to make it clear to some who are now my friends, and we are now seeing the greater days coming on.

Past 30 years have been the beginning of sorrows, wars etc. in divers places here and there, now we come to the world wide conditions of vengeance on His enemies and mercy to those who will hear and obey His message. God will not destroy His own sons and daughters who fear, hear and obey Him and seek to make it known to the world, while He says He will destroy His enemies off the earth by Judgments in preparation for the coming of His family waiting in Heaven to inherit the earth for 1000 years. One of the things which reveal it as God's message is that one-half of Rev. has been fulfilled up to the present (which?1). So that it's like a guarantee that what's coming is sure to the very last man on the earth. If men do without God, He can do without men and so the time is at hand. God's time and programme is a warning to all who Fear, Hear and Obey Him, and in Rev. 22, He says, no man can add to or take away from the words of the prophesy and escape Judgment and all who can read it and say Even so come Lord Jesus,

declare their heart attitude to the Trinity of God and all who are His family safe in Heaven with Him, awaiting the change over from a Devil deceived world to a God possessed world according to His promise given all throughout the Scriptures by all who were His true prophets, Jesus and the Apostles who are now around the Throne controlling what's going on, on the earth.

You will find the friends there in Vancouver able to help you with details. God sent His Son into the world to show us what He wants to make us and the Way, Truth and Life He lived as the means to that end. Your home is not for animals. Neither is God's home Heaven for all sorts of humans who refused to be conformed to the Image of His Son. In Adam all die. There is no resurrection for humans who refuse to let God make them like His Son with Divine in a human body.

My love and best wishes,

Wm. Irvine

P. S. God gave His son a human Body by the willing Virgin to reveal His purpose and method of giving us the Divine nature, so we are born human to be Born again. Born once we die twice. Born twice we die once and are resurrected. W. I.

Wm. Irvine's Letter To: Petersons, Mullingar, Sask., Canada

February 27, 1945

P. O. Box 696

Jerusalem, Palestine

My dear Petersons:

Thanks for yours today. Hope you are keeping better through hospital help, till we get something better as in Rev. 12. You have been very faithful to all the few privileges you have, cut off from most, hard fight for life and bread, but have showed heart in spite of all the discouragements and neglect. Bobbie Sinclair has been your truest friend, and he has not had much to encourage him either; neither in his health nor friends. But we are coming to the time when the worthy Woman will bring forth the Manchild, and then we will hear the Loud Voice in Heaven saying NOW is come Salvation, Strength, the Kingdom of God, and the power of His Christ to heal and do all He did in His own body and by His disciples.

Ver. 9 of Rev. 12 shows how the whole religious peoples have deceived the whole world in their refusal to serve God and Man as Jesus did and taught His disciples to. But God can never forsake what He revealed in Jesus as the Way, Truth and Life He lived and manifested as the only way to bring men to God and God to men. Man's thoughts and ways of service and sacrifice are but an insult to God and man, for they only deceive themselves and all who give them place and power on the face of the whole earth, and this you can feel and see everywhere.

Proud and wicked men say, 'God helps them that help themselves.' The Devil's Gospel. God so loved the world that He GAVE His only begotten Son that whosoever believeth, or lives by what He revealed in His life and work should not perish but have the life He had, and which only God can give. He was born of a virgin, in humble life and was labeled Bastard by the Religious, Educated and Political people of His day. So they tried to close His mouth and finally put Him to death for breaking the Law of Moses. But God raised from the dead and put Him at His right hand to rule the world and Judge all men as they had Judged Him. He worked as a carpenter for 20 yrs, was Anointed of the Spirit to preach to the poor, brokenhearted prisoners, Blind and Bruised and hopeless— which He did for 3 1/2 years, and made disciples to go and do the work He had done. And now we are at the end of the age when He is Judging all Nations and rewarding every man according to whether he works with God or against God. Revelation is the programme of Judgment period which began in 1914 and now we are nearing the day of Vengeance, and the end of wicked men ruling the world.

So don't ever doubt His power to make you speak all you know of Him to any one. I hope you will find His love and favor as we can see so many getting reward.

My love in Him,

Wm. Irvine

Wm. Irvine's Letter To: Edwards' & Co.

March 26, 1945

P.O. Box 696,

Jerusalem, Palestine.

My dear Edwards' and Company:-

These past days I have had much light on our 30 years activities since 1914, but Rev. 12 throws much very clear convincing facts which can't fail to convince. If the bringing forth of the Manchild is to restore Salvation, Strength, the Kingdom of God, and the power of His Christ – when and why did they cease? 1914 gives us the beginning of Judgment as in Rev. 8 where we see the source of the trouble on the earth in the beginning of sorrows etc. You see the condition of the 7 churches, and the message to them with ears to hear, and the 7 fold promise given to the Overcomer who is One – not many, as people would have it to suit their own delusions and comfort. Then you see the Heavens opened the Throne and the 24 Elders who had NOT loved their lives to the Death, but had gone steadily in the Apostolic path. They are to be judges of the 144,000.

Think on the numbers whom you have known who cut out the conditions for serving God and man in the Gospel so that God could and would accept their sacrifice – the want of which closes the Heavens, and brings Judgment on the earth; the absence of Salvation, Strength, Kingdom and power of Christ, while all Heaven is exercised in finishing of the Judgment on the earth in preparation for His coming with His own to reign for 1,000 years.

The Woman clothed with the Sun, or light of God, are but a handfull in contrast to the Great Dragon that Old Serpent the Devil and Satan which deceiveth the whole world by their many and varied activities in His name, but all trampling under foot the conditions of service He and His gave to God and man – denying their human life claims to the death. This John did from Jordan to his death in spite of fierce opposition from the so-called churches of his time, and so we see God and Jesus giving him the program for the latter days of the race on the earth, and we don't expect but part of what Jesus and the Apostles got for true service.

Bob, Wm. Edwards, Minnie and Joe Kerr all had a try at Apostolic work, but have been saving their lives by coming on to the human plane, and so houses can gather brothers and sisters, fathers and mothers, wives and children and property, but can only be a delusion and snare to those who use them in His name in days of Judgment.

I was sorry to see Bob refused a hearing by those who had been given friendship and all else by W.E. and Min. Hot air and other human mixtures can deceive, and has always been the mark of all who close the Heavens and bring Judgment. See the conditions in Noah's day how family life ruled everything in God's name.

My love in Him,

Wm. Irvine

Wm. Irvine's Letter to: Edwards

April 21, 1945

My dear Edwards and Co:

Thanks for quite a number, mostly for Wm. and against Bob, which made me feel very sad, **as they came about the day called Easter [April 1, 1945]** and compelled me to see there was a purpose in it to awaken people from their sleep in innocence and ignorance.

A very great man died in Roosevelt, when the War of Ps. 2 is getting to it's end. On 20th April, 1906 we had the earthquake and fire. This A.M. at one o'clock 39 years ago, I was turned out of bed to finish my sleep on the board walk with all I possessed in the world under my head as a pillow. The Pentecostal movement came out of Frisco earthquake in their rejection of Jesus as way, truth and life, to guide them in the Spirit's work and ways. Roosevelt came into power on 4th March, and Hitler on 6th March, and you will remember the earthquake on Pacific on the 5th March, which may mean more now as Frisco is to be the great gathering place of the free nations.

6 + 39 are significant which may point to 6 years war to finish Jap and all else which began in 1939. These quakes on the Pacific Coast mean more to me owing to it being my 1st trip there and around the Empire, and where we now are, and what to expect. Jezebel's death also fits into Thyatira and the Spirit ceasing to strive with men, as in Noah's day. He only preached and worked to impress the world of sure judgment; no Gospel till the bringing forth of the Manchild. So all attempts to regenerate or speak in and by the Spirit is but Moonshine, to be put under the feet of those who value and put on the Sun, or bear witness by what the Reader gives, and no mixing of the words of Alpha Gospel truth pre-1914, which can only produce confusion and end in the condition Jesus emphasized as unjust, filthy, righteous and holy, as were the conditions which put Him on the Cross and in the Tomb. It was the righteous and Holy people who cried out, Crucify Him; Pilate and Herod said they found no fault in Him. If we had heard all the witness of the watchers sent to bring filthy evidence to satisfy the righteous and Holy Sanhedrim who said, this man must die. They heard all the filth but were dead to all the evidence God had given through Jesus and others, which made the children cry, Hosanna, and He said, if the children did not cry out, the very stones under your feet would.

Bob, Willie, Minnie and Kerr had no claim to be heard as His servants, having ceased to live the apostolic life in 1914, and follow their own human life as they all did, and it was the fact that Bob knew that and acted on it that caused the difference between Bob and Willie and Minnie. The filth I heard of Bob poisoned dangerously all who gave it ear or mouth, and so the conditions were worse for those who had ears for the filth and the injustice toward Bob, who had as good a right to be heard and much more, than the filth which had come through Willie and Minnie, and which had put them up and in, while Bob was cast out. David who wrote the Psalms was the anointed King of Israel, so for people to read his Psalms against their enemies, unjustly treated and filthily spoken of, is only adding fuel to the fire. I have had much of this treatment, but know the loss is all their side, who misuse the Scriptures or Psalms to suit their own purpose. The two witnesses who the Dragon and Angels accuse before God day and night, did not overcome by righteousness, holiness, filth or unjust means, but by the Blood of the Lamb, the word of their testimony and in keeping on the Apostolic path to the end of their life in place of going back to the old human way of saving your life for your own human comfort.

My love to all,

Wm. Irvine

Wm. Irvine's Letter to: Symington

April 22, 1945

My dear Symingtons 3:

Thanks for your two letters today. Nothing could have given me more joy, for I have often wondered where you were and how placed. I am glad to hear you are in **Moose Jaw**. You have suffered much in the drought days, and I wondered how you did not get out. Now you are settled – I hope comfortably – for we are coming into the more trying days for the whole human race, with no hope but in hearing the Reader of Revelation and putting it on as a garment that all can see and feel in coming in contact with.

Rev. 12:1 is very clear, and don't let anyone turn Sun into Moon by their false interpretation. The two witnesses we read of, whom the Dragon stands to accuse before God day and night, overcome by the Blood of the Lamb, the word of their testimony and in being willing to go on to the end of their lives as Apostles in place of getting married and settling down to live their human life.

So meantime, don't mind what people do with what you say or show them. Give every one a chance you can, the reaping will come when they are face to face with the realities of Judgment.

My love and best wishes in the hope of seeing you some day,

Wm. Irvine

Wm. Irvine's Letter to: Lauchlins

April 24, 1945

My dear John and Vina:

Thanks for yours and P.O.O. I am writing on back of this letter from New Zealand, which came by same mail, because it's so like your own Spirit and method. I will send yours to Him.

Rev. 12 shows the Woman is clothed with the Sun or the Light God gives by the Reader of Revelation to those who have ears to hear what the Spirit saith by Revelation, read by the Head with the 12 Star Crown.

To mix up Alpha truth which was the finish of the Spirit striving with men in the Gospel which ended in 1914 when the Lord came, broke up the house, and chose the Son of Man to give meat in due season, or the reading of Revelation to those who hear and obey it. So they put on as God makes judgment truth clear to them. The moon under her feet means that all attempts to mix Alpha and Omega only ends in Moonshine, or an attempt by those who were Alpha workers, who got married and began to live out their human life and so forfeit any possible service.

The Two Witnesses whom the Dragon (who deceived the whole world) stands to accuse before God day and night, overcame by the Blood of the Lamb, not by their righteousness, the word of their testimony and love not their human life, but went on the same Apostolic way to death. You can see the danger of those who have ceased service, trying to use their old Alpha thoughts and ways in speaking to others when they make believe the Spirit is speaking by them when it's only imitation to deceive in their innocence and ignorance which produces moonshine. Noah did not mix Gospel and Judgment. He believed what God said, feared the flood, and began to prepare for that only.

I suppose the Sons of God would go on with their Holy, righteous, filthy, and unjust toward Noah, believing all wrong and the Spirit had not ceased to strive with men then as people do today. The Gospel, Salvation, Strength, the Kingdom of God and the Power of His Christ is not to come till the Manchild is brought forth. You see in Rev. 1 how John fell at His feet as dead, when he saw Jesus equipped for Judgment, which began in those who professed – the 7 churches. Only those who had ears to hear, and the others left with their own thoughts and ways, but deaf to God and the Reader. Rev. 4 shows Heaven opened and the Books opened to reveal Judgment in it's many forms. 30 years of beginning of sorrows and the revealing of iniquity in those who had profession and no ears. When the 7th seal was opened the 7 Angels prepared to sound the various epochs – the present is but the end of the 1st woe. Those who have no ears for what the Spirit saith, will show unjust marks and pour out the filth of their own unregenerate hearts on those who have ears to hear and put on the witness they have heard by the Reader, as they would do to Noah as he went on building his Ark in the fear of God and the Flood to come, claiming they were safe by the righteous and Holy marks they had, but revealing what was in their hearts by their filthy and unjust marks to Noah, as you can see in Rev. 22.

The message of Judgment is for all you can give it to, friends or foe. The reaping time for both will come later on for both, so you bear the marks which is a great comfort to my heart and mind, rather than the confusing attempts to mix Alpha and Omega to cover their own needs rather than the needs of the world, under wrath now coming on.

30 years ago on 20th April, 1906, I was in San Francisco when earthquake and fire destroyed the city. 10 square miles of it in 2 days. God's mercy was shown in it happening at 5:10 A.M. when few were on the streets. When I got to Los Angeles, the Holy and righteous people were mad with excitement, all saying the Spirit had shown them God was going to destroy Frisco because they were sinners. This was the beginning of the Pentecostal movement when people could say anything in name of the Spirit. I tried for 2 weeks to show them Jesus and Apostles were the guides to what the Spirit would say or do. It was like a man crying in the wilderness, and so we had it all over the world, showing the Spirit could not strive with men for they had become flesh, and could say and do anything in the name of the Spirit. Aimee McPherson becoming the Jezebel or Queen of the movement.

On the 4th March 12 years ago, President Roosevelt came into power in U.S.A. when U.S.A. had a very bad time in many ways, and has proved to be one of the greatest rulers U.S.A. has had. On March 6th, Hitler came into power in Germany, but on the 5th Los Angeles area and Pacific towns on the coast had a very severe earthquake. God's mercy being shown in that it took place at 6 P.M. If it had happened at 3 P.M. thousands of school children would have suffered as badly, for the schools suffered more damage than

any other buildings. I need not contrast the 2 men in their 12 years work, U.S.A. Roosevelt is idolized by the world and the nation he led to what and where it is today. Contrast U.S.A. with Germany and choose. And now tomorrow Frisco opens 47 Free Nations Conference, to see what can be done to restore a sore or smitten war torn world, but I can't ever forget those 2 earthquakes. One I was in, and the other, many of my friends tasted of the quake and the thousands of shakes that have happened these 12 years, so today we have San Francisco before the world in a new way, so many nations of Babel, when Nationalism began. So it's good to put on the Sun of the Woman by whom the Manchild is to be brought forth and the Moonshine under foot produced by those whose interpretation is but trying to make room for what they regard as service, but which is rejected by the very position and condition they find themselves.

Easter Feast reminds us of the fact that it was unjust, filthy mouths and hearts that put Him on the cross and in the Tomb to reveal what Holy and Righteous professors can do, and which you can see He remembers in, "let the unjust be unjust still, the filthy be filthy still," as they were in Noah's day and Jesus' day, and will be today in name of being and under the cover of righteous and Holy profession.

It's easy for people to deceive themselves by quoting Psalms of David to accuse and condemn others, or use what Jesus and Apostles said. People forget that what they said and wrote was by the Anointing which they had, and those who use their words must have the same anointing, else they may be unjust and filthy in their words and ways even while professing to be serving. It was by their righteous and holy misreading of the Scriptures that Jesus was put between 2 thieves.

We seem to be near the great day when John will come and the Judgment of all men will begin as per Rev. 22. I hope you will be able to make out the details of this letter and see that there have been misreading by some who were workers in Alpha days, and who failed to see that their very position and condition, made it harder to grasp the truth of Judgment, than for others.

I am glad to hear of all your activities and you can see from New Zealand letter how keen Owen is in bearing clear witness to what God has so fully given to all who will hear and obey the Reader and the moon under foot leaves little room for those who had greater privilege in Alpha days, but have gone back to saving their human lives and sacrificed what John held onto till death.

My love to all,

Wm. Irvine

Wm. Irvine's Letter to: Pages

April 24, 1945

My dear Pages and Co:

Thanks for Owen's good healthy, hearty letter and all it's details. I am writing on the back of a similar worthy to copy letter, as is your own.

The Woman who is to bring forth the Manchild is clothed with the Sun or light which God gives on Revelation by the Reader to those who hear and obey and so pass it on to others what has come through the head with the 12 Star Crown. The Moon under her feet may mean what others may produce by the mingling of their own thoughts and ways as in Alpha days – which tends to weaken both the Man and Message. My Spirit will not always strive with man for he has become flesh.

Noah had only one Message – Judgment by flood. He did not try to mix up Gospel with Judgment. The Alpha days finished in 1914 when Judgment began, and there will be no Gospel, Salvation, Strength, Kingdom of God or the Power of His Christ till the Manchild is brought forth as in Rev. 12.

Rev. 1, 2, and 3 shows Judgment in those who profess. Those who have ears for what the Spirit saith now witnessing by His chosen servant of Matt. 24, who is to give meat in due season while those who have no ears to hear the Man and Message will be cut assunder and given their lot with the hypocrites. They go on with the old Alpha profession, not knowing who and where they are.

When John saw Jesus equipped for Judgment he fell at His feet as dead. Then in Rev. 14:8 you see Heaven opened and the Book opened revealing Judgment of the Nations and all men. So any attempt to mix Alpha and Omega message only weakens the Message to all as it should be, and so it's like moonshine compared to sunlight. It's more like sowing to all men rather than reaping which will come when the Manchild is brought forth. The test for Alpha profession is in them hearing and obeying the Message of Judgment of all men. So I value your letter and this one, in that it bears the right marks. As it was in Noah's day so shall it be in the days of the Son of Man. You can understand the Sons of God going on with their old Gospel pretence and speaking filthy, unjust words of Noah, as we find it today in all who hang on to the old profession.

Easter reminds us of the conditions which put Him to death by the filth the righteous and Holy people poured out against Him, a warning to all to treat sinners as Jesus did to Mary and the Woman at the well of Samaria. In Rev. 22 it says let the unjust be unjust still, and filthy, or what comes out of the Righteous and Holy mouth in accusing others, and Easter was a perfect sample of what to expect. Behold I come quickly with reward for every man – according to whether he is found amongst the Righteous, Holy, filthy and unjust. God sent Jesus born of a Virgin to reveal the hearts of all who measure themselves by their goodness and others by their badness.

I expect you will get a read of what I wrote J. Laughlin on the back of your letter, so I won't repeat.

Don't worry about Arthur, as he can be useful to many in giving the Judgment message. There can be no true Apostles till the Spirit begins to work as in Rev. 12. **W. Edwards, Minnie Skeritt, and Bob Skeritt and Joe Kerr were workers in Alpha days**, who

gave it up and began to live their human life. The 2 witnessing in Rev. 12 whom the Dragon accuses before God night and day overcame by the Blood of the Lamb, the word of their Testimony and Loved NOT their human life to their death, meaning they went from start to finish in the Apostolic Way, Truth, and Life of Jesus. So you can see how the others have fallen into a snare, no matter what they profess. They are only on the same plane as millions on the earth are, using the words of the anointed, but living out their own human life in place of losing it and denying it.

My love to all,

Wm. Irvine

Wm. Irvine's Letter to: Nelsons

June 10, 1945

My dear Nelsons:

Thanks for yours and W. E.'s and yours to him. I had one from Mr. Warren running down Bob and also telling me he had a read of Byers letter; and poor man was dead 4 days after from flu. These are good signs that we are at the end of Omega work in reading Revelation. In Ch. 22 you see the meeting of John and his co-witness. Vs. 6-9, worship God, for all that has taken place to make this possible was and is God's work. Vs. 10 says seal not the sayings of this Book for the time is at hand. Vs. 11 shows the Edwards and Co. described as they are today; and who are and have been hinderers of making these words known by their condition through unjust and filthy scandal revealing their heart condition under the guise of being righteous and holy. So now you see He is coming quickly to give every man according to their **unjust filthy Scandal, which began in Bob's house when W. E. and Co. went there on a visit and from which Bob has suffered ever since till they persecuted him out at Easter time [April 1, 1945] at W. E.'s encouragement, which made Easter time a good sample of what Jesus got, ending on the Cross.**

Willie wrote saying he pitied Bob; I pitied Willie and all who wrote against Bob, knowing the source of all Bob's suffering was from Scandal and evil speaking; **which came to a head at Easter.** Because men love their own thoughts and ways and delight in their abominations I will choose their delusions and bring their fears upon them. Percy and George Linn are good samples; so now we see Edwards and Co. in the same mess and conditions while they speak and act big without fear of what is just around the corner for every unjust and filthy mouth, covered up by righteous and holy profession.

God sent His Son born of a virgin to be registered Bastard from the cradle to the grave. The greatest scandal of world history, and such has been the lot of every anointed of any age, by which the unregenerate deceitful and desperately wicked heart is revealed. So we have been seeing far greater things than at first appears. God feeds the unjust and filthy dogs, hogs, goats and wolves, as well as caring for the few sheep. All their talk and apostolic bluff is but a revealing of who and what they are and know it not.

There is but one reader and one Message and all that has been deceiving people is but Alpha imitation to deceive their own hearts.

My love in Him to all who may escape the delusion,

Wm. Irvine.

To be a witness to what God has revealed in Revelation Reading is not Apostolic; which can only begin in the 2-witness period. It was good that Charlie escaping what will be a sore disappointment who go forth.

Wm. Irvine's Letter to: Edwards & Co.

May 27, 1945 LAST LETTER FOUND TO EDWARDS

P.O. Box 696,

Jerusalem, Palestine

My dear Edwards' and Company:-

From the time you went up to visit **Bob and Minnie** on their farm and M. became your follower to enjoy your prosperity in your 30 years of unapostolic life, and which you used so freely in mixing up Alpha with Omega truth, I could see and hear evidences of the food which feeds the righteous and holy with filthy and unjust words and acts towards their victims.

You can see what happened to Isaiah in his witness to judgment of Israel then and now, with the marks as given in Isa. 53, his bare feet and torn garments fed their hatred and indorsed what fills every unregenerate heart flattered and fooled by their righteous profession and Holy activities. They wanted a sign, so a Virgin shall conceive and bring forth a Man-Child, called Emmanuel. So God fed the unjust and filthy, righteous and Holy with food till they put Him on the cross as the worst man that ever lived. When Israel spoke against Moses and the Lord, the fiery flying serpents were let loose on them and they died; showing the consequences of letting deceitful and desperately wicked hearts and mouths ——— The Anointed not only feeds the Sheep of the fold, but also the unjust and filthy who profess righteousness and Holy profession, who are easily deceived and flattered and made to believe they are all right even by others wrongs being fed to them as filth food.

You see in Matt. 24 what happened in Alpha days, when He broke up the house and chose the Son of Man to rule over all He had; and cut them asunder, and appointed their portion with hypocrites. So in the end of Omega days, as you see in Rev. 22 when the 2 Witnesses meet and recognize each other, while the unjust and filthy, righteous and Holy are left to await their reward.

Amongst the many letters which came at your suggestion, was the last from Mr. Warren, giving Bob some abuse and reporting Minnie had given him a copy to read, same as the filth from Alpha sources you sent at same time. I was very sorry to hear of his death.

Psalm 101, I will sing of mercy and judgment, – Mercy to the victims of the unjust and filthy, and judgment to those who criticize and scandalize. "Whoso privily slanders his neighbor, him will I cut off, a high look and proud heart will not I suffer," Verses 7 & 8 are very clear as in Rev. 22. David the anointed King of Israel was the most scandalized person through his marriage to Bathsheba, and making her son the heir to the Throne. So Psalm 101 was David clearing his table and home of the Holy, Righteous Scandal mongers who came around.

My love to all,

Wm. Irvine

Wm. Irvine's Letter To: Fladungs

June 12, 1945

My dear Fladungs:

Thanks for yours and many others which shows that Edwards and Co., have reached the end of their delusion as you can see in Rev. 11; when John comes from Heaven to meet the Reader of Revelation and wants to honor the man God chose in 1914 to be the Son of Man to give meat in due season to those who are His with ears to hear what the Spirit saith to the Churches. Noah did not preach the Gospel for there was none, for the Spirit had ceased to strive with men because they had become flesh – 80 million sons of God and their wives and families, all prosperous and wonderful – carrying on their religious show, while Noah was preparing for the flood; scandalized in every shape and form for 120 years. So in the days of the Son of Man witnessing to Judgment which began in 1914. Thyatira, the place and center where Jezebel was to be Queen of the religious world as a prophetess, which has spread over the world – was her delusion from God.

You saw Percy and George and how it ended; and now Willie, Minnie and Co. revealed in their unjust treatment of Bob, and many others in scandalizing and persecuting because they did not believe in the work that was being done by the prosperity they had through their living for the world. You could not convince Aimee she was a false prophetess, neither could you convince Willie and Co. that it was all imitation and plenty of scandal for all who refused, for God provided for scandal to reveal the hypocrisy of their Righteousness and Holiness, which covers up their unjust actions and filth from their hearts and mouths. Jesus was crucified as a Bastard – the result of being born of a Virgin to supply filth to unjust people whom nothing could convince. So you see in Rev. 22 the coming of John to honor the Son of man reveals the condition of the Edwards and Co. people who have been fooled by Willie and Co.'s mixture of Alpha and Omega truth, which only tended to confuse and weaken the simple witness to the words of the prophecy of this Book Revelation, which opens the Heavens to reveal the work of Judgment of the nations. Willie and Co.'s talks only seals the message and leaves people weaker and more afraid to speak out to every friend and enemy. So God says, "Seal not the words of the prophecy of this Book." "Let the unjust be unjust still, the filthy scandalizers be filthy still, the righteous be righteous still, and the Holy be Holy still, and behold I come quick, my reward with me to give every man according to his works," for Edwards and Co. bear the marks of the people who could crucify Him.

It stirred my heart when I saw by letters how wide the unjust filth had been spread against Bob **at Easter time [April 1, 1945]**, which made him more like Jesus than all the Holy Righteous scandalizing unjust who were stirred to say and do it with no appeal but to the unjust filthy who knew not what they were doing. If the world's filthy and unjust hearts were poured out on the Master and Servants in Bible days, why fail to see such are the marks to be expected on all who are His Sons and servants.

I had a letter from Mr. Warren against Bob and he mentioned the fact that Minnie had given him a copy of the filth Byers had written and which Willie sent to me. The poor man died of flu 4 days after writing the letter. But these things only prove we are near the day when the Manchild will be brought forth. Then will come Salvation, Strength, the Kingdom of God and the Power of His Christ, which ceased in 1914 when Judgment began; and the reading of Revelation to be spread to the nations and people. This shows how Blind are the false prophets and apostles who prove they have been preaching and teaching these past 30 years, deluded by God because they love their own thoughts and ways, and delight in all their several abominations, or what they consider their good work in deceiving the people; even to encouraging them to go to the 48 states and open homes for apostles who can't be apostles till the Manchild is brought forth by the woman who has put on the clothing or witness of the 12 Star Crowned Head, and put Edwards and Co. Moonshine and hot air under their feet, which means the delusions God has put on such as are the unjust filth mongers in Thyatira.

The falsers they are, the more they will seek to decorate themselves with apostle, prophet and Co., whom Jesus will attend to according to their work. So give those who have been corrupted a chance to repent ere it's too late and their delusions revealed.

From Rev. 1:3 to Rev. 22 there is but one Man and Message for the whole world, and any honest sincere person can understand and bear witness to others by the words of prophecy so plain. We are now entering the 2nd Woe of Rev. 9:12 to end, and when the 2 witnesses will begin their work and no delusion left to deceive and mislead. So stay where you are in your home and encourage all others to do the same, and beware of all contact with those who are unjust filth mongers of any sort.

Wm. Irvine

Wm. Irvine's Letter To: Bob Skerritt**June 18, 1945**

P.O. Box 696

Jerusalem, Palestine

My dear Bob, and all whom it may concern:

Thanks for a number from you and many others. As it was in Noah's time, so in the days of the Son of Man. The Spirit ceased to strive with man because they had become flesh in all their religious activities as Sons of God, and so the Flood was the natural outcome. Noah had no Gospel, only the Flood and preparation for it to save himself and family. While the Sons of God and fair daughters and their families went on with their many and varied delusions, which God always gives men and people who love their own thoughts and ways, and delight in their abominations, or what they produce by their varied activities in His name. But Noah would be treated very unjustly and mountains of filth would pour from righteous and holy mouths as did on Jesus in His day, as the Son of God born of a Virgin to be labeled from birth to death as bastard. So God feeds the righteous and holy people opportunity to be unjust and also gives them plenty of filth from their own hearts and mouths revealing who and what they are in His sight, while they go on deceiving themselves and others, by their delusions and flattery of themselves and others as righteous.

Even Cain had no qualms of conscience over the killing of his brother, nor was there any sorrow the night Jesus was laid in the Tomb, but rather satisfaction in getting rid of a presumptuous bastard, blasphemer and heretic in daring to challenge the righteous and holy people with but a few with opening eyes to see the conditions in all humanity regarding the mystery of God in all Ages.

In 1906 on 20th April, I awoke in the Quake in Frisco which destroyed 10 square miles of the city in two days. Three weeks after I was in Los Angeles in a large tent listening to all sorts of noise in the name of speaking and acting in the Spirit. I tried for two weeks to show them Jesus as Way, Truth and Life was to guide them who had the Spirit, only to find revolt and turning to the colored people in Azusa Street, out of which came the Pentecostal movement which has spread all over the world.

Thyatira in Rev. 2 was only a word to me, but now I can see California was chosen of God to be the center of delusions, and Jezebel the Queen of false Prophets and delusions, which her death was seal. She came on the scene when I was leaving there for her to read Revelations, as the guide to all His work in Judgment on the Earth, which began in 1914, when we see in Rev. 8, the 7 angels prepared to sound and now the 5th angel days is finishing the first Woe, and the 2nd Woe will come out soon after Frisco great meet for world peace, ending in East and West in the great conflict of Rev. 9:12 to end, and in Dan. 8.

In 1918, I began to see some of what was in Rev. and which has slowly opened as the years passed and fulfillment confirms the reading of Rev. Revelation is a record of the Judgment of all Nations, and 2 Woes are yet to come. California as Thyatira helps us to see the why and wherefore of Hollywood, and the leading film movement, and also the value of Radio in the delusions during the 30 years since the Spirit ceased to strive with men, and they were left to their own thoughts and ways. California spends more on Radio preaching than any other part of the world.

Revelation 12 shows that Salvation, strength and the kingdom of God, and the power of His Christ is to be restored to the world when the man child is brought forth, and the Two Witnesses receive power by the Spirit for their work in Salvation and Judgment. This explains why all attempts at Gospel and Salvation, etc., has only been delusion, no matter who, where or when tried, and iniquity has increased in every possible way.

I remember **Willie and Minnie** got the little I had in 1919, and have got all the help I could give by letter. But since they went to Montana, I have noticed injustice and scandal, which I warned them of when first I got it by letter, and I saw it increase in place of benefiting by my warning and guidance. **At Easter [April 1, 1945]**, when I got letters from many encouraged by **Willie and Minnie**, I saw it had come to the crisis. When it was more wolves in sheep's clothing than bearing any likeness to Jesus. The same thing happened when you went out of El Cajon, showing that injustice and scandal had been working in those who professed to be **Willie and Minnie's** friends.

Then I saw that God had made you the stumbling stone and rock of offence to reveal the injustice and filth operating in them, covering it by righteous and holy talk.

Then I was able to read Rev. 22 and see the two Witnesses meeting, and the unjust and filthy to be left for Judgment when His power comes to reward every man according to his WORKS, not his words. It says, seal not the sayings of the prophecy of this Book: for the time is at hand (Vs. 10), which may indicate that their delusions have been a hindrance, rather than a help to making the Reader's Message because of mixing up the Alpha, Omega and the Message. So **Willie's** work, I'm afraid, has led many to share in unjust and filthy scandal, so the Apostolic profession is only the climax of their delusions.

Wm. Irvine.

P.S. The attempt to scatter homes to receive the so-called apostles is heartless and cruel.

NOTE: Wm. Irvine believed he was The Reader ("he that readeth" of Ps. 1:3); and one of the two Witnesses in Rev 11:3.

Wm. Irvine's Letter To: Fountains**June 20, 1945**

My dear Fountains:

Thanks for yours of Fay today. You can see what a delusion God gave **George and Family and Percy**. God says men love their own thoughts and ways and delight in their abominations or the evidence of being unregenerate.

God sent His only Son born of a Virgin to feed the unjust and filthy people who were the righteous and holy in men's eyes. So He was labelled Bastard from the cradle to the grave. If people did not have life they could only have unjust filthy thoughts and words. So Noah would be loaded down by every sort of filth from the 80,000,000 Sons of God and their wives and families who were the deluded, as they went on with their many and varied delusions till the flood came. They did not know the Spirit had ceased to strive with man. Noah did not preach the Gospel, only Judgment by the flood and all his effort was in the Ark, to save himself and family.

So in our day we have the same condition. There has been no Gospel or work of the Spirit since 1914 and all the world is left to go their own way and thoughts with only the memory of what they heard in the Alpha days, which is more deceitful than the ordinary religious people.

Salvation, Strength, the Kingdom and Power of His Christ is to be restored when the Manchild is brought forth. So all men's efforts in name of God is but delusion and shame, mixed with unjust and filthy thoughts and ways towards them who refused to be deceived by their righteous and holy cackle and profession. All the various ways **Edwards and Co.** have used in pretending to read and interpret the words of the prophecy of this Book read to them by the Reader has only tended to delude those simple enough to accept hot air for Spirit ministry, and moonshine for the Sunlight, which those with ears to hear have put money, homes, wives and family.

Hospitality and luxurious travelling and all the various claims to be serving God, even to becoming apostles is but the delusion which God has put on them. The injustice and filth has been supplied by the way they have treated **Bob Skeritt** and others who could not accept their delusive methods and manner of life and work. You can see in Rev. 22 the end of it, when the 2 Witnesses meet and the unjust, filthy, righteous and holy are left for judgment till He comes to reward every man according to his works, not words but works.

Wm. Irvine

Only one man and message for those who value what God has said and read to them. When Jesus was anointed, then the unjust filth began to pour to their own destruction.

Wm. Irvine's Letter To: Gordons

June 21, 1945

My dear Mum, Liz, David and Mary:

I was sad and glad to have your letter telling me of Jim's death on June 1st. I have long suspected he suffered from lead poisoning through painting. Some people are more ready to get it than others. But no matter now. We are glad to think and be assured that he bore the Biblical marks of one who had ears to hear what the Spirit saith by the reading of Revelation, in contrast to the many who had unjust and filthy ears to refuse it. Liz was my mother's name. David is the most honored shepherd who by the Spirit became the King of Israel. Mary, the most honored name in Jesus' life work, in three different persons, and Mum reminds us of the two old people who had been waiting to see the babe so long promised and spoken of, but little understood by the world to which He came as the sign to reveal the wicked scandal mongers; who only saw a bastard from cradle to grave, for that was God's provision for all who were the unregenerate worshippers of His day and age.

Jim stopping preaching, and marrying showed he felt the change in 1914 when the Spirit ceased to strive with men and the day of judgment had begun, for Alpha finished on August 4th, 1914, when War began. The positive side is that he continued to hear the man and message by the reading of Revelation. The work of the son of man chosen to give meat in due season and is the sunlight he put on in his witness to the world being under judgment, and you can see the great gulf between the righteous and holy people with filth in their mouth which God put there to reveal how unjust and filthy people can be in His name. You can read Rev. 22 and see the 2 Witnesses meeting and the unjust and filthy left in their righteous holiness for His coming quickly to reward them for their works, not for their words, etc. Read this carefully and see how comforting it is to see the separation to the Man and Message on the one side and the unjust filth in the mouths of those who do not know that Alpha truth and witness finished in 1914, and Omega began to come clear and all it means to the whole world in finishing up the old Heaven and old Earth, making room for the new, and His coming with His people from Heaven to the New Jerusalem let down, when all such as Jim can be sure to meet all who are like him and suffered the unjust filth from those who had no true ear for Alpha, and so had no life and ears to hear the Omega. In Rev. 12 you see the bringing forth of the Manchild. Now cometh Salvation and Strength by the Spirit, the Kingdom of God, and the Power of His Christ as revealed in the Gospels.

So we have had 30 years and the Spirit not striving with men, but letting the world loose to it's own thoughts and ways; as in Noah's day so shall it be in the days of the Son of Man. God gives delusions to those who love their own thoughts and ways and delight in abominations, or what they can do without God. So all the various activities in His name by His Spirit has been but delusions and hot air and moonshine. The Thyatira message in Rev. 2 with Jezebel queen of the Pentecostal spirit movement which began in California in 1906, after I had tasted of the quake in Frisco and had the privilege of showing them that Jesus as Way, Truth and Life is to guide us in what the Spirit will make us say and do. But they rebelled and out of that rebellion came crowds of wild willful people in name of the 4 Gospel activities all over the world, but a sample of what delusions God gives since 1906. You can see what films and radio has done for the world. Millions are spent by so-called evangelical Radio preachers. Aimee Semple McPherson began their big show when I left California to come here to read Revelation, and she was but the queen of delusionists, whom God was revealing in fooling the world.

The 1st Woe is just over and now we look for the 2nd Woe of Rev. 9:12-22. This is the period of the bringing forth of the Manchild and the 2 Witnesses, for they are to be killed at end of 2nd Woe after their 3 ½ years ministry. So we are nearing the great day when all delusions will end and Salvation, Strength, Kingdom of God and the Power of His Christ. The sons of God and the fair daughters of men in Noah's day would be very busy with their delusions in their worship and service, while pouring out their unjust filth on him and his Ark and prophecy. But the flood came and answered all he had suffered and will again by fire, which we have seen on the increase since 1914. **So Jim is not so far away as seems, for 7 years will bring us to his coming with Jesus to reign.**

My love in Him,

Wm. Irvine

Wm. Irvine's Letter to: Ben Patton

June 30, 1945

My dear Ben:

I was pleased to hear of your whereabouts and how you are. Thanks for your generous proof of your condition. I had often thought of how you followed God's program for the Judgment of Nations and men when the Alpha Gospel age finished in 1914 – Heaven was opened that we could see what was going on. The opening of the 7 Seals and 7 Angels prepared to sound the various epochs, or steps in the Judgment, as we see in Rev. 8, when 4 angels sounded and 4 steps – Land, Sea, then the drying up of the religious pulpit and press and embittering the waters by hatred, and finally an angel flying through the Heavens on earth crying Woe! Woe! Woe! Because of what was to follow till the final earthquake and hail finishes the job, and the New Heavens and Earth is a fact and Him and His to reign for 1000 years. No more war which we can value now more after 2 we have had.

Rev. 9 gives us the 1st and 2nd Woe, or the 5th and 6th angel work. I expect Japan is included in the 1st Woe, while things are ripening for the 2nd Woe and 6th angel sounding for the great Religious War between the East and West. Daniel 8 gives you some more detail of Rev. 9:12 to end. The Euphrates bounds 200 million – the horses with the head of a lion, fire, smoke and brimstone. Body like a serpent, sting in it's tail and heads by which 1/3 part of men are killed, and the detail of who they are and why the Judgment. Daniel 8 gives you an army coming from the West on the face of the whole earth, not touching the ground. So long ago written in the program is evidence of God seeing the end from beginning.

I'm sorry you missed many of the letters which are for all men on the earth. **Edwards and Co.** have a religious delusion they are for them only, which has sealed the Message and left them in the same condition the world was in when the Spirit ceased to strive with men, and Noah began to witness to Judgment only. So in our day, the Spirit ceased Gospel effort and the Reader of Revelation, for those with ears to hear, was the only Messenger.

So you can see 30 years of no Salvation, Strength, Kingdom and Power of His Christ off till the bringing forth of the Manchild as in Rev. 12, which seems near when the 2 Witnesses begin their work by the Spirit – it will reveal the all-out death that has been working Spiritually as well as naturally.

My love to you and yours,

Wm. Irvine

Not touching the ground, proves it's for our day and age and fitness.

Wm. Irvine's Letter to: Popes

July 9, 1945

My dear Mr. and Mrs. Pope:

Mr. Gray sent on your letter to him which was kind and valuable and what was needed to guide an old couple who were suffering through those who have lost even natural feeling and certainly have been clearly revealed as having not either the marks of apostles except it be in the great desire they have to make a mess of their own lives and drag others with them, where Rev. 22 puts them by their unjust and filthy scandal which has marked all their many years of privilege and help.

To have encouraged a disgruntled wife to spread her scandal and gossip about her husband till it was revealed by the attitude towards the husband when he tried to do what he could in spreading the Message. The letters I got from many showed the poison was widely spread and **all this came about Easter time [April 1, 1945]** when people remember what came to Jesus by the scandalmongers of His day in spite of the words and works of God through Him for the Salvation of men perishing, which was all used as filth to bring about His death as the worst on the Earth. At the same time I had a letter from Mr. Warren against **Bob, and telling me Minnie** had given him a read of a scandalous letter Wm. has been sending to others and in 4 days Mr. Warren was dead with flu. These things reveal the fact that God has given delusions in all they have been saying and doing as the whole world has been under since 1914. When the Spirit ceased to strive with men on the earth and judgment began in proof that Revelation was the Message of Judgment to the whole world, leaving men to go on in their own thoughts and ways under the delusion that the Spirit was still working for the Salvation, Strength, Kingdom of God and the Power of His Christ in place of the reading of Revelation to bring the fear of God on men in preparation for the 2 witness period when the Manchild is brought forth as in Rev. 12. The whole world has been under the same delusion that things are just as they had been.

The queen of Delusions was well marked in Jezebel who claimed to be a prophetess with her 4 Square Gospel, only a little more deceiving than **W.E.'s** attempts to get people to profess through preaching the Alpha Gospel and mixing up Omega truth.

In Rev. 22:6-12 you see how the 2 witnesses meet and John wants to worship the man who had opened the Book, who says – see thou do it not, I am thy fellow servant and of thy Brethren the prophets and of them which keep the sayings of this Book, which is meant to put the fear of God on all who hear the words of the prophecy, in place of being fogged by the Spiritless words and works of those who seal the words of the Book by repeating the Alpha Message which finished in 1914 when we know Judgment began when war began – deceived and deceiving as did the 80,000,000 Sons of God who had no fear of God, or the Message of Noah. But went on in the way that suited them till the flood came and took them all away as will happen again – which Revelation is meant to reveal, and the many various ways.

Edwards and Co.'s work is well marked in vs. 11. He that is unjust, let him be unjust still; Filthy, let him remain – so with the righteous and holy who were trusting to their profession, etc. But who had filthy mouths and unjust hearts by what they thought of Noah and all he did to save himself and family from the flood. **Edwards and Co.'s** work has been making people believe they are Righteous and Holy – while filling their hearts and mouths with unjust and filthy words on all who refused to be fooled by their iniquity and self-seeking in His name.

In Ps. 101 David says, I will sing of mercy to the scandalized who were victims of the many who came to his table and house, but Judgment to them who dared to pollute his ears by their filth. Behold I come quickly and my reward is with me to give every man according to his works. We can be sure He that says – I come in Judgment and reward to every man or person who has caused the sealing of the words of the prophecy of this Book by their righteous and holy hypocrisy, covering up their unjust treatment of others and filling their mouths with filthy words and actions, such as has marked **Willie and Co.'s** record – asking people to stand up who want to go forth as apostles is like Blasphemy. Wanting people to open homes in the 48 states after giving them hot air and moonshine for years while he and Co. circulate their filth. But it only goes to show we are near the day when the 2 witness will begin their work as the light bearers and the oil or Spirit for the work as they stand before the God of the Earth to end hypocrisy.

My love and thanks for your letter to Mr. Gray.

Wm. Irvine

Wm. Irvine's Letter to: Lauchlins

August 7, 1945

My dear John, Vina and Jessie:

Thanks for your letter which is always a real comfort to me for it shows the marks which fulfill what is written and which the Reader is to read to those who have ears for what the Spirit is giving by the words of the Prophecy of this Book Revelation, which is for Judgment period; **Alpha Gospel finished on 4th August, 1914, and Judgment began.** The Spirit ceased to strive with men as in Noah's day, so in the days of the Son of Man who became the Reader for those who had ears to hear, which is the true mark of those who have life. Rev. 1 to 3 is the Judgment of the 7 churches, the work I had in the 22 years from being a Sower who went forth to sow as in Matt. 13. This finished on the day when the house was broken up and the Son of Man chosen to give meat in due season while those who said in their heart, my Lord has not come, and so were left with no hope, but cut off and appointed their part with the hypocrites as in Matt. 24 at end of chapter.

In Noah's day the Sons of God did not know or believe the Spirit had ceased to strive with, and so went on as they had done— thinking things, eating and drinking, marrying and giving in marriage, in name of being His people till the flood came and took them all away; so shall it be in the days of the Son of Man. Noah had no Gospel to preach but concentrated on doing what God showed him would save himself and family and all their witness and work was emphasizing the Judgment for 120 years, a 1/5 part of Noah's life. You can see it was more works that proved their faith than words and profession.

The whole world has been without the Spirit since 1914, August 4th, when the war came as proof of Judgment; while the world goes on with its profession which only reveals their iniquity, or own thoughts and ways, and God's delusions He has put in and on them; while the Reading of Revelation words and prophecy is all the Spirit makes clear as sunshine as they put on the words God and Jesus has so fully prepared for those who are willing and content with, is so clear and plain; while others will go on with their old profession as their hope, trifling with the plain facts of Judgment which is meant to put the fear of God on all who hear the witness to and by Revelation. His promise to come soon and the answer of, Even so Come Lord Jesus, makes clear the marks of those who are not triflers. Those who have been unjust and filthy with scandal in their mouth professing to be righteous and Holy will be left to Judgment as if they had never heard or heeded. Those who benefited by what the Spirit said in Alpha days will show by having ears for the Message and a mouth to witness by it in clear sincere simplicity to all they can contact and so prepare people to fear God and give him glory. Worship God who made the heavens and earth, the sea and the fountains of water, which is the message of the 144,000 who have not been pleasers of woman who don't like to hear Judgment and the wrath of God to end the old and make room for the new Heaven and new earth to reign with Him. Kilsyth is a good sample of the 80,000,00 who perished by flood.

The 2nd Woe of Rev. 9 is fast ripening as in Rev. 9 and Daniel 8:1-10, when the religious East and West will do the terrible work of killing 1/3 part of men. The new terrible bomb which landed in Japan about the anniversary of August 4, 1914, surely speaks of increased vengeance and Judgment for all God sees men need to sober and subdue them for the Gospel which comes by the Two Witnesses by whom Salvation, Strength, the Kingdom of God and the Power of His Christ as seen in His work on the earth, while

man, etc., were pouring out the filth on Him and His, which ended on the Cross. The Thief on His right hand believed in Him in spite of all the filth he had heard, and this shows what believing in Him means; he confessed Him and got a full clear answer, which shows the filth that will always fall on the man of His anointing. The hour, day, month and year seems to fit into the anniversary of the 27th July to August 4th, so the coming Woe will be the great day of separating between those who hear the Moses of Acts 3:19-20 which shows the power and value of the prophet Moses spoke of in the last years of his life, so wisely and well.

Keep clear on what God has so clearly given for the Judgment of men on the earth.

My love to all there,

Wm. Irvine

P.S. The whole of 1945 has been peculiar weather and rather trying all the time. Whit Monday was rather hard for holidays. We have had very hot weather up to Aug. 4, when it changed some.

Wm. Irvine's Letter to: Nelsons

August 26, 1945

My dear Nelsons:

Thanks for passing my letters to those who value them. The Alpha Gospel finished in 1914, when war began and Judgment was on the Earth and the Spirit ceased to strive with men, leaving every one free to his own thoughts and ways – in the whole world. The Son of Man was chosen to give Meat in due season by reading God's program of Judgment as it went on, to those who had ears to hear by having been blessed through the Alpha Gospel.

The Judgment of the 7 Churches shows that only such would have ears for what the Spirit saith to the Churches. He that hath ears to hear, let him hear what the Spirit saith by the Reader is repeated in all the 7 Messages, and warning given to all those who went on with the Alpha Gospel, showed they had no ears to hear, and the whole world has been in that condition, though they know it not, and go on with their old profession, and so hinder God's purpose in revelation Message; which is to make men fear God and give Him Glory, in place of men. You can see the New Everlasting Gospel by the 144,000 – Fear God, give Him Glory, worship Him who created Heaven, Earth, the Sea and fountains of Water, and beware of being influence by women, right or wrong – Rev. 14.

The sons of God and their wives and families in Noah's day would be able to make friends and reputation by preaching their Gospel – deceived but themselves and deceiving others – and so today. The world is full of people who offer Salvation and Spirit Messages to weaken the warning Voice of God's Judgments on the Earth. The 1st atomic bomb fell on Japan on the 5th Aug. the anniversary of the war start in Europe in 1914, to end the 1st Woe and clear the air for the 2nd Woe of Rev. 9:12-20.

So very much of what the friends have got has been hot air. Isaiah says cease from man whose breath is in his nose; wherein is he to be accounted, Isa. 2, last verse; and all attempts of this kind can only bring Judgment and reward of the wrong sort. We are in Judgment and reward period as you can see in Rev. 22:10-15. It's not a matter of being sorry and repenting, which is but Alpha salve for our conscience, when we are to be rewarded for only works in making God's Judgments clear to all and any we contact, with a heart that says AMEN, even so come Lord Jesus.

To add to or take from the words of the prophecy of this Book leaves no room for hope for such as have been trifling with much that has been given – for selfish reasons.

My love in Him,

Wm. Irvine

Wm. Irvine's Letter to: Pages

August 30, 1945

My dear Pages and Co:

Thanks for yours and other letters, and A. Page's cable about his weakness. The Spirit ceased to strive with men in the world when Judgment began in 1914 on 4th August, when the war came as in Rev. 8 and the 7 angels were chosen to sound the various epochs in Judgments. We have now finished the first Woe and the 2nd Woe is coming on. It was interesting to see the first atomic bomb in Japan was on 5th August, the anniversary of the day England entered the war in 1914.

The Gospel finished in 1914 when Judgment began, and so the whole world is in the same delusion which **W. Edwards** has had all these 31 years; when he was still using the Alpha Gospel and mixing it up with Omega Judgment Truth, which comprises the simple Message of Judgment Revelation contains, and which all who have ears to hear the words of the prophecy will be able to say, "Even so come Lord Jesus as you have revealed." The attempt to mix up Alpha Gospel with the Message weakens it and confuses those who speak and those who hear.

Noah had only one message and it was of Judgment. While the Sons of God and the fair daughters, wives and children would carry on the old Gospel, which ceased when the Spirit ceased to strive with men, and not till John comes and the Manchild is brought forth, will there be Salvation and Strength, the Kingdom of our God and the Power of His Christ, as you can see clearly in Rev. 12. So all Apostolic work or profession can only end in disappointment. Rev. 22:10-15 shows that every man will receive according as his works

shall be. To hear and obey means to abide by what God has made so clear in Revelation; not to add to, nor take from, the words of the prophecy of this Book – Revelation.

W. Edwards has been always very keen on preaching and teaching what was and is the old Alpha Gospel, and neglecting the Omega Message for these years since 1914, and it's for all men – friend or foe; and God's purpose is to cause men to fear God and give Him Glory, and teach men to worship Him that made the Heavens and the earth, the Sea and the fountains of Water as you see in Rev. 14 – 144,000 apostles who will share in the Spirit which the two witnesses will have, and be the channel through which the Spirit comes.

The Message of Judgment is meant to produce the fear of God in men; to be rewarded according to whether they have obeyed it and made it known to men, or the opposite of going on with the old words and forms as did the 80,000,000 sons of God in Noah's day, which no doubt tended to weaken the words and warning of Judgment Message. I notice **Edward's letters** seemed to appeal to some there; but it could only lead them to add to or take from the efficiency of the God-given Message to the whole world. All Arthur has done in making known the Judgments which have been on the Earth since 1914, and what's yet to follow much more serious, will have produced heart conditions in some; while any pretensions of Life-giving words or power can only end in failure. I hope he will get rested and wise for the future; though it has been a hard test, as it has proved to **Edward's and Co.**, and may have been used to awaken people to the near approach of John's coming, and the two Witness period of rewards – good and bad.

The 2nd Woe of Rev. 9:12-20 is not far off, for the two Witnesses are to cover the 3 ½ years of 2nd Woe. It's been some relief – the end of the 1st Woe – but conditions in the whole world are very hard and testing as winter comes, and the best description we find is in the Scriptures, and specially Isa. 24, which seems to meet the needs of those who fear God and give Him the Glory which belongs to Him, and which so many men claim and receive to their own hurt. God is great as well as gracious and His wrath is to be feared by all men – high or low, rich or poor.

You will be coming into your spring as we approach our winter. Mrs. Bisson's cardigan arrived yesterday, which reminded me of the colder weather. I hope you are all well and enjoying His favour.

Yours in Him,

Wm. Irvine

Wm. Irvine's Letter To: Nelsons

August 21, 1945

Jerusalem, Palestine

My Dear Nelsons:

Thanks for yours, giving me opportunity to reveal what I have known for a long time, of unjust and filthy activities which is God's way of revealing men who are deceived and deceiving others in the whole world, which was left without Salvation, Strength, and the Kingdom of God and the Power of His Christ, when the Spirit ceased to strive with men as in Noah's day. So in the day of the Son of Man chosen to give meat in due season 31 years ago. [=1914] Germany made war on Belgium, and England said they would help Belgium, and so on August 4th, 1914, the war came on proving that Judgment had begun as you can see in Rev. 8, and that the day of grace had ended and the world set free to say and do as men thought fit in revealing themselves. And I listened to all sorts and sizes of people preaching, but found it was all dead, and only carrying on to get a living and use light on what the war meant till when war finished I began to get light and understanding of Revelation and giving what I got to anyone who had ears to hear. But it was used to carry on what they thought was Gospel, by which they got power and Bread over people.

Noah had only one message and that was Judgment coming on the whole world. But the 80,000,000 Sons of God with their wives and families were quite sure they were saved and the Judgment of God would not effect them, as it is in the whole world today. Showing that they have no fear of God and pouring out filth on Noah and any one who would truly have ears for the Message of God as so long written in Revelation and to be read in the words of Revelation to all who have ears to hear.

Blessed is he that readeth and they who have ears to hear the words of the Prophecy of this Book, for the time is at hand. I, Jesus, have sent mine angel or Servant to testify these words to the churches or those who have shared in the Alpha Gospel. If any men add to the words of the prophecy of this Book, God will add the Plagues, and if any man will take from them, god will take his name out of the Book of Life and out of the Holy City New Jerusalem. This shows how serious it is to trifle with the Reader's Message of Judgment to the whole world, which is meant to put the fear of God in men's hearts; so they may be ready for Salvation when the 2 witnesses are anointed to reward those who hear and fear and those who make the Message suit their ends and purposes.

The prophecy of Moses for today is, the Lord God will raise up a prophet from amongst the people, him shall ye hear in all things, and it shall come to pass, every soul that will not hear That Prophet shall be destroyed from amongst the people. These are terrible words for these days coming on the earth; and from 27th July to August 4th reminds of the beginning of Judgment—called the beginning of sorrows as in Matt.24. Acts 3:24-25 says all the prophets spoke of these coming days we are now in by the Son of Man fulfilling Prophecy given to Abram and his seed.

To mix up Alpha truths with the Omega Message tends to blind and take the power out of Revelation Message, which is so clear and plain to any ordinary person, and there is no promise of the Spirit to make them plain, but to the Reader of Rev. 1:3 and all who have ears to hear his reading.

So Apostolic pretense is quite out of bounds till the 2 witnesses become the channel for all that's of God to the world for Salvation and condemnation in fulfilling of His promises—when there can be no escape either of Salvation or the opposite. The New Everlasting Gospel Message is Fear God and give Him Glory. Worship Him who created the sky, Heaven, the earth, the Sea and the fountains of Water. This is the Message of the 144,000 world witness as in Rev. 14, who have not been defiled by women's influence, which is always naturally disposed to soften the message of God in Wrath.

So today, too much pretense to mix the Message with Religious sentiments and fellowship is like sealing the Message to the few who are made to believe it will give them life and Salvation, which comes when the Manchild is brought forth by the Woman, or those who have shared in the suffering of producing the man equipped for the 2 witness work.

So in place of spreading the Message it tends to seal it up to the few, and creates a selfish clique in place of having a universal condition. These days and events are leading to the greater day of Judgment and reward, both in Blessing and cursing, according to the use made of God and Jesus' Message in Revelation. Read Rev. 9:12 to end and see the great clash between the East and West, as you can see in Daniel 8.

I expect Charlie will be glad to find a bigger field for work alone than what he would have had.

My love in Him to all,

Wm. Irvine

Wm. Irvine's Letter to: Fountains

September 3, 1945

My dear Fountains:

Thanks for 2 from you which is very like the fruits of the delusion the whole world is under since 1914, when Judgment began on 4th and 5th Aug. Which the Atomic bomb in Japan was like anniversary celebration, and reminds us that the Earth is full of the Atomic power which will end the Cities of the Nations in one day, and burn them up; Jerusalem being a sample of the work done, and finished by hail, very large, enough to kill what is left of the deluded world – as perfect as it was for the sons of God and the fair daughters of men and their giant sons and men of renown; which is the sample given for our day and the end of time which John from Heaven is to witness at his coming. Time shall be no longer, and the sign by drought, etc., will not be received gladly, any more than the deluded world of Noah's day, when their flesh had become their only guide to all their activities, causing the Spirit to cease striving with them as we can see since Judgment began in 1914, when every man was free to think, speak, and act out his iniquity without rebuke or chastening as in pre-1914 days.

In the 31 years past, 20% of the human race has perished by various forms of Judgment on the Earth, but deluded people go on having no regard for His Judgments. Personal Judgments and reward to every man according to his works comes when John arrives as the sign of His work in reward day having come. People are very fond of reading Rev. 1:3 for today, when it was for those who had ears to hear what the Spirit by the Reader of Revelation..... We are not in the beginning but now at the end of Revelation, when we can see how perfect every man's thoughts and ways will rewarded be.

When X-Apostolic workers married once, twice or 3 times, I never felt like saying No or Yes. But I can see they made it hard on others by their example, even if their words were soft and sweet, though it made them dangerous to others who preferred to hear God's terrible words, meant to put fear in people's hearts for God, which is the key to reading Revelation. So I can't say No or Yes to you, but leave the matter in your own choice in the light of whether it will help or hinder His on the earth. Read carefully Rev. 14 and see what's written for the 144,000 witnesses, which gives us God's mind on the matter of what may hinder and what may help.

The 2nd Woe will be on soon, and John's words and work begin to cause fear in many hearts, who today are on the fence. To measure our value by past experience is not wise if we shut out what's coming, and the sure end is very terrifying to any honest heart.

My love and best wishes for T. and Fay,

Wm. Irvine

Wm. Irvine's Letter to: Nelson

September 8, 1945

My dear Nelsons and Co:

Thanks for your work in trying to reveal the danger of the Delusion which the whole world is in for the past 31 years, as they go on using Alpha Gospel Truth, which the Spirit ceased to witness to and by; the cause being that men had ceased to fear God, and so suited themselves in corrupting God's Way on the Earth.

60 odd years Jesus had been in Heaven when God spoke the words of prophecy of Revelation, and Jesus sent it by His Angel to John, the only apostle still alive of the 12, and now 93 years of age; a prisoner in Patmos, who was to write. But till a Reader was Blessed to read it, when the time was at hand, to those only who had ears to hear as having heard the Alpha Gospel in seven different parts of the world and got Life. Which ears to hear means; or faith that would believe what God said, such as Noah, Abram and Co. had. Those who were content to go on with the Alpha and had not ears for the Omega Message which is all of Judgment and reward to every man on the earth, and Nations, according to their works in His sight in how they deal with what God and Jesus have

made so clear and plain, and which the world is so hard to get to hear the why of all that's written, and has taken place on the earth these 31 years since England entered the war on 5th August, 1914, and on 5th August, 1945, we had the 1st Atomic Bomb on Japan, as if to make the world remember the day there was silence in Heaven and 7 Angels prepared to sound the various events for the Judgment of the world as in Rev. 8.

Some people who keep record of humans cut off by violence of various kinds mentioned in Matt. 24, say that 20% of the race has perished in those 31 years, and now the 1st Woe has ended and the 2nd Woe is coming on as in Rev. 9:12 to end; during which period the 2 Witnesses will stand before the God of the Earth, with blessing or otherwise, according to our works in hearing and obeying His words in their witness to all men. And we can't know by the way people hear our witness, for to hear is but giving them a chance to see whether they will fear God as they see His works in Judgment being fulfilled before their eyes. If they hear once they will never forget, and as it becomes clear by their own experience and observation that it's God's Judgments on all men and Nations, so will they fear God and give Him Glory.

Judgment will become more personal and direct as you can see in Acts 3:20, and for all men; race, creed, education and religion will only be a snare if they fail to let God's plain honest words have power to compel them to fear God, and give Him the place which God wants in their heart and works. John's coming to prophecy before Nations, tongues, people and Kings refers to the change that is now at hand. "Behold I come quickly" refers to the short period ahead, when so much will happen in the 2 coming Woes. My reward is with me to give to every man according to his works in fearing God, or seeking their own honor and recognition in any of the various ways – as in Rev. 22:15, and whosoever loveth and maketh a lie in contrast with those who obey His commands as given for obedience to the Message of God and Jesus from the Throne.

Dogs, Sorcerers, Spiritual Whore Mongers, Murderers, Idolaters, and whoso loveth and maketh a lie, shows how those who try to benefit by their varied religious methods will not escape, as sure as those who obey will have right to the Tree of Life.

You can see the world full of all sorts of false prophets, etc., with their "Lo here and Lo there" seeking their own, any way or means of getting people to swallow their lie that there is no danger; and California has more than it's own share, as you see Thyatira used as the home of Jezebel the Queen of Rev. 22:15. The 2 Witness reward period will change much of this and cause people to want to hear and obey, in contrast with the many excuses people make, thinking it will be all right, but honest hearts who have heard will want to hear more for their safety.

If there has been no Salvation, Strength, Kingdom of God and Power of His Christ till John comes, then you can see what a delusion the world has been in, and is in yet as they try all sorts of ways to hold the people's ears, lest they hear the Message of God from the Throne; which is a simple Message to needy people who are not easily deceived by Rev. 22:15 methods, and Dogs is a good sample of many who love to Bark and Bite in place of hear and obey God's Message.

So don't be discouraged or harrassed, no matter what comes in answer to His Message by common human lips.

My love to all who love not the lie, no matter what is,

Wm. Irvine

Wm. Irvine's Letter to: Smiths

September 12, 1945

My dear Smiths and Co:

Thanks for yours and M.O. The Sprit ceased to strive with man in 1914 when Judgment began. On the 5th Aug. the Atomic bomb came to Japan on the same day in 1945 – which may help us to know what the earthquake will be and do to the cities of the nations and Jerusalem. Of which the earthquake which made the Jordan Valley and Dead Sea and the great Gulch 6000 miles down through Africa which Jesus couples up with Noah's flood – as a sample of the Judgment wrath – which Revelation is the program. The reading of it and bearing witness to what's written and read is the proof that the fear of God is in our hearts and to use the Alpha Gospel, thinking to make converts, is a waste of time for it finished when Omega became the Message from the Throne of God.

The 1st Woe is past and now we look for the 2nd Woe, and finally the 3rd Woe – the quake. The world has been left to it's iniquities till John comes, when Salvation, Strength, the Kingdom of our God and the Power of His Christ will be restored by the 2 Witnesses. Our own experience should have convinced us that the simple plain Message of Revelation is for simple, sincere people and no need for any pretensions to having His Spirit as some have been strong on and only weakening and confusing the Judgment Message which God knows will produce fear of God in honest hearts and prepare them for the reward either way. Or the "Behold I come quickly and my reward is with me to give every man according to his works." Rev. 22-15. But the whole religious world goes on just as the Sons of God and the daughters of men did till the flood came; and Sodom was destroyed because God could do nothing for them, so He took out what was His, and destroyed it by Atomic quake and fire.

Rev. 22:15 shows who will be out and Rev. 14 shows who will in. **W. Edwards has been using Alpha Truth** and only sealing the Revelation message, so now we look for John and we are abler to grasp the whole facts of our experience these past 31 years. So keep clear of all that is not the Message of Revelation and you will have more satisfaction and better result and it gives you better understanding of where and who The Testimony people and what the whole world will be who love the lie rather than the Truth of God in Revelation.

My love in Him,

Wm. Irvine

P.S. Noah did not preach Gospel – only Judgments.

Wm. Irvine's Letter to Ivor Everitt & Co., England.

September 13, 1945

P.O. Box 696,

Jerusalem, Palestine

My dear Ivor & Co:

Thanks for yours. Only now do we see conditions since 1914, August 3rd, the day war began; which was Judgment though we knew it not. Japan got the first taste of Atomic power on 3rd August 1945. The power that has been manifested on the face of the whole Earth by volcano and quake. A good sample of this is the great Gulch which made the Jordan Valley and the Dead Sea, and all down through Africa for 6000 miles. Which gave us the Frisco Quake and the thousands of shakes which began in Los Angeles and Calif. Coast.

Since Roosevelt came into power on the 4th March and Hitler on 6th March, and which has continued to shake all these twelve years, and which shows us what the great Quake will be which ends the 3rd Woe for Jerusalem and the Cities of the Nations in one day. In Matthew 24, you find wars and rumors of wars, earthquakes, famine and pestilence; which they say has taken 20% of the human race since 1914, when the Spirit ceased to strive with men as in Noah's day, and the world was cut loose to its own thoughts and ways; so that iniquity has abounded and the love of many has grown cold.

Salvation and power, The Kingdom of God and power of His Christ ceased when Judgment began and Revelation began to open up to show what's going on in Heaven where all Judgment is controlled from the Throne of God and the Lamb by the seven angels prepared to sound the Change. Revelations 8; gave us the first Woe when four Angels sounded the fourth angel was to fly through the Heavens crying Woe, Woe, Woe.

The first Woe is now past and we look for the second Woe between East and West, as given in Revelation 9:12-20, which last for some three and one half years as the two Witness period which is the period of reward of Revelation 22:10-15 according to the fear of God which the Judgments have produced in the hearts of men as they hear witness and pass it on, or refuse and rebel.

Behold I come quickly, in a short time, my reward is with me to give every man according as his work shall be. So you see how much depends on the results of the Message of God and Jesus and the use it's put to; which is like His Commandment, and Revelation 22:15 shows who will not share in the reward to those in whose hearts the fear of God has been wrought as men see God's Judgments being fulfilled in perfect order and according to program. The world is now to taste of His wrath and vengeance.

Past 31 years is called the beginning of sorrows. You can see the religious left to go on in their iniquity as did the Sons of God in Noah's day, while Noah's witness was to coming Judgment. The only proof that the Alpha people had ears for God is seen in them having ears to hear what the Spirit saith to them by the Reader. They will show it in the use of the Message of Judgment from the Throne.

My love to all,

Wm. Irvine

Wm. Irvine's Letter to Balls, Puyallup, Washington.

September 14, 1945

P.O. Box 696,

Jerusalem, Palestine

My dear Balls:

Thanks for your sensible letter today. I know what hard work means for you as you are after 13 years experience in your own business, and no doubt trouble through giving ear to God's message for today, for the whole world. Wife, Son and daughter are well suited for what you purpose doing. I won't say yes or no, for God is at back of all that has happened and to happen to every man and nation on the earth, finished the old as we know it, and giving us a new Heaven and Earth wherein dwelleth what is right in His sight, & His purpose from the beginning.

The Rev. which God gave to Jesus 60 odd years after He had gone to Heaven and which Jesus gave by His Angel to John to write it, and Blessed is he that Readeth and they that hear and keep the words of this prophecy, for the time is at hand. 7 times repeated in the 7 messages to the churches. He that hath ears to hear, let him hear what the Spirit saith to the Churches, that the world may hear what is God's mind, will and purpose for all men in our day and generation, and you can see how He will look on any man who trifles with the greatest command God ever gave and which will bring very definite reward to both those who obey and those who trifle as in Rev. 22:10-15. The obedient will eat of the Tree of Life, v. 14 and 15 gives to opposite according to their works, for Him or against. Dogs may bark and bite, Sorcers may contradict and oppose in name of, Whoremongers may go on with what brings them pleasure in the Religious world, man made false prophets carry on their Idolatry and whosoever loveth and maketh a lie in contradiction of what God has spoken, written and revealed to those who have ears to hear.

Noah is a good sample to guide us in our making a living, but in all his activity was bearing witness to what God had said to him, so we are in the same place. So that every man claims comes second and His 1st having priority – in our every word and action and our reward is sure.

This makes what we have seen and heard in those who pretend, friends and fellowship, and our nearest and dearest are our greatest enemies. Long car rides thro millions who have never heard as we go to and from those who have heard seems one of the evidences of Trifling – adding to or taking from the simple clear warning message is fatal no matter what claims we make, and we have seen it and heard it which was really sealing up the message and making it a source of contempt in many who did hear it, mixed with religious profession while its meant for all, good, bad and indifferent, who can never forget if they have got an honest witness, so in all your activity keep Him and His message as the guide and life guard.

My love in Him,

Wm. Irvine

Wm. Irvine's Letter to: Mrs. Warren

September 24, 1945

My dear Mrs. Dean Warren:

Thanks for your letter, but don't do what you proposed – seek to have friends to comfort and cheer you, even if you have to go and stay with them. Too much alone is not good for you after losing your good pal in Gene, whom I always enjoyed by letter.

I'm glad you enjoyed Mrs. Myrtle (at Auburn) Westlund. I'm sure you will find sons in S. California who will meet your needs and share the letters which come their way. Don't worry or think either about your good or badness, but in that you have opportunity to use what He has given in Revelation, so that you obey and serve Him every time you have a chance. The reward is sure as you read Rev. 22:10-15. We are in the day of rewards for our obedience to what God and Jesus have revealed as His work in not being ashamed to give His warning Message to the world, even if they don't want it.

My love in Him,

Wm. Irvine.

P.S. Those who prefer to give the Alpha Gospel Message in Omega days are warring against God's Revelation Message which is meant to put fear of God in the hearts of all men; and if it fails it leaves people to perish as His enemies, and now we have come to the 2nd Woe period. We may expect to see and hear of many things happening, which proves the great day has come and every man will receive according to his works, whether they have been for or against His declared mind. We can flatter people by giving them what was known as Gospel in pre-1914 day and people, and we will be flattered and get repute by doing what is a direct contradiction to all God and Jesus' work from the Throne.

Hope you find the weather there conducive to your comfort and health.

Wm. Irvine's Letter to: Nelsons

September 24, 1945

My dear Nelsons:

Thanks for yours and many others. As we look back we can see what a snare it was to keep preaching and teaching from the whole and specially the N.T. Gospels and Epistles while you can see how keen God and Jesus was to get people to hear and obey or do what's written so clear and plain with a little help from the Reader, when the time is at hand. These past 31 years since Judgment began, and the Alpha Gospel had finished, and the Omega began, Revelation is meant to create true fear of God, and nothing can do it better than the declared purpose of God in His Judgment of the Nations and every man, and rewards will be for our works in bearing clear simple witness to all He has and is doing from the Throne.

Rev. 4 shows us Heaven opened and the Son of God opening the Book, which was sealed till the time was at hand and Rev. 8 shows them in action after the Silence for the space of ½ hour with the 7 Angels prepared to sound the various forms of Judgment. The 6th Angel is about to sound the 2nd Woe and we can be sure it will be more severe the further on till the great Atomic Earthquake finishes it all.

War brings fear of death on men and either hardens men's hearts or makes them the easy victims of the many delusive Religious professions on the earth and adds to closed hearts. But the fear of God brings men into condition where God will be truly honored and obeyed which is the condition for true Salvation made possible. Rev. 22:15 gives a list of many religions which people deceive themselves and others. You can see how many will love and make the lie attractive. People like to hear what does not produce the fear of God, but rather gives them false hope and confidence. The people in general don't realize that what we have seen is but what Psalm 2 reveals. The Kings and Rulers of the earth setting themselves against the Lord and His anointed to claim fuller liberty in any direction they want. The claims being made today everywhere seems all directed that way. So the greater disappointments when He laughs at all men's plans for themselves and no room or thought about His plans. That Psalm 2 is very full of true wisdom and all that does not lead to true fear of God in heart and life is but hot air and moonshine. For then shall He speak in His wrath and vex them in His sore displeasure which lies ahead of the world today.

When men and nations say Peace and Safety Then cometh sudden destruction and they shall not escape. He that sitteth in the Heavens shall laugh. The Lord will have them in derision and vex them in His sore displeasure. These are words which only those who have Fear of God in their hearts can value or bear witness to. Last verse in Rev. 22 says, Even So Come Lord Jesus, which simply means all God and Jesus has said is to come on the earth and only those who have had ears to hear and accept what God says can have any real hope; not in what men say and preach – the lies they love and propagate. So there can be no escape for those who fail to have the fear of God in their heart, and prove it by hearing and saying as God says, in the words of the prophecy of this Book. So we are wise in keeping clear of all the various forms of softening what they call the hard things yet to come.

When you think of how few care to hear these things, you can see how much value He puts on an honest attempt to say with our mouth to men on the earth what God has made so clear and plain in Revelation. It's surely well called Revelation, and men don't want what God has purposed and planned for the end of time, which men have had to show what they are in crowding out God's plan and purpose because it's exactly opposite in every detail. And I'm sure we will have more peace and hope in our hearts in bearing His Message to the world when it ceases to be the house of the Serpent Seed who crowd God out so that the Heavens are closed and the Spirit ceased to be with man.

So wait, watch, and hope for the opening of the clouds and John to appear.

My love in Him,

Wm. Irvine

Wm. Irvine's Letter To: Fountains
September 20, 1945

P. O. Box 696

Jerusalem, Palestine

My dear Fountains:

The enclosed letter I wrote to the Petersons [27 February 45] at Battleford was returned to me. So I send it to you, hoping you can find the Petersons. You can have a read of it, for it contains very valuable truth. The whole world under the delusion of thinking the Spirit is still striving with man, which ended in 1914 when the day of the Lord in Judgment began, and Revelation is the Message from the Throne and our obedience is on the faithful giving of the words of the prophecy of this Book, and our reward in Rev. 22 will be according to our work in making known to whosoever will that God said so long ago to Jesus for these days, and which He sent per angel to John to write and gave a Reader to read it for the guidance of all who have ears to hear.

Rev. 22: 10-15 is very clear for those who do it and for those who serve themselves as in verse 15.

Things are ripening fast for the 2nd Woe, so I expect John comes at the right moment to begin to prophecy as in Rev. 10 before Kings and Peoples, Tongues, etc.

My love in Him,

Wm. Irvine

Wm. Irvine's Letter to: Pincetl & Sutter
October 3, 1945

My dear Ellen and Hans:

Thanks for both of your letters, which I consider worthy of reply. So I do it on back of Hans letter so that you both get the benefit. He is one of 10 who grasp what hearing and obeying the Message which God gave to Jesus and Jesus sent by His Angel to John in Patmos to write it, with the promise that He would give a Reader to read it to those who have ears to hear what the Spirit saith to those who have ears to hear in the Alpha Churches – WHEN the time is at hand for it's fulfillment, which began in August, 1914, when Alpha Gospel days finished and judgment began as in Rev. 8, and the 7 angels prepared to sound the various steps in the judgment, and reward to every Nation and man on the earth. Now to begin the 2nd Woe as in Rev. 22:10-15 when the 2 Witnesses meet as in Rev. 22, and when you see the people who are out and those who will be in. The 2 Witnesses and the 2nd Woe are at the same time, ending in the killing of the 2 Witnesses as in Rev. 11. This answers Ellen's question.

I remember the joy in my heart when I heard of Hans in the New Hebrides speaking to some of the natives, for the clear witness, no matter how simple it is, will never be forgotten and will tend to produce the fear of God in every honest heart. The 2 Manila people, the young woman and young man, are wonderful evidence of what takes place when they get a clear statement of what God has purposed for the whole world; in our day and generation. It's sowing the seed for the harvest to be reaped in the days just ahead of us now, when they will see rewards of both kinds every day and everywhere.

Rev. 22:14 shows who are the Blessed who obey His commands and have right to the Tree of Life, in contrast to vs. 15, those who are outside and hopeless. Dogs, Sorcerers who refuse Omega who go on with their show as Aimee and Co. did with great results. Whoremongers of the Spiritual sort. Murderers by their false work. Idolaters and whosoever loveth and maketh a lie to weaken or annul what God and Jesus have given from Heaven for these days. It's not a pleasant Message, and vs. 15 shows what people will do to refuse and change it to suit their own purpose in place of being able to say AMEN and Even so Come Lord Jesus as you have

said. You will find plenty of dogs to bark and bite and cunning twisters of the Truth of Judgment and selfseekers of many other sorts, which only proves the need for patience, courage, tact, and the best we can put into our service for God and man on the earth today.

The Atomic bomb is but a very small sample of the power that will fulfill Rev. 18. The earthquake so great and mighty which destroys Jerusalem and the cities of the NATIONS; vs. 17 of Rev. 18; for in one hour so great riches has come to NAUGHT. Sodom and Gomorrah was a sample, the Jordan Valley, the Dead Sea and the great gulch which runs down 6000 miles through Africa, cutting between E. and W., shows what Atomic power in the earth can do and only God can use. The earth is covered by the remains of Atomic power in it's mountains and valleys, and the great quake so strong and mighty will make great changes on the earth's crust for the new day the earth is to have, that the meek may inherit for 1000 years without a war.

You can see in Zechariah 14 what changes there will be in Jerusalem, filling up hollows and splitting Mt. of Olives and out of it comes a very liberal flow of water to both the Jordan Valley and the Mediterranean to water the parched country and make it fit to have larger population.

As you read, meditate, and talk on these things to men, you will find it pleases God and will work in you and others the good pleasure of His will on the earth, which has been put to almost every other use.

My love to both,

Wm. Irvine

Wm. Irvine's Letter to: Irvine Noble

October 28, 1945

My dear Irvine Noble:

Thanks for yours today. Glad to hear you are nearer than any others. I know, and the joy of my heart is in that you have ears and mouth for what God has spoken to Jesus in Heaven and Jesus by His angel revealed to John to write so that we might have a Reader of it for those who have ears to hear, obey by passing it on to others as our service of God and Jesus.

It's a great comfort to think we can be His mouth-piece to pass on what is the test for our righteous help to God and Jesus in these days when more than half fulfilled in Judgment the nations and every man on the earth which began in 1914; so you are on a double mission in the army to fulfill His work in Judgment and also to bear your witness to why and what God purposes and carries out, in His Program. So in doing your duty as a soldier you are also His servant in that, and also in bearing witness by what is written and now being fulfilled and revealed to put the fear of God in men's hearts.

As the King's Army provides and cares for you as a soldier, so you can depend on God to care for you and protect. So do your double duty and expect to get a double reward as God in Judgment is seeking to deal with His enemies. So we can be sure He will not forget His Servants in giving God's Message to any or all even though they may not value it at the time, it will become more valuable as we go on in His great work of giving us a better new Heaven and new Earth.

When you get leave, come and see me in Almaze Pension. The Military Police will be able to tell you.

My love in Him,

Wm. Irvine

Wm. Irvine's Letter To: Maurice Canada

November 18, 1945

P. O. Box 696

Jerusalem, Palestine

My dear Maurice:

Thanks for 2 from you. Keep steady these days. We are only part of His great plan and purpose, with oceans of promises, inexhaustible.

The River is flowing, the Tree of Life is growing, and the smitten nations getting ready for the Leaves, which alone can heal any, anywhere. Revelation 22:1-5.

Verse 6, These sayings are true and faithful, so our faith and knowledge of what's coming grows, not by our imaginings or enthusiasm, but by getting clear grasp of the revealed facts.

The Lord, God of the Holy Prophets, whom we know now were prophets in their day, sent His SENT ONE to show all who are servants, the things which must shortly be done. Behold, I come quickly. Blessed is he that keepeth the sayings of the prophesy, made known by the Prophet or Sent One, of this book. Unjust, filthy, righteous, or holy will all be judged and rewarded for their working for, or against, these things.

Verses 14 & 15 give the marks of those inside and those outside.

My love to all,

Wm. Irvine

P.S. Everything is working out today in Geneva and the whole world for all I've witnessed to you to come in perfect order. Italy and Abyssinia are but the trigger which lets the whole loose. They will try to overturn the Versailles Treaty and restore the old frontiers in Europe. The East will declare against the league and the Balfour Declaration and Mandates. The security Peace pact army in the air to enforce peace by the League armies will become a fact. Speculation in these things don't count. It's good to have a good clear grasp of what's written and to stay by that. You can see that the servants who Know the things which must shortly be done, will be judged by the use they make of them, so seal not the words of the prophesy of this book, but make them known to all you can, which but prepares the way for their ears in coming days.

Don't waste time on those who bear the marks of dogs, and etc., who are outside and can't know anything. Personal letters from me is not necessary, when people can know the whole facts from the Bride and those who are servants.

William Irvine

Too much letter writing to those who know is only a snare, if people forget The many around them who don't know. W. I.

Rewards are sure for all true service, so don't let anyone dream about these things, but serve God and man in using them. W. I.

Wm. Irvine's Letter To: Madeline Edwards

November 4, 1945

My dear Madeline and Co:

Thanks for yours and the other 2 enclosed which bear no marks of being aware of the results of their work on others, as George, Percy have never seen the delusive snare they fell into. So W. and M. don't seem to feel the consequences to others as well as themselves, but rather feel they are being wronged when people waken up to see the influence of their work in sealing the Message of God in Revelation, which needs heart and mouth and a pair of feet and courage to say what God said to Jesus and He to John by His angel to write; **that it might be read to those who had ears to hear in the 7 Churches, which were the work I did and which gathered the Tares which the Devil sowed while men slept which people called being in The Testimony. But God revealed in 1914 it was only tares and cut them off and took me out to give meat in due season to those who had ears to hear and OBEY when the time was at hand.** Percy still carried on those deceived. So we expect W. and M. will try to do the same, which proves God gave the delusion.

To preach Alpha Truth to people is like adding to God's Revelation Message of Judgment to the whole world, which is to produce the Everlasting Gospel of Rev. 14. Rev. 1:3 shows who will be Blessed and who can't be. He that hath ears to hear let him hear what the Spirit saith to the churches, and probably there were very few in 1914 who were such. To hear and obey God's Message is the only way to have contact with God and Jesus by the Spirit. You can see how God will protect such as are loyal in giving His Message, when we see what it means to God and man, and most of W. and M.'s work has been to hinder the simplicity of doing God's work in God's way, and so bring blessing to those who obey as surely as the muddling them with Alpha Truth which only leaves them in danger of missing what God and Jesus promises to those whose works are to be rewarded shortly as things look today. Rev. 22:9-10 give us a very clear outline of those who have trifled in the many ways W. and M. have revealed in their many activities, actions, and words, never feeling how foreign they were to God's revealed program.

You were made the Typist of what Willie was writing while pretending to be giving God's spoken, written, and revealed Message, which is the only hope for the world filled with all sorts of religious crowds which has closed the Heavens and filled the world full of serpent poison and deceived the whole world as in Rev. 12.

I noticed W. and M. were very fond of quoting scripture from David's Psalms and the Epistles and nearly always putting themselves in the place of the anointed who were writing like all other Religious peoples.

We have had 5 angels sound and now we have the 2nd Woe coming when Daniel 8 and Rev. 9:12 to end, and is very Terrible both in numbers and of those who rise and those who are killed, airplane, Bomb and Gas. This is the Lord's Battle as you can see in Isaiah 31:5 to end. So the choice is yours, and no other can choose. **What happened at Easter [April 1, 1945] was no accident** but God revealing what had been going on in His name and mine.

My love and God's wisdom to you and all who have suffered.

Wm. Irvine

Wm. Irvine's Letter To: Sutter & Pinceti

November 18, 1945

My dear Hans and Ellen:

Thanks for both letters. When you remember the thousands of ways the world uses the name of God and Jesus, we can see his Mercy and Judgment as given in Revelation for these days, when it's the only key to why and what is happening and going to happen in finishing up the confusion and strife in the human race. It can't be a pleasant thing to give Him our heart, mouth, feet and hands in making it known to all on the earth; which reveals the presumption and wickedness of any who try to make capital for themselves in mixing up any of what has closed the Heavens.

The last chapter of Malachi and the last chapter of Revelation go well together. Sending Elijah before the great and dreadful day of the Lord comes, to turn the hearts of the fathers to the children and the children to their fathers; when you see the whole world handing over their children to the care of those whom He calls in Rev. 22:15 dogs, Sorcerers, Whoremongers, Murderers, Idolaters, and whosoever loveth and maketh a lie in contrast to what God has made so plain in Revelation and which is to serve as what He gave to Moses on the Mt., which meant life or death to Israel. So what we have in Revelation is a similar Message. Rev. 22:7-10 shows who are Blessed in keeping the saying of the prophecy of this; vs. 8 and 9 shows the meeting of the 2 witnesses; vs. 10 and 11 gives a very severe shock to any or all who have misused their privilege. Seal not – as such people have tried to and do in trying to make the Message their monopoly. They speak about getting people into the Message, as all religious people do, in place of getting the Message of God into all they can, which is meant to create the fear of God in them by its fulfillment before the eyes of the world, and the reward, which is coming quickly both to the users and the abusers.

Blessed are they that DO His Commandments, that they may have right to the Tree of Life and may enter in through the gates into the Jerusalem. So hearing and obeying the Message of God and Jesus from the Throne, clear as crystal and flowing freely, will meet all our needs. So it's suicide to trifle with what is men's only hope and all that hinders us giving our lips and life to supply the human channel for the Message to reach the most hopeless people in men's eyes. Jesus said the publicans and harlots will press into the Kingdom while those who profess to be in it will be cast out; showing what the many forms of religious profession can do and be as in vs. 15, Rev. 22.

Malachi 4 – fathers and children; parents protect their innocence and ignorance in the natural. So in Spiritual things. The Virgins are those who have been kept from all religious activities, which makes them victorious. What has deceived the whole world as in Rev. 12, covers all who have the marks of Rev. 22:15. Hebrews 11 shows to hear and obey what God says in FAITH. Acts 3:22 and 23 is very definite in what has been and now coming on with all the outward marks. The 144,000 had not been defiled by the harlot ministry of Revelation that has deceived the whole world.

In my 22 years of Alpha ministry all sorts of professors were attracted; but I did not know it was the Devil sowing tares. But the Lord cut them all off and took me out of the mess, leaving them with filth in their mouths; God's way of revealing Hypocrisy. The very fact that so few give much ear only proves us and gives us a chance to have His seal and favor, while it either reveals the power of the wicked one to deceive. But His Message can never be forgotten if given in simple clear words and read from the Book to them. How impossible to get those satisfied with the whore, the whoremonger and the whorehouse. The 144,000 will all be men gathered and sealed of God from all the peoples of the earth, to get 3 ½ years of the 2 Witness work and to be scattered back to their own lands and people when the 2 Witnesses are killed.

The great earthquake will be at the end, not now; though there is to be a quake when the 2 go up, and 7000 are killed who had come to see if the 2 do rise and ascend. So the great quake comes at the end – about 7 years from now. The danger in reading most of the older letters is that we have been learning as the program is fulfilled.

My love and best wishes,

Wm. Irvine

Wm. Irvine's Letter To: Nelson November 19, 1945

My dear Nelsons and Co:

Thanks for yours and others. We are having our first rain here. You will be seeing by papers how things are going and nearing Rev. 9:12 to end – which I expect will be John's opportunity for coming down with His Message as we have had it by Revelation when the time is at hand for the 2 witnesses.

They say there are 2000 millions of humans on the earth and the chief difference between animal and man is the religious sense. In name of God and Jesus, there are 1000's of ways and thoughts about God and how to please Him, etc. No monkey or animal has this sense. So there is confusion and strife everywhere. Theology is what men think and say and try to prove from Bible and many other Books and Traditions. No monkey tries to be a man; but all men try their own ways to be Sons and Servants of God. Jesus says, I am Alpha and Omega, the first and the last, beginning and end.

Revelation is the record for the end of Jesus' work as Judge of all men and nations. God gave it to Jesus and Jesus sent His angel to give it to John to Write and promised A Reader to those who have ears to hear and obey by passing of God's Message to any and all men. Hebrews 11 shows us what FAITH to hear and obey God and bear witness to men.

Blessed is written for the Reader and those who have faith, ears to hear and mouth to witness. So reward is for all who do this and do it without adding to or taking from the words of the prophecy of this Book Revelation. We have no other way of knowing how we stand before God in obedient service. Rev. 22 – we see the waters flowing from the Throne of God and the Lamb, and the Tree of Life in the midst of the River and the leaves of the tree for the healing of the nations and no other hope or help offered. So don't waste too much time on and with those who have heard, but aim as God aims at giving those a chance who have not heard. If our witness is acceptable to God, we are His Servants and He will protect all as we obey in giving His Message. We will always feel revived and quickened for eating of the Tree of Life and assured of a place in the New Jerusalem. So we are working out our own Salvation; as you are His, He will be yours; as you are interested in His business, He will be interested in your affairs.

To be always hungry for a chance to obey is a good sign and the surest way to get strength and refreshing is in letting His thoughts and words come from your own heart and mouth. So keep after all, but spend least time on religious people; for it's the sinner class who will be most just and fair in hearing.

My love in Him,

Wm. Irvine

Wm. Irvine's Letter To: Smiths

November 19, 1945

My dear Smiths and Co:

I am writing on the back of **J. Laughlin's** letter; he is one of the most successful of all, who try to obey God and Jesus, in what God gave Jesus 60 years after Jesus had gone to Heaven. Jesus sent it by His Angel to John to write what is Omega Message of Judgment when Jesus takes the right hand place in Heaven, which was the last thing He said to High Priests, "Hereafter you will see the Son of Man on the right hand of power and coming in the clouds of Heaven" and the 70 wise men listening said He was worthy of death, and so they crucified the Son of God, for they believed he was a Bastard, which made the Jew, Latins and Greeks the same in their opinion and which made it possible to kill all the apostles except John who was 93 years of age, a prisoner and slave in Patmos, when he got the Message of God and Jesus for these days.

Since 1914 Judgments began to be fulfilled and **so need for a Reader**, when the time was at hand. Blessed is he that Readeth and they who hear and keep the words of this prophecy when the time is at hand to hear what God says and obey it, is the faith spoken of in Hebrews with Abel as the first witness to his faith; Noah, Abraham and Co. The flood was proof of conditions in the world when the Sons of God, so called, who worshipped God and were well satisfied with their profession through the seed of the man who killed his brother for what was pleasing to God.

Jordan Valley and the Dead Sea and the 6000 miles of the great gulch down through Africa produced by the atomic power of the earthquake which destroyed Sodom and Gomorrah, which now points to the great quake which is to destroy Jerusalem and the cities of the nations by the same power that is operating in all the quakes we have knowledge of by the mountains, valleys and rivers and seas which is now before us in the atomic bomb power as a warning to all who have ears to hear and obey. Abraham had ears to hear and obey and so the Judgments of those who had not ears to hear though their mouths were full of praise, prayer and thanks to God for the best crops in the Near East and World probably at that time.

The coming of Atomic bomb at end of the war as first Woe has set the whole world anxious but enables anyone with ears and a mouth to witness what awaits Jerusalem and the cities of the nations when they have had the work of the two witnesses; drought and plagues which is the 2 Woe now near at hand and the 3 Woe is the earthquake, probably about 7 years ahead yet, and the hail (big) to rid the earth of any who escapes, and prepare Jerusalem for the foundation for the New Jerusalem let down from God out of Heaven.

2000 million humans on the earth today all using the name of Jesus one way or another and filling the earth full of all their various theories and forms of worship filling the world full of hatred, confusion and strife.

How merciful of God and Jesus to give us one message, flowing from the Throne of God and the Lamb, clear as crystal, and the Tree of Life in the midst of the street with the leaves of the tree our witness for the healing of the nations. Noah was the prophet of the flood and Abraham was the prophet of the earthquake. **Both partners of what is now happening since 1914 when Alpha Gospel ceased and Omega Revelation Message began to offer salvation to all who will hear and obey His commandments.**

Rev. 22 is the clear outline of the whole matter. The living Waters from the Throne, the 2 witnesses is meeting the rebuke to those who by their own thoughts, seal, rather than pass the Message of God to every person they meet. Read carefully vs. 9-15 and see the promise to those who seal, as in their unjust, filthy, righteous and holy pretence with their reward as sure. Life and entrance to the New Jerusalem. So don't miss a chance of giving God's Message to those who have least resistance. Jesus says the Publican and Harlots will press into the Kingdom while those who profess to be in it will be cast out, showing what religion of any sort can do.

My love to all,

Wm. Irvine

Wm. Irvine's Letter to: Dunbars

November 26, 1945

My dear Arthur and Co:

Thanks for yours, Sept. 29, 1945. In 1938 I felt it was better to write one letter for all and entrusted W. Edwards to circulate it, which proved useful in one sense, for it saved me; for it has hard at 75 to do what I had been doing.

It's 27 years tomorrow since I arrived in Jerusalem to learn much of who I was and what I had been doing for 22 years before 1914 when the Alpha Gospel finished and judgment had begun. The War was the sign as in Rev. 8 when the 7th Seal was opened in Heaven and the 7 angels were chosen to sound the various stages in Judgment, or till the final.

We are on the eve of the 6th angel sounding and the 2nd Woe coming on, which is the beginning of the day of God's wrath. What we have had is the beginning of sorrows. Now the day of rewards and the 2 witness period with Rev. 9:12 to end. Dan. 8.

Matt. 13 gives a very clear outline of my work alone, to find Ps. 1 my experience. A world full of ungodly counsellors, standing in the way of sinners and sitting in the seat of the scorners of what God had made Jesus, born of a Virgin and labelled Bastard by the 3 leading peoples in the world. When anointed to preach they threatened to kill Him. And when crucified it was for declaring He was the Son of God and would sit at God's right hand and come in clouds of Judgment; and so they crucified Him with but very few who were sorry. And so the Apostles were looked on as the followers of the Bastard, which explains the death by violence.

(A) Sower went forth to sow, and after much hard work I got a few who were the fruit of my efforts. And while men slept the Devil sowed TARES; all sorts of religious people came in to be preachers and teachers, and people under the name of Jesus being the Way, Truth, and Life, called The Testimony, to end in 1914 in being broken up and cut asunder as in Matt. 24 with the Son of Man to give Meat in due season, and ending in what we see in Matt. 25.

Revelation only began to open up in 1918 when the War finished, and since then is very easy and simple so that any ordinary person can give it to any whom they meet, good or bad. All can hear it even if they are not willing to obey by giving it to others.

In Rev. 22:9-15 you see the 2 Witnesses meet in vs. 9. Vs. 10, Seal NOT the words of the prophecy of this Book for the time is at hand when reward will be to all who have misused their privilege and made people unjust and filthy, holy and righteous, and so missed it by their selfish interpretation. Vs. 14 – Blessed are they that do His Commandments in hearing and obeying God and Jesus that they may have right to the Tree of Life and entrance into the Gates of the New Jerusalem. Vs. 15 shows the various marks of all who have been satisfied with their religious profession, and so had no ear or heart to obey His Message.

My love in Him,
Wm. Irvine

P.S. I hope you are all well and willing to put all you can into what most people trifle with.
Wm. Irvine

Wm. Irvine's Letter to: Whites
November 30, 1945

My dear Whites and Co:

Thanks for yours and Percy's. He gives clear evidence of being in the Blackness of Darkness in saying we are to have the 3rd Woe. The 2nd Woe is just coming, which is the 2 witness period and the beginning of the wrath of God, or the Day of Vengeance on all who are His enemies as in Rev. 16. Rev. 9:12 to end gives you details, and also Dan. 8, and Isa. 31:5; all 3 places shows that air force will do the work in Judgment and defence of Jerusalem.

The atomic Power as seen in the bombs on Japanese cities gives us a sample of what Sodom and Gomorrah got when Atomic earthquake power destroyed and burned the cities which would not hear Abram's message, for he was the Prophet and Friend of God. The Jordan Valley and the salt Dead Sea, the lowest part of the Earth, 1290 feet below the Mediterranean level, and the Dead Sea about the same depth; out of which hundreds of tons pass my door every day to fertilize land for crops. It's mostly Potash, the result of the great quake which left a gulch, or the Great Gulch as it's called, which runs 6000 miles down through Africa.

The Atomic power is what God has used in creating mountains, rivers and islands, and you will see it's to be used in changing the Earth's surface. Rev. 16 shows the part it's to play when Jerusalem is to be destroyed and burned, and the Cities of the NATIONS, to be followed by Hail as big and heavy as a man's fist – giving a NEW Earth for His, and His coming to reign for 1000 years in peace on a rearranged Earth, and the marks of His curse on the Earth removed.

What we have had since 1914 is called the beginning of sorrows in divers places. But the wrath of God as in Rev. 16 is to begin now when the East and West are to conflict and fulfill Rev. 9:12 to end. We are to have a NEW Heaven and NEW Earth. We have 2000 million humans on the Earth with thousands of ways and forms of serving God and Jesus; which is the root and cause of the troubles on the Earth. Revelation is the Message of God and Jesus from the Throne, that He has given us to read and hear and obey in giving it to others, when the time is at hand. We show our attitude to God and Jesus in giving it to others, like a clear as crystal flowing stream, which gives us sure Hope of sharing in the Tree of Life, and entrance into the New Jerusalem. So we have great possibilities in hearing and obeying and so we are His chosen people.

My love in Him,
Wm. Irvine

Wm. Irvine's Letter To: Ben Patton
November 30, 1945

My dear Ben:

Thanks for yours; it's valuable evidence of appreciation for the Reader of Revelation, that others may show their appreciation of God's goodness in giving them a share in the Judging of the nations and even of man, in that it was given by God to Jesus 60 years after He had gone to Heaven to await the reward of His witness on the Earth to be regarded as a Bastard from birth to death, by the 3 great

people who were the chief occupiers of the Holy Land and Jerusalem. His birth by a virgin had been promised to Isaiah 500 years before hand as a revealer of what men can be and are who have never surrendered to God so that He can work in them and by them by His spirit, which is the chief object of God, in giving men an opportunity to become as truly sons in Christ's nature as all men are partners in Adam's nature. In Adam all die. Even so in Christ shall all arise to enjoy being partakers of His nature. No resurrection for those who die in Adam and possible failure, to arise by the same power of God as Jesus was raised and ascended.

On 27th Nov. 1919 I arrived in Jerusalem to learn many things I could never have known anywhere else and so be able to help those who had ears and heart and mouth; for we eat of the tree of Life as we bear His message to them of Judgment. Alpha Gospel finished in 1914 when Judgment began. The Spirit ceased to strive with men and only those who have ears to hear what the Spirit saith to the churches, which you find repeated to the churches. This is proof of them having the faith spoken of in Hebrew 11, which Abel, Noah and Moses had, and which is being repeated in the Prophet, Acts 3:22-23.

2000 million humans on the earth and 1000's of different interpretations of God and Jesus with confusion and hatred and death working in all of them in name of religion. You can see the wisdom and mercy of God in giving us living waters, flowing from the Throne of God and the Lamb as in Rev. 22, and the whole world will have a chance of hearing His Message by the 144,000 God called and anointed as in Rev. 14.

Fear God and give Him Glory, and worship Him who created the Heavens, earth, sea and the fountains of water in the earth. Men fear men who take place and power, and so rob God and man of the simple truth as Jesus and Co. revealed it.

Thyatira Message in Rev. 2 is for California. In 1906 on 20th April, Frisco quake which I was in, began the Pentecostal movement in Los Angeles. I witnessed to those who became Pentecostals but they refused angrily to hear that Jesus alone expressed what the Spirit said and did, and so they went mad and so they have polluted the world with what they say is the Spirit's work, when the Spirit ceased to strive with Jezebel, the Queen of the Pentecostal people died suddenly, a year ago, and her spiritual children will also die in Judgment soon.

My Love in Him,

Wm. Irvine

P.S. I begin my 84th year on Jan. (7th) 1946. John was 96 when he died and Revelations to write when 93.

Wm. Irvine's Letter To: Laughlin

December 2, 1945

My dear Bob and Co:

Thanks for yours and M.O.'s. Glad to hear you are making out, for the world is very ripe for what the 2 Witnesses have to offer after 6 years of war; people want less work and more money, and all the promises they get for better conditions only makes them want more, with strikes in G.B. and U.S.A. and Australia and promise of unemployment and more strikes and trouble looming everywhere. So the closing of the Heavens and no rain will be His answer to men and nations great; while the war of Rev. 9 looms in sight.

We have had 31 years of the beginning of sorrows which were but the warning years since 1914 when the Spirit ceased to strive with men, leaving them to their own thoughts and ways. But He has been laughing at all their big talks and great promises and demands. "Then shall He speak to them in His wrath and vex them in His sore displeasure." The only sample we have had of that is in Noah's flood and in the Atomic Quake which destroyed Sodom and Gomorrah and burned, forming the Jordan, the Dead Sea and the Great Gulch 6000 miles down through Africa; the reward of Abraham's prophecy and being the friend of God. How close the Lord and Abraham was when he pleaded with Him to spare the Cities. Jesus used Noah and the flood in speaking about the Judgment and wrath coming, and also used Abraham's Atomic Quake – destroying and burning. And now the world is getting enough to make men realize that power of the Atom is the power God has and is using to give men practically all they have; the Metals of all sorts, coal, oil. The Whetstone around our old town, the limestone, and all sorts, has been created by atomic power; and the best soils on the earth's surface. The lava from the volcano is but the proof of the heat of the Atom. Read and ponder Rev. 16 for Jerusalem and the cities of the nations.

I enclose cutting from the N.C. (News Chronicle) which seems to show where W. Pattison now is. He was sentenced on the very day I called on him on my way to Jerusalem 26 years ago.

My love to all that bear your name,

Wm. Irvine

P.S. I will be glad to hear about W.P. He seemed to be one of those who had no money to pay fine. I saved him from his business folly on 2 occasions, so I'm afraid he did not learn his. Wm. Irvine

Wm. Irvine's Letter to Grandada Hooe and Co.

December 4, 1945

PO Box 696, Jerusalem, Palestine

My dear Grandada and Company:

Thanks for yours (all). Very glad you find your changed quarters and homes pleasing to all of you. The cold weather will be on, so you will need better shoes and clothing, as well as firing. It's good to have friendly neighbors. I spent a week in Spokane, but did not see

much of it as I was busy all the time. Fruit and vegetables is the best food for Rheumatism; a little epsom or Gloval salt is good. You can put a pinch in your tea or coffee. A good rub with linament is good going to bed, and an old sock drawn up over knee is useful, and aim at avoiding cold and chill. An old overcoat is better than a jacket to work in, as it covers the knees. It's nice to have so many together so you can be mutually helpful in every sense.

Sixty years after Jesus went to Heaven, God gave Revelation to Jesus and Jesus sent His Angel to John who was at the time 93 years of age, who was to write it and when the time was at hand for it's fulfillment, He promised a Reader for those who had ears to hear amongst the Churches which were my work, mostly tares. But 7 times He repeats – He that hath ears to hear let him hear what the Spirit saith to the Churches. Rev. 22:12 says – They who obey their commandments in giving it to others shall eat of the Tree of Life and have entrance into the New Jerusalem. So as we do what Jesus and John did, we can be sure of our Salvation. You will always feel livelier after giving someone a mouthful or an earful, and now it will become easier as we see the great day of wrath and the 2 witnesses' work.

Judgment began in 1914 when the Alpha Gospel ended. So we have had 31 years of the warning; now we are to have the wrath of God and the Lamb in rewarding men according to their works. W.E.'s work was very much like making the Message a monopoly with a few personal friends only, in place of giving it to every person we contact. They are answerable to God not men. The wrath of God will have awakened many who have heard casually. So seal it not, but spread it abroad, as it's God's Message for today. Too much fellowship by letter or company is like a snare and it robs us of what God can give us and by us to others.

Rev. 9:12 to end is a very clear statement of what we are expecting between East and West people over Palestine and Jerusalem . The flood came in honouring Noah's witness. The earthquake which made the Jordan Valley and Dead Sea and Great Gulch down thru Africa for 6000 miles, was in honouring Abraham as the friend of God and Prophet whom they would not hear. The Atomic Bomb is but a sign of the earth power of God either in the Blessing or cursing. Out of the earth, God's Pailory, we get all the metals and valuables distributed and the oil etc. and by Atomic power the cities of the quake.

Wm. Irvine
