Pages – June 6, 1946
Ackersons – June 13, 1946 – **LAST KNOWN LETTER ON RECORD**

Wm. Irvine's Letter to: Julie & Martin Schultze.

January 3, 1946

P.O. Box 696,

Jerusalem, Palestine

My dear Schultzes & Co:

Thanks for yours and **W. Wilsons and Minnies**. I had a long letter from **Alfie McGowan** 2 days ago giving details of many of the old friends sick and dead in Ireland where he says you never () a word of the so-called Testimony people. All of which I regard as the Tares the Devil sowed as in Matt. 13. They came from all different sorts after I had shown them a little of what I had done. But none

of them ever came to anything more than imitation, and were cut off or cut asunder and appointed their portion with the hypocrite as you see in Matt. 24, when the Lord came and broke up the house and chose the Son of Man to give meat in due season by being made the reader for those who had ears to hear and obey the Message of God given to Jesus 60 years after He went to Heaven which Jesus sent by His Angel to John in Patmos as a slave, when he was 93 years old. And which the churches refused and said John was suffering from senile decay. He died at 96 amongst the very few friends left. But no man could read it till the time of the end had come, or was at hand. So it's a record of God.

I gave the Testy people 20 good years of His last Gospel. But it could only produce Tares which reveals the condition the world was in at that time and so ripe for the beginning of Judgement in 1914. And the only hope there was for those who had ears to hear and obey the words of the prophecy of this book Revelation. So it's well that people should have been disappointed in Alpha Gospel, and so prepared to hear the Omega Message of God.

A sower went forth to sow 52 years ago, and you can see how hard and impossible it was though he got a few. And while men slept the Devil (the deceiver) sowed Tares. And **Alphie** has proved to be one of the most perfect specimens from his letters now. What all of them tried to ignore, they feebly and cowardly recognize. It was the sons of God and their fair attractive women and children who were drowned, and only 8 people on the earth who believed and bore witness to Judgment coming. Only 3 came out of Sodom when the Atomic earthquake created the great gulch 6000 miles down through Africa from the Dead Sea and Jordan Valley – a sample of the Atomic power that will destroy Jerusalem and the cities of the nations, and rearrange the face of the whole earth for the New Heaven and earth wherein dwelleth righteousness.

The New Everlasting Gospel is, Fear God and give Him glory; for all the honour men get & take in name of God is robbing both God and man. Worship Him that created the Heavens, the earth, the sea, and the stones of all sorts that God has stored in the earth. You can see how completely He has blotted out all that fills the world today full of hypocrisy and delusion. You remember Abram pleading for Sodom, 50, 40, 30, 10, But there were only 3, very unwilling to hear and obey. This gives us an idea why Jerusalem and the cities of the nations are to be destroyed and burned.

Mal. 4: The day of the Lord cometh, it will burn as an oven and all the proud and they that do wickedly shall be as stubble (Tares) to burn. So you can see where the Testy comes, as the Tares the Devil sowed round me, and who had the Son of Man gospel for 20 years. But you see what they were in their unjust, filthy mouths under cover of Righteous, and holy profession, even as in Noah, Abram, Moses, Jesus and our day.

If you can follow the sower of Matt. 13, you see Jesus said the sower was the Son of Man, anointed to give His last Gospel, and then leave the tares in their righteous and holy hypocrisy, with injustice in their hearts and filth in their mouth. The same Son of Man He chose to give meat in due season to any who might have hunger, and to rule over all that He had. The Son of Man becomes the Reader, given as a witness to those who have ears to hear, Leader and Commander. The Son of Man becomes the Manchild brought forth by those who have remained loyal and true till John's coming. Rev. 22, shows you the meeting of the 2 witnesses. Then the rebuke to those who have been sealing the Message (making it a monopoly) with the unjust filthy and Righteous and holy hypocrisy well rebuked and left rebuked as W.E. & M. are, and how pretending to be sorry for those whom God delivered out of the snare and delusion which God had prepared for those who sought their own interest at expense of their victims. They were and are still being revealed by their activities.

Wm. Irvine

P.S. They want to hold their victims which God delivered from their power.

Wm Irvine's Letter to:Everitt

January 6, 1946

My dear Ivor and Co:

Thanks for yours. **Tonight finishes my 83rd year and tomorrow begins my 84th, and 8th January begins my 54 years as His Son and Servant.** What changes God hath wrought on the earth since 1893.

Matt. 13 gives us the Sower going forth to Sow and becoming the Son of Man, to find out the world was under ungodly counsel, and all their work standing in the way of God reaching the sinner, while they sit scorning all He gave us in His Son, born of a Virgin to be labeled bastard and treated as such, and put to death as such between 2 thieves showing how blind the religious, political, and educational world could be and is today.

I had **Irvine Noble** for half a day and with a companion, and enjoyed them. Troops have been rather busy, but I'm sure Irvine will have benefited much by his experience, and now he can be a soldier and servant of God in both senses, for the Lord is going to take a big hand in the coming war between the United Nations of the West and the United Nations of the East as per Rev. 9:12 to end, and Zech 12 to 14 during the 2 Witness period. Isaiah 31:5 shows it will be largely an air force defence and offence, with very terrible consequences to the Eastern peoples; their Judgment for all they are guilty of before God in their long opportunity, for he forgets nothing.

When I made a little headway in the Gospel as Sower, and men slept, the Devil (the deceiver of men) sowed tares, or Matt. 23 hypocrites, in the great number of religious people who were ready to join or share in what God had given and made, and though they got 20 years good Spirit witness, they were tares, with a few exceptions. **The Lord came in 1914 and broke up the House and chose His Son of Man to give meat in due Season; by giving me power to read Revelation; which had been a closed book till**

the time of it's being fulfilled came. So the so-called Testimony was never more than tares with the words in their mouths, and profession; but no more.

But any who had ears to hear Him would hear the Message of Judgment in the words of the prophecy, and such is a perfect description of my work; as His Son and Servant, in the ending of the Gospel and giving the message of Judgment to the world. So it's been a long job, but the reward day is at hand in John's coming.

I expect in the 144,000 of Rev. 14, the whole world will get all that Jesus began to say and do, but have little hope for the religious people on the earth. But those outside will have wonderful chance. The Flood of Noah's day is a pattern and sample of what the wrath of God means. Eight with ears to hear and 80 million full of all sorts of righteousness and activity, but no ear for God.

They claim now that the Ark has been found on the Mount of Ararat having been covered by ice till the quake loosed the ice and reveals the 3 story ark of gopher wood still very well preserved. It don't matter, but may be a hint and assurance of the old flood fact. Just as the atomic bomb has awakened interest in the quake which destroyed Sodom and created the Great Gulch 6000 miles from Mt. Hermo to Delagoa Bay in South Africa.

Remember Lot's wife, may be a hint of a woman's responsibility in our day, for the coming of the atomic quake which destroys Jerusalem and the Cities of the Nations in one day. It not only destroys but burns everything up. For Jerusalem is to be burned up. Mal. 4, the Day of the Lord cometh. It shall burn as an oven, and all the proud and they that do wickedly shall be as stubble, leaving them neither root nor branch. Those are what wrath means, of God and the Lamb.

Rev. 14 gives the Everlasting Gospel. Fear God; give Him Glory, which men have robbed Him of in taking, giving and receiving what only God has a right to. Worship God that created the Heavens, the Earth, the Seas and the fountains of waters. Men have robbed God and man of this by all their scientific claims. But in 6 days God created all we see above ground and under, and I believe it means what it says. The power that created all we see in the skies and their orderly operation by atomic power. All we can see of the Earth's surface, its mountains, valleys, rivers, islands, continents.

The Earth is like a Factory producing the soil of the surface and spreading. Wherever they find oil they always find ashes; what atomic heat has left of the remains of ocean life in the mud, or vegetable life in various and many forms of coal. Diamonds were created as volumes of carbon gas in the mud, which becomes diamonds and all sorts of precious stones. Metals are produced by the same means and spread over the parts to meet the needs of man in his spending time on the Earth as his home.

Some day we will have eyes to see what God hath wrought for the benefit of man's advent on the earth, for He saw the end from the beginning, and the same power that created has right and power to destroy, because human selfishness has robbed God and man of His good and great gifts.

My love and best wishes for all, and assurance that the great day of wrath is near.

Wm. Irvine

Wm. Irvine's Letter To: Adam Cantril, Denver, Colorado

January 6, 1946

P.O. Box 696

Jerusalem, Palestine

My Dear Cantril Family:

Thanks for your letter. I'm glad to hear you belong to the same social level Jesus lived His 30 years in. Born of a Virgin by the power of God. He was labeled "bastard" by three leading people in the world. So He was this from birth—a person of no reputation, as well as His mother and Joseph. Began to help Joseph and Mary's family when ten, and for 20 years worked as a carpenter. So you can see He tasted of all you have and no hope of becoming rich. Knowing the poor, broken-hearted people around Him, robbed and oppressed by the religious people in name of God. When nearly 30, He was anointed of the Spirit and told the religious people He was anointed to preach, not to the Religious people, but to their victims. For a bastard to pretend to be the anointed. So the more He said and did, the more they hated Him, and this was the cause of them putting Him to death between two thieves.

So your experience is more like Jesus' position amongst men. His Friends and Disciples were nearly all of the same class, ignorant and unlearned men and women. His Mother looked on as a deceitful woman. Mary, the whore of Jerusalem, whose life He saved when they wanted to kill her by stoning. Mary Magdalene, out of whom went 7 devils, a deceitful scandalizing gossip of the Synagogue type. These are the 3 Marys, and all of them looked on as outcast from the Religious, Political and Educated people of that day. And you can see the Publicans and sinners were friendly to Him. His Disciples were all of the common people. And you can see how easy it was for Jesus to speak to the woman at the well, and how easy it was for Him to say to Nicodemus in John 3; except a man be born again, he cannot see the things of God. For Nicodemus was the Highest product of the Religious world. And came to Jesus by night, ashamed to come by day. The woman in John 4 was the lowest in men's eyes.

As I write, I am finishing my 83rd year and begin my 84th tomorrow 7th of January. On 8th of January, I began to serve the Lord, quite unexpectedly. It was more a surprise to me than any other. And after 52 years as His Servant from being the Sower who went forth to sow, I got a few Disciples as in Matt. 13, when the Devil sowed tares and all sorts of Religious Professors came around to share in the anointing they recognized I had. After 22 years, the Lord cut them asunder and appointed them their portion with the hypocrites, and chose me to give meat to the few who were the common people, who got life through my witness. While all the people who had some

sort of reputation of any sort were left with their hypocrisy to perish, as the so-called Testimony people who don't recognize my work of being The Reader of Rev. 1:3 to those who have ears to hear. So you can see what a snare it is to have any claims such as Jesus did not have. So you are favored in your home and family Life, in that you have nothing to feed your pride of heart.

The Message of Rev. is of Judgment to every Man and Nation on the earth. And He was and is the Judge on the Throne. He is just the same common man of Nazareth with no reputation or appreciation possible to those who claim superiority rather than inferiority, which has marked all whoever were the Servants of God and Jesus, and outside, rejected by the people who are and were the tares of the deceivers by the Devil; and the Devil made to feel and think they were more than these in any sense. And we look for John (the fisherman still) in his appearance and social status. God's Message is clear and plain to any honest heart. We can't expect to get honor, place or power amongst men any more than Noah got in preaching and practicing Judgment. So I hope you will make the most of giving it to those who haven't heard.

My love and best wishes to you and yours,

Wm Irvine

Wm. Irvine's Letter to Tom McCaskill, Vancouver B.C.

January 6, 1946

P.O. Box 696,

Jerusalem, Palestine

My dear Tom:

Thanks for yours. You will find it good to read Luke 21:34-36, and ask all others to do the same, for Jesus knew well the danger there is in surfeiting and drunkenness, and the cares of this life, so that day came upon you unawares. For as a snare it will come upon them that dwell on the face of the whole earth. WATCH therefore (ye), and pray always that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of Man.

The very long wait is but a test of our Faith in what He has said. It's very easy to see and say what's happening on the earth, but it will reach every man. So it's not wise to treat the matter too lightly.

Remember Lot's wife is a special warning for women; and the more you know about her activities to the very end when all she had worked for went up in smoke of the Atomic earthquake; her daughters, son-in-laws, and their families, leaving her as a sample of what will happen when the same Atomic power, (which is known by the fire which consumes as well as destroys Jerusalem, and the cities of the Nations) for the cities are always the center of activity which makes people forget who and what they are, under the covering which deceived her, and made her the deceiver of others.

The day of the Lord in His wrath is something we can't find any parallel to, but in Noah's flood, and destruction of Sodom and Gomorrah, and many other villages around. Only 3 escaped and had to be hauled out by the 2 angels. She had been making Abram believe there were many righteous people, 50, 40, 30, 20, and 10. He asked the Lord to consider the righteous, but there were only 3 very indifferent specimens, and Lot's wife the worst of all in her deceit and hypocrisy.

Fear God, and give Him glory, Worship Him that made the Heavens and the Earth, the Sea and the Fountains of Water in the earth, which will be the only source of supply to those who are worthy in His sight. Atomic power is that by which God created all things in Heaven, as we look around; the earth it's surface, and all the activities that supply our needs in every shape and form, and keep every thing going. The Mountains, Rivers, Seas, Islands. The 92 elements, and all the many compounds for our use. The diamonds, and all precious stones. The various minerals, and metals for our use; the soil which grows our crops, and the seasons are all His work by Atomic power. So if it's useful it can also destroy all men have used and abused in short time. Sun, Moon and Stars are all to be affected, and express His wrath for the way men have used what He created and recreated daily, for Oil is a very clear proof of what Atomic heat can produce from the remains of vegetable and animal stored in the rocks, and formations in the earth crust. Our light, air, wind and rain expresses it's wide use. Our calms and storms, thunder and lightening, all that's good, and all that reminds us of cursing and blessing as we speak. So the power of the Atomic Bomb, a few particles gathered at great cost, is but a reminder of what God has done and been to man on the earth. So we will find out by experience how blind, and hard hearted and stiff necked humans can be without God control.

John is to lift his hand to Heaven before the world, and say, Time shall be no longer when you can rob God and man by human selfishness, pride and iniquity, or wickedness, which covers all men glory in.

I finish my 83rd year tomorrow, and begin my 84th. But John was 93 when Jesus gave him the Message to write.

My love to all who fear God, and give Him glory.

Wm. Irvine

Wm. Irvine's Letter To: Laughlins

January 15, 1946

P.O. Box 696,

Jerusalem, Palestine

My dear John, Vina & Jessie:

Thanks for yours and P.O. I am writing on back of **Sam McMullan's** letter because he is one who has acted faithfully these 38 yrs. since I first met him. I did not think it was so long ago. He went out to Queensland and worked there and came home with me in 1914, then went back and married and has 5 or 6 of family, has a chicken farm 6 or 8 miles from Brisbane, and in touch with a number who live in Brisbane, was a joiner by trade in Ireland, so he has had many up and downs in his friends and experiences. **James Gordon** who died last year was another of the faithful who married & has boy and girl, the boy in the army, was an Irish farmer & in Aussy a painter 1914, after they had preached for years and been very useful. **David Demster** retired from P.O. service but has always been loyal and true, and now on pension, has a boy in the army, & 5 girls, 2 nurses and 2 in office work and very loyal wife, they write me every 2 weeks. **Fred Smith** in Brisbane is very loyal and true both.

About 20 in Aussie who have proved to have ears to hear by what I gave them, while others were the tares and fruit of tares which the Devil sowed as in Matt. 13: which was called **The Testimony**; which was cut asunder when I was chosen to give meat in due season by the reading of Revelation to all who had got ears to hear through my Alpha work, when Judgment began and the message of God and Jesus from the Throne became the test for all who will be the woman body who brings forth the Manchild in the coming of John, which you can see very clearly in Rev. 22: So we see the sower of Matt. 13: becomes son of man and then finally John's companion for 2 witness period of work, which is the beginning of wrath or reward to every man according to their works. 80 millions with no ears to hear and 8 in the ark who had, and we may be sure those who hear and obey as the 8 did will find protection and provision in the storm coming near hand now, and many whom we have given the message to will have opportunity and compelled to seek to share what we have made possible. So we are working out our own salvation and offering to others what they will be compelled to accept or perish.

54 years ago I began to serve God and Jesus very much to my surprise and can see there was only one witness in Alpha as well as in Omega, and Matt. 13: is like a prophesy for the sower son of man with the many tares of all sorts who came into being and have proved themselves tares as surely as those who benefitted by my service in Alpha which made it possible for them to hear God's message from the Throne.

The Atomic bomb is God giving them a sample of the power which has created the Heavens and the earth, the sea and all that's in the earth for the welfare of men on the earth in every age. But which we see in it's power to destroy by what happened to Sodom by earthquake, fire & brimstone, a sample of what Jerusalem & the cities of the nations will get which ends the 3rd Woe, & maybe we may see it in the killing of 1/3 part of men in the ending of the 2nd Woe of Rev. 9:12 to end. The Jordan Valley & down thru Africa is but a sample of the Atomic power in judgment while men go on in the dark.

Wm. Irvine

P.S. All we have seen & heard & witnessed to in offering His Mercy to men the world will now hear & see with their eyes & the way of judgment will be as Sodom. He that sitteth in the Heavens, the simple lowly sincere carpenter of Nazareth is laughing for having.....

Wm Irvine's Letter to: Pincetl & Sutter

January 8, 1946

My dear Ellen and Hans:

Thanks for your 2 letters. Hope you are over flu which seems common in your U.S.A. and other parts where I get 1 letters.

53 years ago tonight as I write to you, I saw there was no hope of salvation but by surrender to the Lord I had been hearing about from childhood, any more than there was of crossing the Atlantic without a ship, Captain and compass. So I settled and began to witness to my choice at any cost. It was a surprise to me, for the more I tried to conform to the religious regime, the more I found defeat in them and me. When I look back., it's been a stormy voyage – but to find life and light, and Jesus as a good pattern, power and guide. So a Sower went forth to sow and found it very disappointing. But I got few who bore marks of being honest and true; 30, 50 and 100 fold. But while men slept the Devil (the deceiver) sowed tares, and many of all sorts came around with all sorts of profession, and so we had great seeming success in numbers and profession, and for 20 years I kept trying to give what I got, with nothing but disappointment so far as spiritual life was concerned. **And in 1914 the so-called house was broken up and I found quite a change in the whole of conditions, in that I had but a few who were left to me as the Son of Man to give them meat in due season and read Revelation to those who had ears to hear and obey the giving of the message of Judgment.**

The war was the proof that Judgment had come. The Son of Man was the Sower of Matt. 13, and now we have had 31 years of the beginning of sorrows, which leads up to the Day of Wrath when John comes and the 2 witness period begins. Revelation has opened up and we can read Rev. 22 and Mal. 4 as what's clear as crystal in place of mud waters which men have always made of God's Truth and way; and happy are they who can AMEN – Even so come Lord Jesus as you have revealed, from the Sower going forth to sow whom He said was the Son of Man in Matt. 13, then chosen to give meat in due season (as in Matt. 24) and to rule over all He had. Then to find the Son of Man become the Reader, to become the Manchild and to finish up face to face with John from Heaven as in Rev. 22, with some of the foolish virgins sealing God's message and hindering the needy world, whom God marked as unjust in their dealings with others and filthy in their accusation, while pretending to be Holy and Righteous. While those have served God and Jesus have found the Tree of life through bearing true, honest, simple witness as God gave to Jesus and Jesus gave to John to write, with a reader for those with ears to hear and sure reward for both the True and false, as He comes now to reward all according to the

WORKS in doing to others what God and Jesus, John and the Reader did to those who have ears. Self seeking people can never share.

Read Rev. 22:8-15 and you will find God and Jesus reward according to whether it has been self seeking or true laborious, discouraging work as He found in His work on the earth. If you get it all clear you will see the Gospel work of the Sower leads on into the hearing and obeying the words of the prophecy of this Book.

My early experience was largely in finding Psalm 1 my experience. Ungodly counsel with religious profession standing in the way of sinners and scoffing at any attempt to be and do God's work as Jesus did. Psalm 2 is a good guide to world conditions, as the nations fill the world full of hot air, and He on the Throne, the lowly carpenter of Nazareth as Judge of all, with reward either in wrath or mercy. He that sitteth in the Heavens shall laugh and have them in derision. THEM shall He speak in His wrath and vex them in His sore displeasure.

My love to all who can say AMEN,

Wm. Irvine

P.S. Hans must bear his own burden and go on as he has been doing. As the 51 League of Nations comes into view as the Leopard of Rev. 13 with the feet of a Bear and the mouth of a Lion. The Western nations versus the Eastern.

Wm Irvine's Letter To Laurel Wood

January 9, 1946 (or January 3?)

PO Box 696

Jerusalem, Palestine

My dear St. Paul Friends:

Thanks for your letters. I am writing on back of Mrs. Don's letter. She is 76 and her heart as young as ever, and true as steel for 40 odd years, to all I have been as the Sower of Matt. 13. The Son of Man, Jesus said He was, **and when God destroyed, and cut asunder those who did not believe I was the Son of Man chosen to give meat in due season by the reading of Revelation** to those who had ears to hear, and now we look for John's coming, as in Revelation 10, and see the 2 meeting as in Revelation 22:7-10. John gives me credit for having the sayings of the Book made clear to him, tho he wrote what he got from Heaven, he did not have the Blessed of the Reader, and they that have ears to hear, Rev 22:10-11 show us what **Edwards and Co.** made of the reading under the guise of righteous and holy, covering up injustice to many, and pouring out filth which are always God's way of revealing hypocrisy, both in **Alpha days and Omega**. The righteous and Holy people in Jesus day said He was a Bastard, and unjust enough to say He was worthy of death. So you see God had provided for **Edwards and Co.** even before we could understand it. Verse 14 shows the reward to those who obey or keep His Commandments.

All the cares you or others may have, have been met in what Jesus says concerning our difficulties; Luke 22:35-36. You can get much help I reading Luke 17; Malachi 4. The day of the Lord is to come as fire in an oven. It shall burn them up leaving neither root nor branch.

We read the Book as if Noah, Abram and Moses and others had none of the troubles common to us all. Noah was 600 years old when he went into the Ark. John was a slave in Patmos when he got Rev. to write at 93 years old. So age and the trials common to human life and few can grasp the terrible sufferings common to the human race. So don't encourage too much the various conditions which are but a test for our service.

I'm now in my 84th year, and 53 years ago last night at 8 P.M. I said I would serve the Lord, no matter what it meant or cost, with no if, or but in the conditions. So I know a little of the many obstacles and difficulties in a life, which are only the hurdles to get over if we are to serve God.

Luke 17:20-37 is good reading, for it shows that those who perished were those who enjoyed life most. Lot's wife was a very successful wife and mother of many daughters, but the atomic fire and brimstone turned all into a pillar of salt.

I hope you will benefit by seeing others have had to fight their own battles, and God's as well. So don't let the cares of any sort hinder your service of God, and man in these. Weak or strong, serve Him.

Love to all,

Wm Irvine

Wm Irvine's Letter to:Pages

January 10, 1946

My dear Owen and Co:

Thanks for yours today. What I noticed in your letter is freedom and liberty. Such comes only when free to act and speak. New experience in new places is always valuable, though to see Mum and Co. will be refreshing to them and you.

You speak about it being like a joke in the light of what's revealed by God to Jesus, and by Jesus to John to write; to be read when the time is at hand to those who have ears to hear; which is the clear as crystal waters flowing from the Throne of God and the Lamb;

in the midst of the street of it is the Tree of Life which is promised to all who obey His commandments; and the entrance to the New Jerusalem.

This we can taste as we honestly give the message of God to any one – friend or foe, though we can never expect any honor, place or power or reputation, but rather the opposite; what men have for all that's of God. Righteous and holy people were the chief enemies of Jesus, and God's way of revealing them is by their injustice and putting filth in their mouths, and so God sent His own Son born of a Virgin; knowing they would label Him bastard, which reveals their attitude to God and man, for they are always the mockers of what Jesus said of those Jesus said He was anointed to preach to – the poor broken-hearted, blind prisoners of any and every age.

53 years ago I began to find this out as I witnessed to Him as my Lord and Master, and to find out what Psalm 1 means. Blessed is that man that walketh NOT in the counsel of the ungodly counsellors who stand in the way of sinners, and scorn all that Jesus was amongst men. The more righteous and holy they are, the more unjust and filthy their mouths are. Jesus said, "I came not to call the righteous, but sinners to repentance," and this is true of all who ever were the servants of God.

Read Matt. 13:37-43 which shows He was speaking about the time of the end of the world and what the conditions would be, and the results to the seed of the Son of Man as the tares the Devil sowed; which was the so-called Testimony, while there were some with ears to hear the Message of Revelation by the Son of Man who becomes the Reader for those who got ears to hear by the Alpha Gospel message. So it's the Sower becomes the Son of Man. Then chosen to be Son of Man to give meat in due season to those who feel their need of a Reader. Then the Reader becomes the Manchild, and finally you see John and the Manchild meet as in Rev. 22. So you see how Revelation fits into Matt. 13 as the mouthpiece of Jesus as Alpha and Omega.

So you see the anointing of the two witnesses is the beginning of the gathering of the 144,000, and perfecting them for the scattering of the angels to gather out those who offend and those who work their iniquity in His name; and to gather the 100 million from the ends of the Earth when the two witnesses are killed, so it's been 53 years of work so far, but the Day of Wrath will begin when John comes, as we have had 31 years of the beginning of sorrows in divers places and in many ways.

I enjoyed reading Luke 17:20-37. The Pharisees ask, "When shall the Kingdom of God come?" Rev. 12, Now is come Salvation and Power, the Kingdom of our God and the Power of His Christ, but first must the Son of Man suffer many things and be rejected of this generation. Verse 26, and as it was in the days of Noah so shall it be in the days of the Son of Man. Eating, drinking, marrying and giving in marriage until the day that Noah entered the Ark, and the Flood came and destroyed them all. Noah was 600 years old. John was 93 when he wrote Revelation and 96 when he died. Abraham was 75 when he left Babylon, 100 when Isaac was born and about 120 when he offered Isaac. Moses was 80 when he was sent to Egypt. I mention these things to encourage all who are old.

Verse 28. Likewise Lot's days; they were eating, drinking, marrying and giving in marriage, planting, bought and sold, and building till Lot went out of Sodom. It rained fire and brimstone from heaven and destroyed them all. Noah had 8 in the Ark who had ears to hear. Sodom only had three very unwilling to leave Sodom. Malachi 4 says it's to burn as an oven, and all the proud and wicked are to be as stubble.

"Remember Lot's wife" who was deceitful and put all her care on her family of daughters and sons-in-law, and had deceived Abraham about the number of righteous in Sodom, 50, 40, 30, 20, and not 10 the Lord said, so the atomic earthquake destroyed them all, and the proof is in the fact that the salt in gas form covered Lot's wife; which is one of the atomic bomb powers as tested in U.S.A. and seen in operation in Japan. The atomic bomb is but a sample of the power which works in the Heavens, Earth, makes the Sea and the water in the Earth.

The New Everlasting Gospel by the 144,000. "Fear God and give Him glory," reveals the terrible condition of men robbing God and man. Think on all the great names in religion, politics and education, and which are taught, preached and practiced by the Cities of the Nations – which the quake destroys that destroys Jerusalem and burns it, showing it will be atomic power, and it may be that smoke, brimstone and bombs in Rev. 9-12 to end, refers to atomic power which can gasify everything we consider fixed in condition.

Abraham pleading to spare Sodom points to the why the Nation's Cities are to be destroyed. One third part of men to be killed of 200 million, points to the use of bomb – atomic. Fear God and give Him Glory or honor for what he has known; by His work of creation preserving the earth as a suitable place for men to live that they might become Sons of God.

WORSHIP Him who made the Heaven and Earth, the Sea and the fountains of water in the Earth. Think on all the worshippers and worshipping that goes on in buildings and men; their traditions and human interpretations, with so many names honored in hymnology and theology and theologians, with nothing to show for the place and honor they get. Fear God and give Him Glory, for the hour of His Judgment has come for those who have robbed God and man by their human iniquity and wickedness; which covers all that men have polluted the Earth with in His name.

To wonder Jesus did most of His work in the open air and hillside, and loved to go alone outside at night where He could admire and worship, and commune with the Maker, while His enemies loved to huddle up in the Temple built by men's hands, and in their Synagogues which obscure God's great works. I can remember the feelings I had when I managed to escape going to church in response to the bell, and sit amongst those who were the robbers of God and man of the day he gave for rest of man and beast.

The waters out of the Earth and Heaven drowned the sons of God and their fair wives and famous children, who worshipped God in the same way we see the whole under today, and now can see that Noah had no use or need of. But atomic Quake which produced the Jordan Valley and the Dead Sea, and the Great Gulch down through Africa 6000 miles to Delagoa Bay, was but a sample of what His wrath is to be on all that the Cain seed have spread over the Earth. For it was Cain who taught men to call on the name of the Lord.

I felt the freshness of your journey in the fresh air in your letter telling of the hill, lake and snow; all the work of God by atomic power under electrical control. For every atom and element is under electrical control. The Earth is like a great factory, producing what men need. Oil is a good sample of atomic action, for prospectors always find ashes wherever they get oil; produced from ocean and sea debris and also vegetable remains. Diamonds and all precious stones are produced by atomic heat; the Earth heat; also all the metals are produced in the Earth and put at men's disposal.

I enjoyed photo of Mum and Owen, and now we have reached the 1946 year which I expect to be the beginning of the best and worst in history.

My love to all,

Wm. Irvine

Wm Irvine's Letter To: Loitz

January 14, 1946

PO Box 696

Jerusalem, Palestine

My dear Wm., Mary and Family:

Today I got your very suitable and valuable gift; 2 sweaters in a beautiful parcel, which had not been opened. So the value was put at 30, and duty at 2 dollars. I put on the big one, and so I write you.

7 days into my 84th year, and 54 years since I became His Servant which to me was a surprise and has been more so during these years, for now I can see Jesus had it all planned and prophesied of, though I was all along quite ignorant and innocent. From Matt. 13, a Sower went forth to sow to find it very hard and little outcome; but I got a few who were good soil and fruit. He told His disciples the Sower is the Son of Man; and when people of many religious professions heard and saw marks, we all slept, and the Devil sowed tares, and this was what took place and made people speak about the Testimony while it was Tares of all sorts and sizes; and when **the end of the Alpha Gospel came in 1914 and Judgment began, He broke up the House and cut asunder all who did not know or believe I was chosen to read Revelation and give meat in due season to those who had ears to hear by my Alpha witness; in the world ripe for Judgment in 1914.** Psalm 1 gives you some idea of what the Son of Man had to learn ere he could be used of God, and it was a very difficult job to find out that the whole R. P. & E was ungodly counsel. But we were forced to see that the righteous and holy people were always the most unjust in dealing with men, and more filth in their hearts and mouths. They stand in the way of sinners by all their high and holy talk and profession and they always scorn anything that has the marks Jesus had, and his disciples.

These things I was learning slowly, but surely, so that I might have someplace in Psalm 2 as His Anointed, when the Kings and Rulers of the earth set themselves against the Lord and His Anointed. Hearing and obeying the words of the prophecy of this Book is very much like Noah building the Ark of Safety for him, family, and all he knew to be his necessary property for the new day that came after the flood had done its work.

There were just 2 sorts – those who heard and obeyed His Commandments as in Revelation and those who did not either hear or obey. So they will find when wrath comes they have no cover or hope of security. When Noah entered the Ark and God shut the door, the flood came and took them all away. So we have just the 2 sorts, those whose works are in hearing and obeying by giving it to others; and those whose works are the opposite. Behold I come quickly and my reward is with me to give every man according to his works. So the coming of John is like the coming of the flood to all who will not hear, but go on their own foolish Righteous and Holy; unjust and filthy way, for all that was said against Noah and Co. was filthy and unjust. So those who were builders would work out as Noah gave the guidance. The woman body will be those who have been co-builders and find protection and provision when His wrath is poured out by the 2 witnesses.

In Rev. 22 you see John and the Co-witness meet and recognize each other. The next verse you see those who had been hinderers. Seal not the words of this prophecy for the time for its fulfillment is come, and you see how they had hindered by their unjust, filthy mouths while building up a Righteous and Holy profession that only stands in the way of sinners, and scorns the way Jesus acted and lived towards those who were the victims of the religious ungodly counselors.

It was when Noah entered the ark, the flood came; and when Lot went out of the city, the atomic earthquake that destroyed the Godless in that city by fire and brimstone, which filled the Heavens and turned Lot's wife into a pillar of salt by the gasses in the air. The Jordan Valley and the Dead Sea and the Great Gulch down through Africa show what will happen in the 3rd Woe, when Jerusalem and the cities of the nations get what Sodom got..

Jerusalem is to be burned as well as destroyed by quake. This is always the atomic sign, and we may see the third part of men killed by atomic bombs in the end of the 2nd Woe, as in Rev 9:12 to end. So Noah's flood reveals how we can hear and obey and in so doing provide for our escaping wrath; while those who add to or take from will be left out.

Atomic power that is always working in the earth poured out waters, as well as the rain. You can see how a man can switch on current and the 1,000 or million lights in a big city can switch it off, and so we have the Blackout. All we have been seeing and hearing during the war may be pointing to what's coming in the 2 witnesses period and 2nd Woe.

My love and thanks to all,

Wm. Irvine

P.S.. If you are willing to have Lew Fountain there, it's all right. Though conditions may change there also.

Wm Irvine's Letter to:Smith

January 22, 1946

My dear Smiths and Co:

Thanks for yours and M.O.'s. **Now I'm into 84 and 54 years of my life and life's work as the Son of Man.** If you can read Matt. 13, you will see a Sower went forth to sow and got a few of the right sort. Then the Devil sowed tares and both were to grow together till the harvest, the end of the world, the tares to burn in the fire and the reapers are the Angels who are to gather out all scandals who offend and work iniquity, vs. 37-48.

Luke 17:20-37 gives you a lot of light on vs. 24. You see the Son of Man has the Light which shineth for the whole world (take notice). Vs. 25, But first must he suffer many things, be rejected of this generation in Alpha days and also Omega days; as in Noah's day so shall it be in the days of the Son of Man, which I now see covers the whole 54 years witness leading up to judgment and now wrath by the drying up of the Heavens. Just as Noah's day was the opposite in flooding the earth and destroying the 80 million who were called Sons of God after the pattern of Cain. You see how they were living out their natural life till the flood came and destroyed them the day Noah entered the Ark, which seems to point to John's coming and the 2 witnesses begin, and close the Heavens, and the day Lot went out of Sodom, fire and brimstone and quake; both these events are samples of God's wrath by atomic power.

How could the Ark rest on Arrarat 6000 feet above the sea level by rain only? I see reports of the Ark having been discovered which had been long under ice till quake broke up the ice and revealed part of the Ark. I noticed in Iraq they are now uncovering a town which existed before the flood with a great many works which shows they were in many ways quite modern, though not on a big scale as today. The town is near Ur of the Chaldees where Abram came from to Palestine when Tower of Babel was confused and scattered the nations to be now judged.

Isaiah 2:2 shows his prophecy is for the last days and Isa. 9:5 shows the judgments to be with fire and sword as we have seen the past wars not as other wars which were confusion. Notice "and garments dipped in blood" – these things are to begin when the Son of Man is revealed when John comes.

Mal. 4 speaks about burning as an oven and you see in 2nd Peter, 3rd chapter, what he says about the earth being melted with fervent fire, and many places in the Book fire is mentioned, and brimstone, which we did not realize the meaning of. Sodom was destroyed by fire and brimstone from the Heavens and Lot's wife was turned into a pillar of salt, showing the salt was in Gaseous form and settled on her body, which is proof of atomic fire which melts everything. They find that the atom they can't see by a microscope are under electrical control and the breaking up of the atom releases power and energy when broken up. Genesis says the Lord created the earth for man's home in 6 days.

Rev. 14:7 the new Everlasting Gospel of the 144,000 is Fear God and give Glory to Him, for the hour of His Judgment is come. Worship Him that created the heavens, the earth, the sea and the fountains of water and are under His control electrically, with atomic power; and gave us the 7th day to enjoy it and respond to it by man and beast. But man has robbed God and man of the real source of true fear and worship of Him, our Creator.

The Jordan Valley and Dead Sea are very wonderful samples of atomic power, creating the valley 20 miles and more wide and 1290 feet below sea level to the level of the Dead Sea which is 1200 feet deep and the great gulch runs down through Africa about 6000 miles from north to south and Jerusalem is 20 miles from center of valley and you can see all sorts of fire marked rock which were thrown out by the quake and the valley has many small mountains of dust still to be seen, and 100's of tons of potash pass my door every day to England and other parts to fertilize our land.

Atomic power has created the soil on the earth and works 24 hours per day under ground, producing for the needs on the earth. Oil being one very clear case, metals and minerals and precious stones of all sorts, mountains and rivers and valleys world over, but people are asked to go to a house of God made with man's hands to be admired and worshipped. So the 2nd Woe will not be by water but for the want of it and the plagues will all be by His power – atomic – under His control by electricity. They know much what it can be but not able to say what electricity is, though a man can turn on 1 million lights in a big city by a switch, so will see how Jerusalem and the cities of the nations can be destroyed on one day as Sodom was for the same reason.

I hope you are all well and watching to see the greatest things in world's history by the wrath of God and the Lamb.

My love in Him,

Wm. Irvine

Wm Irvine's Letter to:Craig

January 28, 1946

My dear Mr. and Mrs. Craig:

Thanks for your faithfulness in sending weekly Telegraph, which I always enjoy and read it every word, and pass it over to a nurse who comes from Tyrone. The war showed the value and quality of the Ulster people. I always enjoy seeing Maypole on the paper for

I remember well when Maypole began to be famous in Glasgow 60 years ago.

I began my 84th year on 7th January, and my 54th as the Son of Man, though I had not the slightest idea of who I was or what it all meant in giving the world the Alpha Gospel – up to 1914 when Judgment began and my eyes were opened to see what Revelation meant.

The greatest comfort today is to find the Scriptures full of Truth about the Son of Man. Psalms 1 and 2 are very clear for my **Alpha experience** was in finding out the world was full of ungodly counsel, and the more religious people are the more they stand in the way of sinners, and sit in the scorers seat when you show them Jesus. And now when you show them Jesus on the Throne judging the nations and every man, while they make war one with another as to who is to rule the world, and desolate His world in their attempts; while He sits on the Throne laughing at all their big attempts these past 31 years. And now we are to see Him speak in His wrath and vex them in His sore displeasure by the 2 witnesses of Rev. 11.

In chapter 10 you see John the Apostle come down from Heaven to be my companion, and you see the meeting of the 2 in Rev. 22 while the whole world trembles as they hear and see what atomic power can do as in the 7 plagues which the 2 witnesses of Rev. 16.... ending in the atomic earthquake which destroys and burns Jerusalem and the cities of the nations; which will be followed by Hail – very big – to end the career of His enemies who have robbed Him of His glory, and men of their salvation by the thousands of ways they have of serving and worshipping God and Jesus His Son, whom they said was a bastard, and as such crucified Him.

I had 70 letters from Xmas to my birthdays, and among them one from **Sam McMullen** of Australia. He said it was in 1907 he met me; where I got to know your father and mother. 38 years is quite a long time to stand the Test, and Sam and your father were always loyal and true to me, and it makes your heart glad when you find those marks in any one when the world is rushing to its doom.

John lifts his hand to Heaven and says time shall be no longer – Rev. 10 – for men to rob God of His Glory and men of their Salvation, by all the hypocrisy of every kind. Rev. 14 shows us the New Everlasting Gospel as “Fear God and give Him Glory; for the hour of His Judgment has come, and worship Him that made the Heaven, and the Earth, the Sea and the fountains of water,” by His atomic power, which the world is speaking about, and now to be used in their destruction; finishing the old Heaven and Earth which men have corrupted and dishonored God by, and giving us a NEW Heaven and NEW earth wherein dwelleth righteousness.

You see the United Nations getting ready for the great War between East and West, as in Rev. 9:12 to 21, when one third part of men are to be killed by airplane, smoke and brimstone, which will have atomic power and airplanes, and you notice the marks of the victims are Eastern people, and the cause of the War probably what you see working here in Palestine, though will come on when John arrives and will continue during the 2 Witnesses 3 ½ years of witness to the world. The coming of John is the bringing forth of the Manchild, as in Rev. 12, when it says, “Now is come Salvation, Strength, the Power of God or Kingdom of God, and the Power of His Christ,” which was taken from the Earth in 1914 when Judgment began.

So the coming of His wrath, the coming of the New Gospel are together; so it will be a bad day for the proud and wicked holy people, and a glorious day for all their victims.

I hope you get a read of some of my letters, which are not so many when you are 84. So accept of my thanks for the Telegraph and I wish you and yours His best Blessing and increased hope as the day draws nearer.

Remember me to your father,

Wm. Irvine

Wm Irvine's Letter to:Loitz

January 28, 1946

My dear Loitz Family and Co:

Thanks for your letter which shows you still suffer from the delusion had of making light of the serious conditions the whole world is in. Luke 17:20-37 is very useful in showing us where we are and the consequences. Vs. 32, “Remember Lot's wife” is not there by chance, but a warning to all who are troubled as she was about family affairs. Sodom was a very comfy city to live in, marked by prosperity; plenty to eat, plenty to drink, plenty of ease and pleasure, good market for her daughters, several of whom married; but no fear of the consequences which Abraham had often warned them of.

It would be good for most to pin up on their wall Remember Lot's wife, full of the cares of this life; the deceitfulness of riches and the love of pleasure; which was to go up in smoke by the atomic quake and fire from Heaven; leaving her as a monument for our days, when the Son of Man shall be revealed in John's coming and sealed when the 2 witnesses are killed, lie and rise and ascend up, after 54 years of witness in the world; suffering many things and rejected by this generation. Vs. 26, while the Religious rejecting world is just as in Noah's day, only fooling themselves till the flood came and took them all away.

The 7 plague period is atomic power – in the giving of no rain and the 7 plagues being a challenge to the whole world in that each plague is beyond men's power to resist it.

Two men in one bed, one taken the other left; 2 women grinding at the mill, one taken the other left. 2 men in the field, one taken the other left. The holy people believe the one taken is the rapture in place of the plagues which are His Messengers of Judgment. This is His way of gathering out of His Kingdom all scandalmongers, and they who do their own way in name of God which is the meaning of iniquity – and this is the penalty for all who have ever heard the Message of the Son of Man on the earth these 54 years.

There have been many who say "lo here and there," but vs. 24 shows it's the light which is for East and West and nothing between.

My love to all,

Wm. Irvine

P.S. The atomic bomb is but a sample of the wrath of God in its Judgment power to destroy all who ever had a chance and despised. W.I.

Wm Irvine's Letter To: Mrs. Mabel Velk, Phoenix, Arizona

January 30, 1946

Jerusalem, Palestine

My dear Mrs. Velk:

Thanks for your very good letter giving detail of your experience. But I also want to cheer and encourage Mrs. and Miss Martin, who have stood the test of time and many difficulties, to be comforted by your coming into touch with them, to get a taste of the living waters, clear as crystal, flowing from the Throne of God and the Lamb; which is the only hope for any. And the leaves of the Tree of Life in the midst of the street, is to be for the healing of the nations very much sorely smitten today. Which gives us hope for the honest-hearted, who have been deceived by the Devil that deceiveth the whole world, with headquarters in Jerusalem, as you can see from Revelation 12, when the Son of Man will be revealed by John's coming, and when those who have been true and honest will also be revealed.

The final seal will be in the killing of the 2 witnesses, their lying unburied, rising and ascending to the place Jesus promised to the Overcomer and Company, to the tune of an earthquake and 7,000 men killed, who had come to watch what would happen to their unbelieving, wicked hearts and mouths at the end of the 3 ½ years of very severe wrath by the plagues and drought, which will be very severe on very many, as the angels will pick off one here, and one there from their nearest and dearest. Two men in one bed; two women at the mill, or the queue; or two in the field, at work, discussing the Message and Messengers as the Son of Man on the Throne will send forth His Angels to choose out the wicked from amongst the just for their scandal and iniquity.

I began my 84th year on 7th January and my 54th year, as Son of Man, on 8th January, though I was innocent as a child in the matter of who and what I was chosen to be to the world, in giving the world the Alpha Gospel, and Jesus as the Way, Truth, and Life, by which, alone, men can be brought to God, the Father, to get the Christ Nature, which ended in 1914, when Judgment began. The war being the sign of what had taken place in Heaven, as in Revelation 8.

Luke 17 is worth very careful reading. The Pharisees asked Him when the Kingdom would come. His answer was, it cometh not so you can see it, because it's in those who are His Son of Man and His seed. The days will come, that ye shall want to see one of the days of the Son of Man, but ye shall not see them, and they shall be saying "See here; and see there. Go not after them, nor follow them.

Verse 24 shows you there will be only one light for the whole world, so, also, shall the Son of Man be in his day. Verse 25: but first must he suffer many things and be rejected of this generation, and as it was in Noah's day, so shall it be in the days of the Son of Man. Noah's day ended in the flood, which was by atomic power, leaving the ark on top of Mt. Ararat, which now is claimed to be seen since the ice was broken up by earthquake in 1918. The closing of the heavens is by atomic power, though the 2 witnesses will speak the words and God will do the rest.

The plagues will be atomic for they, each one, are beyond means power to avoid them or resist them, but are under the power of the 2 Witnesses. The earthquake which destroys Jerusalem in one hour (and burns it), which is atomic, and also destroys the cities of the nations, followed by the great hail, which finishes God's wrath and comes after the 2 witnesses have gone; and is called 3rd Woe; while the 2 Witness period is the 2nd Woe, which begins when the great conflict between East & West, religious war, Revelation 9:12-21, in which atomic bombs will be used in killing 1/3 part of men—200 million Eastern people—you can see from the description given of worshipping devils and idols. Noah's flood will be type of the drought period. The earthquake, fire and hail will fulfill what Lot and his wife got. Remember Lot's wife would be well pinned up in all the houses of those who have heard the Message.

Verse 33, whosoever shall seek to save their life or make the most of their human life, will lose it; and whosoever shall lose his life, in the human sense, shall save it. Lot's Wife was using Sodom with its plenty of every human sort to eat, drink, and in marriage of her daughters, etc. lost all by the atomic quake and fire and left her clothed with the salt in gas form condensed on her body; a warning to all who are more interested in preparing for a long, happy, fruitful human life.

If you read Matthew 13, a Sower went forth to sow. Jesus said the Sower was the Son of Man, the field is the world, the good seed I got out of 54 years' witness, are the Children of the Kingdom. The Tares are the children of the wicked. The enemy that sowed them is the Devil. The Harvest is the end of the world, now nearing. The Reapers are the Angels of Destruction. And there will be much weeping and wailing amongst the many thousands I have witnessed both in alpha and Omega Days. In Alpha days, pre 1914, I used to travel 40,000 miles preaching the Jesus Way to thousands every year. Mostly tares.

Verse 44: The Kingdom is like treasure hid in a field (the world). I sold all I had, and was in; buying right, to make the world my field. In 1914, I sold all I had to possess the Pearl of Great Price to be the Reader of Revelation, and see the fulfillment of the greatest day of Salvation and Damnation to the whole world, unrevealed till John comes, when they shall say, "Now is come salvation and strength,

the Kingdom of God, and the power of His Christ." So I can wait and watch a little longer, till the East and West get ready to fulfill the 2nd Woe.

[\[This letter wasn't signed \]](#)

Wm. Irvine's Letter To: Arthur Dunbar & Co.

February 13, 1946

P.O. Box 696,

Jerusalem, Palestine

My dear Arthur & Co:

I was glad to see yours today and also a month or more ago – and to hear of Mrs. Ritzman, for he and she were always loyal, – as the family bore the tare marks.

You mentioned your leg. I expect it will be the result of foot weakness. I remember telling you as if it was yesterday, that I expected the time would come when He would heal, and Rev. 12 gives us hope when the Son of Man will be revealed who has been hid from the eyes of all men, and but now becomes surer than at any past day. 54 years is a long time to wait, and many will be glad to hear that NOW is come salvation and strength, the Kingdom of our God and the power of His Christ, when John comes and the meeting of the 2, as in Rev. 22 becomes fact before the eyes of the whole world. Little did we know that Matt. 13 was prophetic of the Son of Man. Luke 17 gives you the clearest picture of the Son of Man being as Noah was in his day – to suffer many things, and be rejected in this generation as Noah was. As in Noah's day and when Lot went out of Sodom are given of the 2nd, the 3rd Woe. In place of flood we will have drought, and the Atomic earthquake and hail fulfills the 3rd woe in the finish of the old Jerusalem to make room for the new. And the cities of the nations will get what Sodom got by quake and fire. Fire is the mark of atomic power. Fire and Brimstone from Heaven refers to what Japanese cities got a taste of, which the whole world speaks of, though they know not its true meaning and value.

Luke 17-24 shows the Son of Man is to be the light which shineth over the whole earth; though men will not see nor hear, but rather pile on suffering to the light bearer – and reject him who is anointed to bear witness.

No man has ever seen an atom. No man can tell us what electricity is. Every atom is composed of 2 or more elements. The Heavens and earth is composed of atoms. But the creator controls every atom by electricity. But God touches the Button as surely as a man can switch on lights by the 1000 or million. But a man can't make a blade of grass or an atom of the countless No. in the human body; and here is where men rob God of His Glory – and men of the fear of God, and fill the world full of Idolatry by their pretensions and profession and so fill the earth full of what we see in Matt. 23.

You see atomic power in what took place in the flood and destruction of Sodom. Some people claim to have seen the remains of Noah's ark on Mt. Ararat, 6000 feet above sea level, preserved in Ice – but now partly seen as the Ice was broken up by earthquake. And every day 100ds of tons of Potash pass my window on its way to England for fertilizer. Potash or Pot ash is the product of fire operating on everything. But it must be atomic heat which can melt anything it comes in contact.

The oil we find all over the earth is the result of atomic heat in the earth, acting on anything which has animal or vegetable matter in it. Oil men always find ashes where they get oil. Animals and birds are more sensitive to earth activities than men are, and in change of weather etc. You see in Lot and His family how they knew nothing of what was coming, and Lot's wife least of all. The gas of salt that settled on her dead body shows the heat from the fire and brimstone which came from Heaven.

All the plagues of Egypt, 10 in no. were atomic. But Moses and Aaron were the mouth piece, both to those who had ears and those who had none. And so you can see in Rev. 11 the power the 2 witnesses have both in protecting them and avenging the acts of men. These have power to shut the Heavens that it rain not, and to put the plagues 1 to 5 on as often as they will, in dealing with the various sorts, by atomic power.

It was atomic power that destroyed 10 square miles of Frisco and all the quaking on the California coast since Roosevelt and Hitler came into power was but merciful warning. Frisco quake came at 5:13 A.M. If it had come at 8:30 A.M. 1000's would have been killed. And in your district it came at 6 P.M. If at 3 P.M. school children. Would have been very terrible as so many schools were destroyed. And California south, has been kept guessing ever since. But people are so busy with their own thoughts and ways, they do as the Holy people did in Noah's time and Lot's time – eating, drinking, marrying, giving in marriage, planting and building, buying and selling, till the atomic wrath of God lets loose.

1914 was the beginning of Judgment. 31 years of warning we have had now. The wrath comes when John comes. When John comes and you can see the 2nd woe is to kill 1/3 part of 200 million, which points to atomic bombs and the plagues 1 to 5 while the more severe world earthquake and hail will finish the job, and He and His come 45 days. Blessed are they who continue till the 45 days after the work of Judgment is finished. He that endureth to the end shall be saved. So we are about to enter the atomic age which is His wrath. All else has been but warning and our opportunity to bear His message to the world.

My love in Him, who sits on the Throne Judging the rewarding every man and Nation,

Wm. Irvine

Wm. Irvine's Letter To: Ellen Pincetl & Hans Sutter**February 21, 1946**

P.O. Box 696

Jerusalem, Palestine

My dear Ellen and Hans:

It was joyous to hear you were together, work is always felt at home by those who love us most. I lost my sister when she was 25 and I 23. She was like a 2nd mother to me, and we were more to each other than any of the others younger could be, for I went out to have a home of my own with a younger sister to keep house. So now I'm into my 84th year with only 2 sisters left out of 11 in the family.

But age only makes our feelings more tender as we look back, and especially these past 54 years since I became the loneliest man in the world to suffer many things—the rejected by this generation, the penalty and price of being a Sower who went forth to Sow and to become the Son of Man, unknown to myself and more by those Tares whom the Devil sowed around me. But always a few who were the seed of the Son of Man as the death and resurrection and ascending will be the final seal. Luke 17:20-37 is very expressive of the Son of Man life.

Isaiah 9:5 speaks of atomic fire – as the power God will use in the day of His wrath, which comes on as when John comes and the 2 witness period begins. There are 93 elements, but innumerable atoms each under electric control. Though men have never seen an atom by any means, they have seen their action. But He is the controller of every atom in His universe. Science tells us of what men know. But this conflict shall be with Burning and fuel of fire—the Battle between Him and His enemies. V.19 of Isaiah 9 show men shall be the fuel of fire. Moses' work in Egypt was all atomic power—putting on and taking off the plagues.

Rev. 11:3 – I will give power unto (MY) two witnesses, these are the 2 olive trees and the 2 light givers to the world, standing before the God of the earth by whom men will share in the anointing and power to give the light of God to me. V. 5 – And if any man will hurt them, fire proceedeth out of their mouth and devoureth their enemies; every man gets what he would desire to give them, so it's life or death according to their attitude.

The closing of the Heavens is by atomic power. The plagues of Rev. 16 are by power which only God can give. A Noisome and grievous sore upon the men which have the marks of the Beast as in Matt. 23, and who worship the Image or man-made Idols. So it's beyond their power to heal.

2nd Plague – is for all in the great SEA of humanity, who have not the marks of the beast as in Matt. 23, but all under the delusion of them, whom the whore controls – Rev 17:15. Their blood becomes as the blood of a dead man—coagulates in the heart; one shall be taken the other left as in Luke 17:20-37.

3rd—Changing water to blood for those who are the persecutors and killing of His prophets and saints.

4th—The sun scorches men who rob God of His glory.

5th Plague—Darkness on the seat or Headquarters of the unregenerate Beast whose names are not in the Book of life. Moses put on and took off the plagues; so with the 2 witnesses and will be killed and raised and ascend to Heaven while 7,000 men will be killed by quake, which is pledge of Resurrection to all who are His people, which ends the 2nd Woe. The fact that 1/3 part of 200 million in the conflict between East and West points to the using of the Atomic Bomb as in Japan—for 66.6 millions could not be possible with the past equipment of the nations as in past wars.

You can see that these things will make it possible for the 144,000 apostles to offer salvation to the world, and 100 million will accept their message and be saved. The fear of God and giving Him Glory as you see takes place when the 2 witnesses rise and ascend. 7,000 killed and remained to give Him Glory – is a sample what His wrath will produce. So God offers men life and light or death and darkness – forever. All the indications are in this direction, which should make Glad the hearts of all who have been witnessing. The harvest comes as sure as our sowing is done, and the rewards are sure.

Looking back over my 54 years' work has been like casting a net catching all sorts. But the drawing it to shore and separating is now being done.

I hope you find your new home a cure and relief.

With my Love to all,

Wm Irvine

Wm Irvine's Letter to: Howell**February 27, 1946**

My dear Mother and Son:

Thanks for yours today, and like many others you are feeling the need for John to come and the Manchild brought forth, when the loud voice is to be heard saying, Now is come Salvation and Strength, the Kingdom of our God and the power of His Christ. This is the revealing of the Son of Man who has been hid from their eyes for 54 years as His Servant, who has suffered many things and been rejected of this generation or people, as Noah was in his 120 years of waiting, and now in my 84th year I feel like you, anxious to see as you see deliverance.

John was 93 when Jesus sent his Angel to John to write the message of Judgment of the world. He died at 96. Moses was 80 when he was sent to deliver the slave people of Egypt by putting on the 10 plagues, which is a sample of atomic power, which no man can resist because it's God honoring the man willing to speak these things to God's enemies. So there must be a prophet and the Message is not a nice story, for it's the wrath and mercy of God either one way or the other and no escape for any in reward of either one way or the other.

Read Luke 17:20-37 and you will see how simple the whole matter is and how personal it is when you see one taken and the other left. To hear and obey is so easy and simple that no man need to stumble, and so sure that no man can fail to find God honor it either in wrath or mercy, and is the sign the fear of God is in our heart. Rev. 22 is very easy to see John and Co. meeting and the rebuke to the self-righteous, unjust, filthy, while professing to be righteous and holy, which are the marks of the hypocrite world, who try to hinder His Message when the time is at hand. You will always find giving the Message cheer and comfort your own heart no matter how they treat you or the Message from the Throne of God and the Lamb.

The 93 elements – any of them joined becomes an atom, though no one has ever seen an atom, any more than they have seen the electric power which controls the atom, out of which God has created all that we call Heaven, earth, sea and waters in the earth. Rev. 11 – I will give power to my 2 witnesses and they shall prophecy or be His mouth to put atomic power in action in protecting themselves against their enemies. They have power to close the Heavens and put on and off the plagues as often as they will on the 5 different sorts of hypocrisy on the earth. Read Rev. 17.

The killing of the 2 witnesses when their prophecy is finished gives us the greatest sample of atomic power. The raising of them from the dead and going up at His bidding in a cloud, and the earthquake which kills 7000 men enemies who.....

2nd plague is for all the great SEA of humanity, who have not the marks of the beast as in Matt. 23, but all under the delusion of them whom the whore controls – Rev. 17:15. Their blood becomes as the blood of a dead man, coagulates in the heart; one shall be taken, the other left as in Luke 17:20-37.

3rd. Changing water to blood for those who are the persecutors and killers of His prophets and saints.

4th. The sun scorches men who rob God of His Glory.

5th plague. Darkness on the seat or Headquarters of the unregenerate Beast whose names are not in the Book of Life. Moses put on and took off the plagues; so with the 2 witnesses, and will be killed and raised and ascend to Heaven while 7000 men will be killed by quake, which is pledge of Resurrection to all who are His people, which ends the 2nd Woe. The fact that 1/3 part of 200 million in the conflict between East and West points to the using of the Atomic Bomb as in Japan, for 66.6 millions could not be possible with the past equipment of the nations as in past wars.

You can see that these things will make it possible for the 144,000 apostles to offer salvation to the world, and 100 million will accept their message and be saved. The fear of God and giving Him Glory as you see takes place when the 2 witnesses arise and ascend, 7000 killed and the remainder give Him Glory – is a sample of what His wrath will produce. So God offers men life and light or death and darkness, forever. All the indications are in this direction, which should make glad the hearts of all who have been witnessing. The harvest comes as sure as our sowing is done, and the rewards are sure.

Looking back over my 54 years work has been like casting a net, catching all sorts. But the drawing it ashore and separating is now being done.

I hope you find your new home a cure and relief.

With my love to all,

Wm. Irvine

Wm Irvine's Letter to:Laughlin

March 4, 1946

My dear John, Vina and Jessie:

Thanks for yours and P.O.O. Your letters are always cheery and hearty as if you were serving a good master in a good cause. For we get part of our reward in eating of the tree of life as offering what comes from the Throne of God and Jesus, the words of the prophecy of this Book. It's like making us partners in giving men the mind of God and His purpose for the old Heaven and old earth to pass, making room for the new Heaven and earth wherein dwelleth righteousness in contrast to the iniquity which marks all world activities, for all that's human is but an expression of selfish self-seeking in spite of all their attempts to hide it from themselves. Monkeys can never become human, neither can the most perfect hypocrisy change human to divine, and now we are to see atomic power used to end the whole structure men and the Devil has deceived the whole world by.

The power by which 1/3 part of 200 million will be largely atomic power. All the equipment of the nations could not kill 65 million in 3 ½ years as we have seen in the past 2 wars. Then the power given to the 2 Witnesses for their protection, the closing of the Heavens and the putting on of the plagues as often as they will is all by power men can't resist or hinder; even the raising of the 2 Witnesses and ascending and an earthquake is atomic, which is proof that resurrection of His people and giving them a new body is by the same power. "John comes in a cloud" is atomic. We have 93 elements, and all atoms are composed of 2 or more, and every atom in God's Universe is under His electric control, showing what He can do and be beyond all men's power either in mercy for those who hear and obey, or wrath to all others.

To hear and obey His Message of Judgment is the faith we read of in Hebrews 11. Those who heard and obeyed Moses in Egypt did not suffer from the 10 plagues which were atomic work and the power given to put them on and off 10 times. You see atomic power in action in providing for Israelites water out of the rock, manna from Heaven or out of the air every day, even the deaths by Judgment on they who spoke against Moses and the Lord. So we are only seeing what we read all through Jehovah's dealings with His friends and enemies, and as a rebuke to all the iniquity and pride of men who rob both God and man of His Glory and man of mercy. Fear God and give Him Glory for the hour of His Judgment has come; worship Him that created the Heavens, Earth, Sea and fountains of waters and all else in the earth. For it's from the earth we get supply of all we need, even the soil we grow our crops in depends on the dust or potash of destroyed stars and out of the earth by atomic earthquake which fills the air full, which spreads it over the earth. The potash created by atomic fire from Heaven and earth which destroyed Sodom has been washed into the Dead Sea and their untold millions of tons in the water which only needs to be dried out and bagged to go to England every day past my door.

So potash from the atomic fire which created the Jordan Valley and the Great Gulch 6000 miles down through Africa is but a sample of the greatest atomic earthquake which is to destroy and burn Jerusalem in one hour and the cities of the Nations, turning all men have gloried in into Potash and soil for the New Heaven and New Earth wherein dwelleth Righteousness, as the old was filled with every sort of Righteousness. All the perished matter goes to manure and enrich the soil today for man's use – is but a sample and picture of the change-over to the New Heaven and New Earth.

"Remember Lot's wife" should be hung up on the wall of every home, reminding us of what's to be the end of all our activities in attending only to eating, drinking, buying, selling, planting and building. It will all go up in dust, leaving warning words to make wise those who hear and obey and so are fitted to enjoy the New Jerusalem and all other conditions which will form the new where God can dwell amongst His own family on the earth.

I told you in a letter about being in the Frisco quake in 1906, April 20th, and also the quake in Los Angeles when Hitler and Roosevelt came into power 12 years ago; on Feb. 14th, 1946, the North West States 60,000 square miles was badly shaken up to and including Vancouver, which makes the whole 2000 miles shaken in the past 40 years since my first arrival at Vancouver and on down to Frisco and Los Angeles. So I can't but look on that as part of God giving us notice.

My love in Him to all,

Wm. Irvine

Wm Irvine's Letter to: Tors & Martin

March 11, 1946

My dear Mother, Daughter and Martin:

Thanks for yours today. Weather has been rather trying for age or weakness. Scotland had the coldest week ending March 2, for 100 years. Being able to enjoy a walk is healthful, but don't feel your labor is forgotten even if not able to be and do all we would like, and certainly shut ears is a stimulant for then we only realize where they are, and where we might have been, and we seem to be very near the great day of revealing of the Son of Man; after 54 years of being hid to suffer many things, and be rejected of this generation.

Luke 17:20-37 is very useful for today. Noah was rejected for his 120 years witnessing to Judgment, which no one believed would come, but it came. Sodom and Gomorrah was not to burn up by atomic fire and brimstone with earthquake because they were bad people, but because there was not one righteous person produced in it while they were gathered. Lot came from Ur of the Chaldees with Abram.

For the past 15 years many tons of Potash passes where I live to Japan, England and other European countries to feed the hungry soil, and hungry people now. I have never heard one person to mention the fact that this potash is what was left of Sodom & Co. for 100 miles N. and S. and 20 or more miles wide. The ashes from atomic fire filled the valley full 100's of feet deep, and it was mixed with salt as we find the land on Jordan Banks nearly all too salt to produce. The wind and weather slowly washed part of the dust into the Dead Sea, and now it's pumped into large earth tanks, and dried in the sun, and sold to the world as fertilizer. 7,000,000 tons of water go into the Dead Sea every day and is evaporated by sun heat, leaving the water charged with potash and salt with other chemicals. But if we want a sample of what atomic fire and earthquake can do, then the Jordan Valley speaks of what Jerusalem is to get, and the cities of the NATIONS, for the same reason that Sodom & Co. had no righteous people, or time for the things of God; they were all so busy with profit, pleasure and increase of.

It happened in 1898 B.C. + 1946 = 3844. 3844 years and now the hungry world is paying a big price per ton for the ashes of the destruction of Sodom. The 7 years about to begin with its Rev. 9:12 to end war will be atomic power, killing 1/3 part of 200 million, which could never be done with all the past form and methods of war. While the 2 Witnesses 3 ½ years will close the Heavens, and put on the plagues, which are all atomic power, as the flood and Sodom's destruction was atomic power, else the Ark would not have been left on a 6000 foot mountain.

The plagues of Egypt by Moses was atomic ending in the Red Sea drying to let Moses pass over, and flooding it for the Egyptians drowning. I read Moses record of his work in Exodus and find it a perfect guide to what we will have in the coming 3 ½ years, and don't forget that the atomic power of God to destroy was also the power to save those who had ears to hear and see what Moses was saying and doing. Goshen had no plagues where the enslaved, oppressed people lived; and we are nearing the Passover and Easter celebration in the world, which may be the time we look forward to. So that which was wrath only revealed His Mercy to those who

had so long and faithfully witnessed by word and deed, and if He sent 2 men to take Lot and his 2 daughters, it shows how faithful God is to those who have ears to hear and obey even weakly, for they had to lay hold on them, and you find in Lot's wife, who, more anxious about getting her daughters married and have children, is a warning to all who have double trifling motives.

Age and weakness robs us of much joy and confidence in God's promises, which are as fresh and full now as they were then. Moses was 80 and Aaron 83 when they did God's work in wrath and mercy, and John was 93 when he wrote what we read for our comfort. So cheer up, and have no doubt about God and Jesus fulfilling His purpose and program.

My love in Him to you 3 and all others worthy,

Wm. Irvine

Wm Irvine's Letter to:McCaskill

March 23, 1946

My dear Tom:

Thanks for yours of Feb. These are the days when the world is full of everything but the fear of God in their heart. He that sitteth in the Heavens is laughing and making them laugh at one another. THEN shall He speak to them in His wrath and vex them in disappointing all their hopes and leaving them in despair.

We have no way of knowing what His wrath means but by Noah's flood and the atomic earthquake fire from Heaven. The flood was atomic because the Ark rested on the top of a 6000 foot mountain. While S. and E. were left 120 miles of Dead Sea and the whole Jordan Valley full of Potash. What's left by fire such as the world never saw, but is a sample of what Jerusalem and the cities of the Nations will be when the Judgment is finished. 100's of tons of Potash pass my door every day in hope of saving a starving soil and humanity from death. So you can have a sample of Vancouver condition of the people when the job is finished. You can see the condition of the people when they were destroyed. Eating and drinking, marrying and giving in marriage, planting and building, buying and selling and no ear for God's warning. Everyone full of their own plans and purposes. So they were left as dung for the earth, and Potash from all they had gloried in. And Lot's wife a pillar of salt after all her hypocrisy. For He salted all their rich lands as well as burning it; proof of His severity, and many triflers of all sorts amongst them who had heard but heeded not, and all sorts of them in both cases professed to Love, Worship and Serve God in all they did.

When John comes from Heaven and the Holy Angels with him to do the work as in Matt. 25:31-46, the Son of Man from heaven is to bring the decree from Heaven which reveals His King on Mt. Zion, who will do as in Ps. 2. And before the King shall be gathered of all the nations who have heard his Message these past 54 years, and he will separate the goats from the sheep as a Shepherd does his flock. Sheep on the right, goats left; according to the way they treated the Shepherd. So the least one becomes the King to give them reward. They who fed the True Prophet whom they tried to starve, wrong, and rob the True, while they fed the false. So the Least of these becomes King to reward those who have been true to the Shepherd – got and sought to supply his needs – get Come ye Blessed of My Father, inherit the Kingdom. While the Goats get Depart from me ye cursed into Everlasting fire prepared for the Devil and his angels. So the Least one whom they despised, wronged and robbed, becomes the King to give reward to those who were for him, and to tell them who they are and were, and give them the reason for it, though they knew it not. This is the bringing forth of the Manchild reward for all who have been for me and all who have been against me and my Message in Alpha days and Omega days.

The Son of Man from Heaven who comes in His Glory with angels to carry out Judgment and reward according to the way they have treated the Son of Man on the earth who becomes King to Judge those who have heard my Message from beginning to end, and also to Judge the Nations and reward Kings and Rulers as in Ps. 2. "Kiss the Son lest he be angry with you and you perish from the way. Blessed are all they who put their trust in Him." So you see Matt. 25 is for all who heard His Message and become friends or enemies, for there is only the one or the other men could be. So you see what John's coming, and now near, will mean to friends and foes for 54 years of my life work. So cheer up and be sure you will not be disappointed.

Yours truly, His Servant and yours. You have been very faithful in caring for me.

Wm. Irvine

Wm Irvine's Letter to:Pages

March 28, 1946

My dear Pages and Co:

Thanks for letters from Wellington and Auckland. You see India have a last try. The Anglo-U.S.A. committee getting their verdict prepared for the U.N.O. beginning to do business; all pointers to the nearness of the great day when the Son of Man from Heaven will come, and the Holy Angels with him to crown the anointed of Psalm 2 as King set in Jerusalem, and in Matt. 25:31-40. Then shall he sit upon the Throne of his glory, and before him shall be gathered all Nations and he shall separate them as a Shepherd divideth the sheep from the goats – right and left. Vs. 34, then shall the King say unto them – the sheep. The Shepherd becomes the King to judge and reward them according to the way they treated the Shepherd. There was only one Son of Man on the Earth all these 53 years and more.

A Sower went forth to sow. Matt. 13:37. The Sower is the Son of Man. The field is the world. The good seed are the children of the Kingdom by the Sower Son of Man, but the tares are the children of the Wicked One which the Devil sowed. The harvest is the end of the world, and the reapers are the Angels. Matt. 13:37-43 shows it's for the end of the world, with the tares in bundles to burn by atomic fire.

You notice the Son of Man from Heaven comes in his glory and the angels with him to do the work of the 2 witnesses who are to have power given them, and they shall prophecy 3 ½ years. The same atomic power Moses had in Egypt, the 2 witnesses will have. First, to protect themselves from their enemies; then the closing of the Heavens that it rain not during their speaking the words God puts in their mouths, and which the atomic power carries out, as in the plagues of Rev. 16.

Noah's flood was Atomic Power and so was the building of the Ark. Atomic power is God setting His Seal on the good angels the true prophets; in destroying the works of the Devil and his angels, fallen by pride and iniquity as the religious world (full of) has been in every age – politics expresses religion, and education is poisoned. The great Red Dragon, that old serpent the Devil and Satan, that deceiveth the whole world as in Rev. 12; but the beautiful way the sheep and goats are known; and as we see it so plain in their feeding or starving the Son of Man who has been hid from their eyes all the time he was the Least of these his brethren, to be revealed as the King who is to judge and reward sheep and goats.

Only a week ago I saw these things clear after I had 2 of the Testimony preachers here for 4 days; when they got tornado times till they were glad to get away – cowards of the first water, and when they had gone I got to see the King of Matt. 25 is not Jesus, but the King of the Kingdom, and his first work is to reward the sheep. Come ye blessed of my Father, or those who have got Life and show it by their treatment of the Shepherd, though hid as the Least till the Decree comes by John from Heaven – this is my Son.

Yet have I set my King on my Holy Hill of Zion. Ask of me and I will give thee the heathen for thine inheritance, and the uttermost ends of the earth for thy possession – by the 144,000 apostles with the New Everlasting Gospel of Rev. 14, by which 100 million will be saved, while the wicked shall be cleared off the earth by atomic power; ending in the earthquake and fire which burns Jerusalem and the Cities of the nations as completely as Sodom and Gomorrah were turned into atomic fire and potash and salted down, and which now is being sent to England in 100's of tons to fertilize their over-worked soil and the starving people on the earth, to be followed by hail to finish what has been left of those who have no fear of God.

Elements number 93, but atoms mean what can be produced by combining 2 or more of the elements. Man has never seen an atom, but they know they are in electrical control in the whole universe – positive and negative. The atomic bomb energy is got by splitting the atom, which shows the power in the combine and demonstrates the unthinkable power God has over the atoms of the universe, either for life or death. In Job 38, 89, 40 and 41 the Lord shows the power of the Almighty over all His creation; and control by the atoms, and you see what Job says in Job 42. This is what the Lord did by Moses in Egypt, and in the way He led and provided for the Israelites for 40 years in the desert. I notice you have been having aurora and electrical storms, and spots on the sun.

Psalms 1 shows you the blessed Man becoming the Tree planted by the river of Water. Rev. 22 shows the Tree producing 12 manner of fruit per month. The 12 Star Crowned Head of the Woman Body – the sheep of His pasture. My letters are the fruit – the leaves of the Tree for the healing of the Nations who escape wrath. The wicked are not so, but like chaff blown about by the wind. they shall not stand in the Judgment, but hear the King say, "Depart from me ye cursed into everlasting fire prepared for the Devil and his angels, or servants." The sheep did not know they were proving who and what they were by the care they had for the Shepherd in his leastness.

Psalms 2 is the most perfect picture of where the world is today. Heathen raging, the people – or the Western Christian Nations – imagining or meditating a vain thing. The kings and rulers against the Lord and His Anointed, thinking they can now – as U.N.O. – do as they please. They are like children, the religious, political and educational world filling the air with soap bubbles. Everybody showing off and sure of a better world and a better time, while He that sits in the Heavens – the same old working carpenter of Nazareth – laughs at them and makes them laugh at one another, which is a perfect outline of the whole outfit; proving we are near His speaking in His wrath and vexing them in His sore displeasure by atomic power through the 2 witnesses work, which will make them the center of activities in men's and nation's eyes, only to find out who they are, and why, and it's consequences.

The birth of Jesus, His rising and ascending, John's coming, the 2 witnesses work, rising from the dead and ascending with the earthquake, 7000 men dead, reveals the Almighty power to save or destroy. The coming of the Kingdom and the Power of His Christ to heal, help and protect and provide for them. How could the Manchild rule the Nations and break them in pieces and be caught up to the Throne of God, but by the atomic power which is God for those who are His, and death to all who are leftists or enemies, as surely as the Flood and the destruction of Sodom, etc. These are very wonderful things for those who hear and obey, and for those who don't hear and obey.

My love to all,

Wm. Irvine

Wm. Irvine's Letter To: Laughlins, Scotland

March 31, 1946

P.O. Box 696,

Jerusalem, Palestine

My dear John, Vina and Jessie:

Thanks for yours today, and glad to see the enclosed letter from Meachen, and to hear that the worlds ear is opening for the message that can give them any hope. 53 years ago a Sower went forth to sow & Jesus said the Sower was the Son of Man and only (one). Alpha was the work of the Devil in Sowing Tares & the tares and the (word obscure) were wheat, the children of the Kingdom by my personal work. They were to grow till the harvest – the end of the world. Psalm 1 (word obscure) you the Sower becoming the tree planted by the rivers of water and the Tree of Life as in Rev. 22: where you see John from Heaven with the Son of Man on the earth meeting the Son of Man from Heaven which brings the decree of Psalms. 2: Thou art my son, this day have I begotten thee, ask of me and I will give (thee) the King whom He has set over Zion City Jerusalem, & the King of His Kingdom to be spread over the whole earth by the 144,000 apostles, 100 million will hear and live, while the whole R.P. & E. world will perish by the work of the 2 witnesses & world war during their prophecy. I will give power unto my two witnesses & what they say will mean life or death by the various forms of atomic power. They close the Heavens – and what happened in Noah's flood will happen again to the religious world with the 7 plagues of Rev. 16: ending in the atomic earthquake & fire which destroys Jerusalem & burns it in one hour, & the cities of the nations – finishing all who have not the fear of God in their hearts, by hail very big. John in Rev. 10: comes from Heaven in a cloud, this is atomic, lifts his hand to heaven and proclaiming Time shall be no longer for the Devil – the great Red Dragon of Jerusalem who deceiveth the whole world, Rev. 12: when the Woman brings forth the Manchild who is to rule the nations & break them as with an iron rod of his mouth to be caught up to God & His Throne. The flood & destruction of Sodom & Gomorrah are the 2 samples of atomic power of God in destroying from off the earth of all R. P. & E. people then, as warning of what comes during the 7 years as John coming as the Son of Man from Heaven with the decree which makes the Son of Man on the earth His King set on Mt. Zion.

Matt. 25: 31-46 becomes very easy to read, when the Son of Man from Heaven comes in all His Glory & all the holy angels with Him with atomic power to save & reward the sheep, and the goats to be destroyed according to how they acted towards the Son of Man shepherd when he was the least of these His brethren. The Least of these becomes King before whom they stand to be separated into those who got life through my Message, & those who did not but were accursed. Come, ye blessed of my Father, inherit the Kingdom prepared for you from the foundation of the world. Depart from me ye accursed into everlasting fire prepared for the devil (the deceiver of the nations & all who helped in doing it). How simple it all is now when we see the Son of Man hid from their eyes. The Sheep without knowing it – caring for the shepherd of the sheep and goats, while the goats were trying to starve the true shepherd & feeding the false. How simple and clear today as we look back over 53 years work, & what joy it will be to the sheep to be assured of the Kingdom.

No wonder it always ends in weeping, wailing & gnashing of teeth, & to be honored of God as the King of the Kingdom to speak the assuring words to the sheep, & the terrible assuring words of death to the goats of my 53 years work as the least of those Whom he calls brethren. I did not see this clearly till a week ago when I had 2 Testy preachers here for 4 days to get a terrible earful till they were glad to get away. As soon as they had gone **the Lord showed me who will be King** as in Matt. 25: speaking to those who have suffered with me, & the terrible sentence to those who have been the Devil's tares – who were the hinderers and harming and would have been glad to see me starve. But how simply God working it all out so that a child could understand.

Psalm 139 shows His care of me from the womb, & taking me from the least part of the earth (underground) when I knew not Him. He saw in me what sort of man He wanted. Psalm. 71: shows what to be now, & it's very joyous. Psalm. 71:17-21 are very wonderful and John's coming seems near at hand by all that's going on in the world and is like children blowing soap bubbles only to burst rather than be what they all feel their need. He that sitteth in the Heavens laughing at their efforts to take mastery in the world which He is planning to destroy & end their Devil delusions of the whole R.P. & E. people.

I remember as a boy of 10 learning to repeat Psalm. 18 and get 3rd then the 2nd Psalm, little dreaming what they meant for the beginning of my life work, & the end now in sight, & the Eastern people rage, & the Western nations unite for to keep peace by their union force, & the Anglo-American committee in Switzerland bringing things to a head by their decision, while He laughs and makes them laugh at one another. Then shall He speak from heaven by John, & setting His Wing on Mt. Zion which they are going to fight for when atomic power will be given to the 2 witnesses – closing the heavens & putting on & off the atomic plagues which no man can escape if the fear of God is not in his heart & glory to God in His mouth by witness through hearing and obeying what God has made so clear, plain & simple by eating of the 12 manner of fruit of the Tree of Life possible by giving them what the 12 star crowned head of the Woman – every (word obscure) during the past 26 years and 3 months.

What variety of truth has been in my letters all those years and the leaves or witness is for the healing of the nations who will escape death by atomic power both in the coming war & in the 31 years of witness (2). David, King of Israel was the least in his father's family till he killed big Goliath, type of the great leader of the world today.

I had a letter from Irvine Nobel today along with your letter. He is in now in Jerusalem, and some Kilsyth boys also in the Highland Brigade, so I will be seeing some day soon. Hope you manage to get what I have written clear and pass it on to others.

My love to all,

Wm. Irvine

Wm. Irvine's Letter To: Charlotte & Mother & Carolyn Mather.

April 3, 1946

P.O. Box 696,

Jerusalem, Palestine

My dear Charlotte, Mother and Carolyn:

Thanks for your letters today, and M.O. I got boots all right, have had them on twice. Today paper reported tidal wave on Pacific Coast effecting about 6,000 miles, but it seems to have done damage only to Islands. Quake on 13th February, Oregon, Washington & B.C. Then on 15th March in Owens Valley and waterworks. These things seem but the warnings of the greater things to come.

Your letter stirred my memory to the conflict in your life since you had ears to hear – and the contrast today with what was at the beginning to face. So you have much to be thankful for. **Only a week ago He opened up Matt. 25: Sheep and Goats.**

There has been only ONE Son of Man for the past 53 years, a sower went forth to sow. Jesus says in Matt. 13: the sower was the Son of Man, his seed are the children of the Kingdom. All else was but tares which the Devil sowed, and they became the goats who fed the tare preachers, but would and did try to starve me. In their eyes I was the least of these my brethren (the sheep) who found life in my Message, both in Alpha days and the Omega days of being the reader.

Psalm 1: shows the Son of Man developing, finding the whole R.P. & E. world ungodly, or only tares, or as in Matthew 23: hypocrisy. But my delight has always been in the Law of the Lord as expressed in Jesus. Day and night all these years my meditation was in finding what was of God. And so I was like a tree planted by the Rivers, and you see in Rev. 22: the tree of life in the River flowing from the Throne of God and the Lamb. My letters have been the fruit, 12 sorts monthly, and my witness the leaves for the healing of the Nations, the New Gospel of Rev. 12.

Psalm 2: shows the heathen raging as today, while the so-called Christian world is planning for peace by the U.N.O. League. The Kings and Rulers have set themselves against the Lord and His Anointed, thinking they can rule the world. The Lord is laughing at them, making them like blowers of soap bubbles, to be as we see going on today. THEN shall He speak to them in His WRATH and vex them in His sore displeasure. This is John coming to hold up his hands, and say time shall be no longer. Yet have I set my King on my Holy Hill of Zion. This is the decree – The Lord hath said to me, Thou art my Son, this day have I begotten thee, **The least becomes King.** This is the result of John's coming and the Woman bringing forth a Manchild, Rev. 12.

My 3rd Birthday near at hand. Who is the Woman of Rev. 12? Those who have succored me till John comes. So it becomes very simple for all the years for I never had any claim on any one all these years, and the sheep only had the feeling of supplying my needs. While the goats thought only of the tare hypocrites who were my immitators, using my words, but no life or Spirit in them, and who naturally were my enemies.

Matt. 25:31 When the Son of Man in all His Glory and the Holy Angels with him, then shall the King sit in all His Glory, and **before the least as King, and the Nations separated right and left.** Sheep who cared for me as the Least of them all, and to be judge and rewarder.

Then shall the King say, Come ye Blessed of my Father, through my service as the Sower and Son of Man, Inherit as your right prepared for you from the foundation of the world, and you care for the Servant, Son of Man as the least hid from their eyes till John comes to reveal who is servant, to be Judge and rewarder both of Sheep and Goats. Then shall the King say unto them on his left, depart from me ye cursed, into everlasting fire prepared for the Devil and they serve, in deceiving the people by their tare hypocrisy. You see how easy it is to tell who are Sheep and Goats by their treatment of the Son of Man in his humiliation.

I don't want to flatter you, but I can never forget the care I have had all these many years and it's for your comfort and hope I write these things, and for all who have tried to be comfort and help as the others were only using my name as a cover.

My love and best wishes for all who bear the Sheep marks, and surely I can remember all such these 53 years.

Wm. Irvine

Wm. Irvine's Letter To: Carrs

April 7, 1946

Jerusalem, Palestine

My dear Carrs:

Thanks for yours today – in right spirit. Head and stomach trouble are the general cause for heart trouble. So to have your mind at ease & assured of what is of God & what is not, will comfort and strengthen you in the greatest days of trouble on the earth & the ending of all that has been the Devils delusion which has deceived the whole world as in Rev. 12: The Woman body are those who have hung onto the Son of Man with the 12 Star Crowned head & walking in the light which God gives by His Servant & the moon or reflecting light the world is full of with the headquarters in the 7 great religious heads of Jerusalem backed by the 10 political powers. There have I set my King upon my holy hill of Zion. Psalm 1: shows you the making of the man planted by the rivers of waters who finally has the tree of Life in Rev. 22: with 12 manner of fruit. My letters have been giving fruit these 26 years from Jerusalem & my leaves or the witness is for the healing of the nations, deceived by the great dragon that old serpent the Devil & Satan that deceiveth the whole world.

Psalm 2: shows you the heathen raging & the Western nations planning & working to get control by the U.N.O. as have the Italians, Germans, & Jap peoples who all fight against the Lord & His Anointed. He that sitteth in the Heavens shall laugh & is holding them all like some bubbles bursting. Yet have I set my King etc. I will declare the decree, Thou art my Son, this day thou art my Son – begotten by John's coming. This is the same as the Woman bringing forth a Manchild & what you see in Rev. 10: and 22: when the 2 witnesses meet & the Least of these His Brethren becomes the King to reward those who are sheep. A sower went forth to sow 53 years ago. "Says Jesus" the Son or the Son of Man & his seed the children of the Kingdom, Matt. 13. Then Matt. 25: shows John,

the Son of Man from Heaven, coming in all his glory & the angels to carry out the work of Judgment. This is Jesus speaking in His wrath & **the crowning of the Least of these His brethren as King for the judging & rewarding of the sheep & the goats** who always chose to care for those whom they thought were servants or shepherds, & you see the nations will hear & see & so find their place right or left, with & for though they did know who & why. **Then shall least, now King** say unto the sheep; Come ye blessed of my Father through the message of the Son of Man as the Least now King, Inherit the Kingdom prepared for you from the foundation of the world, for you cared for me as the least of you.

All I've been & done in 53 years & more was done without promise or hope of reward while there was always some goats who preferred those who set themselves up, & this was clearly revealed in **W.E.** & thousands of others these 53 years. What joy it brings to me & the sheep & how terrible. Depart ye cursed who only cared for those who wanted to get the honour & place at the expense of the Least of these their Brethren, Depart into Everlasting fire what comes by the 2 witnesses, one from Heaven & one on the earth by the power atomic which He gives them & the words by their mouth & the angels with Plagues closing the Heavens that it rain not, & the great earthquake & fire that does for Jerusalem & the cities of the nations. When both are finished it will do for the world what Noah's flood did & the atomic quake & fire did to the very prosperous Sodom & Gomorrah whose potash is now sent to England as fertilizer taken from the Dead sea. So John's coming will begin the work & is not far off now. 40 years ago on 20th April I was in the quake & fire & now you see the Pacific well warned by atomic power as sign.

My love to all who are sheep.

Wm. Irvine

Wm. Irvine's Letter To: Nobles, England

April 10, 1946

P.O. Box 696,

Jerusalem, Palestine

My dear Nobles & Co.:

Thanks for yours (2) and P.O.O. Your letters are good and I want to give some proof of where you are, and what's promised. Today the old League of Nations is handing over to the U.N.O. what's written for the Leopard in – To have 4 heads and dominion given. Revelation 13 shows you the Leopard after it has won the coming East and West war; so we are getting ahead.

Psalms 1: shows you the Son of Man finding out where the R.P. & E. were, who becomes a Tree planted by the Rivers, and Revelation 22: shows the Tree in the midst of the River, whose fruit, 12 sorts per month which is what the head with the 12 Star Crowned, has been giving as the meat in due season. There was only one Noah, so there's only one Son of Man, hidden from the eyes of all who failed to get life, by the Sower, and so have ears to hear what the Spirit saith to the churches; let him that hath ears to hear what the Spirit saith to the churches; let him that hath ears to hear what the Spirit saith unto the churches.

Matthew 13: A sower went forth to sow. Jesus said and says the sower is the Son of Man and his seed the children of the Kingdom. All others were but the tares which the Devil sowed. The harvest is the end of the world. When John comes as the Son of Man from Heaven with the good angels with him as in Matthew 25: then the King shall sit on the Throne of his Glory, and the Nations of the world will stand before him. **The least of these who are his sheep has become the King** who separates between left, who have been against the least one, and those who have been for him. Then shall the King say unto the sheep, Come ye Blessed of my Father, inherit the Kingdom prepared for you from the foundation of the World. When the Woman brings forth the Manchild, then they say "Now is come Salvation, and Strength, the Kingdom of God, and the power of His Christ." Revelation 12: But the King who was the Least of those his Brethren, becomes the King as in Psalm 2: by the decree from Heaven by John. This is my Son, my 3rd Birthday.

Psalms 2: shows the heathen raging, and the Kings and Rulers all of them set themselves against the Lord and His Anointed. Yet have I set my King on my holy hill of Zion, even when he was the Least of these my Brethren. What joy it gives when you see the glorious ending, assurance and confidence. Blessed are all they who put their trust in him, when he was least of his Brethren; Kiss the Son ye Kings and Rulers of the earth, lest he be angry with you when he becomes King.

Ask of me (Jesus) and I will give you the heathen for my inheritance etc., refers to the work by the 144,000 who are scattered to where gathered, when the 2 witnesses are killed. You see the Lord laughing at all their attempts today to avoid Judgment; the same in Noah's flood, by closing the heavens, and putting on the Atomic power. He will give power Atomic to the 2.

Proof being the fire that comes from their mouths on their enemies who would hurt them, and the putting off and on of the Plagues. There were Sheep from the beginning to end, but always crowds of goats who fed the tares with what I produced by Gospel, were but tares to be burned; in bundles to burn is what satisfaction to hear the King say unto the Goats, Depart from, ye cursed, or given over of God into Everlasting fire prepared for the Devil and his angels, for ye tried to starve the son of man, Shepherd while the sheep fed and cared for him, tho they knew it not; while the goats fed the big Tares, and knew not what they were doing, showing how wise and simple God is in the Son of Man being hid from their eyes till he is crowned King to Judge sheep and goats & rule the Nations with a Rod of Iron, and break them in pieces as a potters vessel, and be caught up to God and His Throne with John when he has finished his 2 witness work. There will be weeping, wailing and gnashing of teeth.

My love,

Wm. Irvine

Irvine is now in Jerusalem. I expect to see him any day now. W.I.

Wm. Irvine's Letter To: McDougalls

April 17, 1946

Jerusalem, Palestine

My dear McDougalls & Co:

Thanks for yours today. Glad to know you are home safe, & back to the position & condition, tho still suffering from the shock of being in the war & now out of it. For we are all pretty much a bundle of habits which when disturbed means more or less suffering, & when the Lord is turning the world upside down, "Isaiah 24" is very good guide. While He sits on His Throne (Just as He was when a carpenter for 20 years in Nazareth with no reputation, He is just the same today, yesterday & forever) & we often forget this in our reading, hearing & speaking of Him while the whole world is poisoned with every sort of non-sensical notion that men & Devils can & have invented to get power over humanity to deceive for their advantage. And when John comes with the decree that makes the Son of Man on the Earth His King on Mt. Zion which will and all the many Kings & Rulers who have been trying to take control in the world & encourage people to think, speak & act just as suits themselves. But that's coming to an end.

God raised Jesus from the Tomb by His atomic Power, after men had crucified Him between 2 Thieves as a Bastard pretending to be the Son of God in spite of the many signs & wonders He had done before their eyes which only made them the more His enemies. Johns coming as in Rev. 10 is Atomic, the power He gives to the two witnesses is atomic, proof is fire coming out of the mouths of the 2 witnesses to destroy their enemies. The closing of the Heavens & the seven Plagues are atomic. You see what the Kings & Rulers can do & be & will again in the coming conflict. But He that sitteth in the Heavens is laughing at all the soap bubble big talk the world is full of still. Then shall He speak in His wrath which is atomic. God showing that He is Master & controller of every atom in the universe. And He will give it to those who obey & do His will & speak His words as He did by Moses in Egypt so He will do in the world. Moses fed the people he had delivered by giving them manna & water in the wilderness for 40 years. Showing that even when drought comes He will provide for His own. The Woman who brings forth a Manchild is to go into the Wilderness where God has provided a place for her as in Rev. 12. Noah's flood was atomic, the fire & earthquake which destroyed Sodom was Atomic. Samples by which we can read what's written in Rev. 16. You can see the value of Rev. when the time is at hand when it's being fulfilled & the value of a Reader for those who will hear & obey, which means faith not waiting till it's fulfilled but believing what God & Jesus say from the Throne. To add to it or take from it is unbelief. Blessed is he that readeth & they are also Blessed who hear & obey. The whole world will believe when Rev. is fulfilled, but too late to escape the penalty as in Noah & Lot's day. We think it a small matter to believe so that we obey & say as God says to all men we meet. You see the Shepherd of the sheep & the goats becomes King when John comes in his Glory with the good Angels who have the Vials of wrath & the Least one now King separates the sheep & goats & the test is very simple. The sheep care for the Shepherd because he cares for them. Tho they are not aware of what they are doing. The goats feed the false shepherds who rob the true. The King says come ye blessed of my Father, inherit the Kingdom prepared for you from the foundation of the World. Depart ye cursed into Everlasting Fire for ye were my enemies & also enemies to the sheep. The sheep care for him who has given meat in due season etc. The goats care for whoever suits their fancy.

My love & best wishes for all and you will always find it refreshing to hear and obey.

Wm. Irvine

Wm. Irvine's Letter To: Laughlins

April 24, 1946

Jerusalem, Palestine

My dear John and Vina:

Thanks for yours & I am writing on back of this letter from New Zealand, which came by same mail, because it's so like your own Spirit and Method. I will send yours to him.

Revelations 12: shows the Woman is clothed with the Sun of the Light God gives by the Reader of Revelation to those who have ears to hear what the Spirit saith by Revelation, read by the Head with the 12 Star Crown.

To mix up Alpha truth which was the finish of the Spirit striving with men in the Gospel which ended in 1914 when the Lord came, broke up the house, and chose the Son of Man to give meat in due season, or reading of Revelation, to those who hear and obey it. So they put on as God makes Judgment truth clear to them. The moon under her feet, means that all attempts to mix Alpha and Omega only ends in Moonshine, or an attempt by those who were Alpha workers who got married and began to live out their human life and so forfeit any possible service.

The two witnesses whom the dragon who deceived the whole world, stand to accuse before God day and night, overcame by the blood of the Lamb, not their righteousness, the word of their testimony and love not their human life, but went on the same apostolic way to death. You can see the danger of those who have ceased service, trying to use their old Alpha thoughts and ways in speaking to others when they make belief the Spirit is speaking by them when its only imitation to deceive in their innocence and ignorance which produces moonshine. Noah did not mix Gospel and Judgment. He believed what God said, feared the flood and began to prepare for that only.

I suppose the Sons of God would go on with their Holy, righteous, filthy, and unjust toward Noah, believing all wrong and the Spirit had not ceased to strive with men then as people do today. The Gospel, Salvation, Strength, the Kingdom of God and the Power of His Christ is not to come till the Manchild is brought forth. You see in Rev. 1: how Jesus fell at his feet as dead, when he saw Jesus equipped for Judgment which began in those who professed, the 7 churches. Only those who had ears to hear and the others left with their own thoughts and ways, but deaf to God and the Reader. Rev. 4: shows Heaven opened and the Books opened to reveal Judgment in its many forms. 30 years of beginning of Sorrows and the revealing of iniquity in those who had profession and no ears. When the 7th seal was opened, the 7 angels prepared to sound the various epochs – the present is for the end of the first woe. Those who have no ears for what the Spirit saith, will show unjust marks and pour out the filth of their own unregenerate hearts, on those who have ears to hear and put on the witness they have heard by the Reader, as they would do to Noah as he went on building his Ark in the fear of God and the flood to come, claiming they were safe, by the righteous & Holy marks they had, but revealing what was in their hearts by their filthy and unjust marks to Noah, as you can see in Rev. 22. The message of judgment is for all you can give it to, friends & foe. The reaping time for both will come later on for both, when you bear the marks which is a great comfort to my heart and mind rather than the confusing attempts to mix Alpha and Omega to (word obscure) their own needs rather than the needs of the world, under wrath now coming on.

30 years ago on 20 April, 1906, I was in San Francisco when earthquake and fire destroyed the city – 10 square miles of it in 2 days. God's mercy was shown in it happening at 5:10 A.M. when few were on the streets. When I got to Los Angeles, the Holy and righteous people were mad with excitement, all saying the Spirit had shown them God was going to destroy Frisco because they were sinners. This was the beginning of the Pentecostal movement when people could say anything in name of the Spirit. I tried for 2 weeks to show them Jesus and Apostles were the guides to what the Spirit would say or do. It was like a man crying in the wilderness and so we had it all over the world, showing the Spirit could not strive with men for they had become flesh, and could say and do anything in the name of the Spirit. Aimee McPherson becoming the Jezebel or Queen of the movement.

On the 4th March, 12 years ago, President Roosevelt came into power in U.S.A., when U.S.A. had a very bad time in many ways, and has proved to be one of the greatest rulers U.S.A. has had. On March 6th, Hitler came into power in Germany, but on the 5th Los Angeles area and Pacific towns on the coast had a very serious earthquake – God's mercy being shown in that it took place at 6 P.M. If it had happened at 3 P.M. thousands of school children would have suffered as badly for the schools suffered more damage than any other buildings. I need not contrast the two men in their 12 years work, U.S.A., Roosevelt is idolized by the world and nation he led to what and where it is today. Contrast U.S.A. with Germany and choose. And now tomorrow Frisco opens 47 Free Nations Conference, to see what can be done to restore a sore or smitten war torn world, but I can't ever forget these two earthquakes. One I was in, and the other, many of my friends tasted of the quake and the thousands of shakes that have happened these 12 years, so today we have San Francisco before the world in a new way, so many nations of Babel, when Nationalism began. So its good to put on the Sun of the Woman by whom the Manchild is to be brought forth and the Moonshine under foot produced by those whose interpretation is but trying to make room for what they regard as service, but which is rejected by the very position and condition they find themselves.

Easter Feast remind us of the fact that it was unjust, filthy mouths and hearts that put Him on the cross and in the Tomb to reveal what Holy and Righteous professors can do, and which you can see He remembers in – "Let the unjust be unjust still, the filthy be filthy still" – As they were in Noah's day, and Jesus' day, and will be today in name of being and under the cover of righteous and Holy profession.

It's easy for people to deceive themselves by quoting Psalms of David to accuse and condemn others or use what Jesus or the Apostle said. People forget that what they said and wrote was by the Anointing which they had, and those who use their words must have the same anointing, else they may be unjust and filthy in their words and ways even while professing to be serving. It was by their righteous and holy misreading of the scripture that Jesus was put between two thieves.

We seem to near the great day when John will come and the Judgment of all men will begin as per Rev. 22. I hope you will be able to make out the details of this letter and see that there have been mis-reading by some who were workers in Alpha days, and who failed to see that their very position and condition, makes it harder to grasp the truth of judgment, than for others.

I am glad to hear of all your activities and you can see from New Zealand letter how keen Owen is in bearing clear witness to what God has so fully given to all who will hear and obey the Reader, and the moon under foot leaves little room for those who had greater privileges in Alpha days, but have gone back to saving their human lives and sacrificed what John held onto till death.

My love to all,

Wm. Irvine

Wm. Irvine's Letter To: Ben Patton

April 25, 1946

P.O. Box 696,

Jerusalem, Palestine.

My dear Ben Patton:

Thanks for your letter and your generosity. When I was 8 – 9 I got 3 pence for learning off Psalm 1: and 2. To me these little things are wonderful when I found Psalm prophecy for the work I have been doing for past 53 years as the Son of Man. As Noah was the

only Noah, so the Son of Man is God and Jesus' Anointed Witness. To have known this fact long ago, would have been fatal to much of what I've been and suffered. Now it's like a Tonic to be able to see it in so many parts of the Book.

Psalm 1: Tree planted by Rivers of Water, with Rev. 22: The Tree of Life in the midst of the street and the waters flowing clear as crystal – flowing from the Throne of God and the Lamb. It was a big job to find out the world was under ungodly counsel as we see in Rev. 12. The Great Red Dragon, that old Serpent the Devil and Satan that deceiveth the whole world. Psalm 2: shows the Heathen and Nations of the world setting themselves against the Lord and His Anointed saying let –

We can see what has been – but what's coming is the bigger end of the conflict. The E. and W. nations fighting for who is to rule Jer. and the holy land and atomic bomb power used to destroy such a mass of people, to be followed by the 3rd Woe Casualties to Jer. and the cities of the nations by quake and hail. Jer. mostly hard rock stone is to get special fire. For strong is the Lord God that Judgeth thee.

You can see the period after the defeat of Germany and Japan is the period He is laughing at all the soap bubble hot air men of all sorts who are trying to quite the people by all sorts of promises. More money and less work is the rule. Then shall He speak to them in His Wrath by the 2 witnesses, to whom He gives Atomic power to back up their prophecy. The splitting of the atom is very different from the atomic power given to the 2 witnesses. To close the Heavens and the 7 plagues are atomic, the Sackcloth suits, the fire out of their mouths, being killed by the means they had used. The Birth and Resurrection and Ascension of Jesus was atomic – that men could neither help or hinder. The Woman bringing forth the Manchild when the Dragon stands ready to devour. Moses' record is a good guide to what's coming – even in the wilderness they were fed and drink by – *

In Psalms 2: after laughing at them and each other. Then shall He speak in His wrath. This is John coming atomically with the message to the world. Time shall be no longer. Yet have I set My King on My Holy Hill of Zion (hid for 53 years). Now being revealed by the decree which was known only to the Man who is His King and who becomes the Judge of the sheep and goats in Matt. 25. The sheep fed the King when he was the Least of these his brethren. Tho they knew it not, meaning the sheep did not know the Least one was the King. The goats fed all who were able to make them believe they were servants of Jesus by imitation of the True Son of Man in word and deed. Come, Ye Blessed of my Father, inherit as your right, the Kingdom. Now there is a King as in Rev. 12: The Goats get a terrible surprise – Depart from me ye cursed. The treatment of the Son of Man when he is least is the only evidence for the Sheep and against the goats who were very liberal to any sort of humbug and hypocrite. For the atomic fire. – All we have experienced in the past can only help us to miss all it means to us in coming days, while we have robbed by man and devils of any possibility. So it's like a resurrection: In Adam all die, so in Christ shall all be made alive.

We have had 2 weeks strike in Posts and Telegraph. One week of rail strike and one week of 2nd class Civil servants, now settled. They had good weather and no disturbances, and over 2 million pounds added to their wages. More money and less work is Man's cry. God's voice is less food and money no value. You can't get money or property.

Wm. Irvine

Wm. Irvine's Letter to: Loitz

April 28, 1946

P.O. Box 696,
Jerusalem, Palestine
My dear Loitz's:

Thanks for yours and enclosures. The past year had revealed those who develop Goat marks, so it may be good to see where it ends as well as where it begins; and one way for each of them would be to read Matt. 25: every day, and sign their name for what they want when John comes, and the least one becomes the King on Mt. Zion, who is to separate sheep and goats. Their words and actions reveal where they are driving for in name of liberty. Lew's letters are very plain. Why does he want to change country, buy a house in a city, when they are to become potash with Jerusalem and the cities of the nations, and want to make himself a burden to others who may be sheep. Goats did not know the position they placed themselves in, and won't till too late, any more than sheep did not know why they clung to the Shepherd. They were both innocent and ignorant of the why, but when they hear the answer from the least one who becomes the King they will both know the result in wonderful words.

The goats and sheep of Matt. 25: were result of my work as the one Son of Man during past 54 years or so, and we have seen many who pretend to be shepherds, but no sheep in their flock – only goats; and W.E.'s work has been well revealed in his own family, homes, cars and control without any anointing, not to speak of wives etc. The world is full of all such marks but where it becomes a matter of choosing whom we will serve and follow in name of serving God and Jesus, you find the end is terrible today as it was in Lot's time. He that sitteth in the Heavens is laughing at all the many attempts to follow the many and various soap bubble blowers whose hot air schemes and plans for future. Money is not plentiful, but as opportunity to reveal where men's hearts and minds are centered on what is sure to end in 7 years from John's coming; and our faith is tested not by what is passed, but in hearing what's God's purpose for the world is. Plans for rebuilding the cities destroyed are being made for 5 years, 10, 20, 30, 40, when Rev. shows they will all be potash. People can't eat money or property and famine stares the whole world in the face. But sheep, though tempted, will be content to say Amen to all God has so clearly revealed as His purpose for the whole world.

The King will say "Come ye blessed of my Father, inherit the Kingdom prepared from the foundation of the world, for ye were loyal and faithful to the man who was sent by Jesus to guide you to Eternal Life". While the King Shepherd says, "Depart from me ye

cursed into everlasting fire prepared for the Devil and his angels". So people can only choose one or the other way. As in Noah's day so shall it be in the days of the Son of Man who has suffered many things and been rejected of this generation.

Things seen and temporal ends in potash as in Sodom which was so valuable to Mrs. Lot's eyes. Things unseen and seen by faith are everlasting. Sheep can't do without the shepherd; goats get on best in choosing what suits them now. So beware of those who are triflers with the eternal truth of God for these days, and forever. I don't like to give too much advice. The choice must be for those who have heard, and the consequences forever. So read Matt. 25: every day and to every person you can, and let them do the choosing.

My love to all who are sheep,

Wm. Irvine

P.S. There is no hope for triflers. W.I.

Wm. Irvine's Letter To: Ida Newby

April 11, 1946

P.O. Box 696

Jerusalem, Palestine

My dear Ida Newby:

Thanks for yours and M.O. Glad to hear where you are and how, and you look at it in a practical way. I remember the early letters from you, and your deliverance from the honey man, and feel it only right to show you the possible results and your choice to be where and as you are.

My Grandfather was born in 1803, my father in 1833, I, in 1863, and born again in 1893 on 8th of January. Psalm 139 is a record of my life – till the Lord found me in the lowest part of the earth. I began to work when just over 8 yrs., grocery boy; then at biscuit factory. At 10 I went underground, and at 20 I had reached the top as boss at a colliery by very hard, going in danger, dirty and death to face. So I had to get some education at nights after long hard days, 12 miles from home. At 30, I had a big hard job with the best of prospects. When I saw the only hope for any person was to have the Lord as my Master, Jesus as my Pattern, and Christ as my life, I said would serve Him at any cost.

Psalm 1 shows how I began to find out the world R. P. & E. was ungodly, which was a big battle, but got there. Matt. 13, a sower went forth to sow. Jesus said the sower was the Son of Man and the children of the Son of Man were the children of the Kingdom. For 22 years, night and day, after every opportunity I could get to give people of all sorts my witness and preach Jesus as the Way, Truth and Life by which alone we could have any hope, and finding out that all sorts of professors were my enemies. The Devil sowed Tares and I found all sorts of confessors gathered around me whom I found were like the R.P.& E. everywhere; plenty professors, but all outside show.

In 1914, the war came and I found all that finished for me. Then Revelation began to open and I found: Blessed is he that readeth and they who hear and keep the words of the prophecy, for the time is at hand (Rev 1:3), and I found only few had ears for my reading of Revelation.

Now read Psalm 71 and see where I am now after 26-1/2 years in Jerusalem. Though in all my 53 years 3 months I never had any conceit, but to serve God and man freely and fully to my best, no matter what they thought or said; and now we come to Psalms 2, (Vs. 1) the heathen raging and (Vs. 2) Kings and Rulers of the earth set against the Lord and His anointed. And now we see the Lord laughing (Vs. 4) at all their big claims with the world full of soap bubbles and promised to be laughed at; yet have I set my King upon My Holy Hill of Zion (Vs. 6), as He speaks to them in His wrath, by John coming with the Decree from heaven: Thou art My Son, this day have I begotten thee. Ask of Me and I shall give thee the heathen for thine inheritance (Vss. 7-8) by the 144,000 with the New Everlasting Gospel as in Rev. 14, while as His King to rule the nations with a rod of iron and break in pieces as a potter's clay vessel (Vs 9), warns the Kings and Rulers to beware (Vs 10); and finishes up by Blessed are all they that put their trust in Him. (Ps. 1:12)

The tree in Psalms 1 becomes the Tree of Life in Rev. 22, and 12 manner of fruit has been my letters these 26-1/2 yrs. And my witness of the Leaves of the Tree as the only healing for the Nations under His wrath. One Noah for 120 years—now one Son of Man, the Least new King. But the sweetest part is in Matt. 25 where you see in Verse 31, John comes from Heaven in all his glory and all the holy angels with him, and the Least of All My Brethren becomes the King to judge sheep and goats who have heard the Son of Man on the earth these 53 plus 3 months, and the King separates sheep and goats. The sheep are those who have succored and helped me. Come ye blessed of my Father, inherit your right, the Kingdom prepared for you from the foundation of the world (Vs. 34). They are the Woman that brings forth the man child, Rev. 12. The goats are those who have fed the Tares who preferred them to the one Son of Man of all these 53 years, and now King says to them, Depart from me, ye cursed (Vs. 41), and sends them to atomic fire, while eternal life is for the sheep. It's all very easy and simple now.

It's been a long, lonely, hard path, but end is Blessed and nearer every day. So there is much to cheer and give assurance to all who have been my loyal, loving friends.

Wm Irvine

Wm Irvine's Letter to:Skerritt**April 22, 1946**

My dear Bob:

Thanks for the Book on Atomic Power by the bursting of the atom; the power by which 1/3 part of 200 million is to be killed, for no old armaments could do this in 3 ½ years of West and East conflict. They have only discovered the power God has over the atom, electrically, in the whole of His creation and its destruction of the old to make room for the new. The virgin Birth, the resurrection of Jesus and His Ascension was atomic, as will be the resurrection of all who are in Christ, as it will be death to all in Adam. So we don't need to worry about man's bursting of the atom power for war purposes, for all the Nations will get God's atomic power as in the 7 plagues, which is in hands of the 7 angels with the Vials of His wrath.

Rev. 10 shows John coming to prophecy again in Jerusalem. Rev. 11 shows this power given to the 2 witnesses; set loose by their prophecy, power to close the Heavens that it rain not during their ministry. The fire out of their mouths against their enemies; the power to provide for them in the wilderness spoken of the Woman who brings forth the Manchild. Moses is a good guide as it showed his prophecy in wrath, but also in the provision for Israelites in the wilderness in manna and water. The drying the Red Sea; the flooding it for the Egyptians; Noah's Flood; the burning of Sodom and Gomorrah were the atomic power of destruction. The Ark resting on Mt. Ararat 6000 feet up. The dust created in Jordan Valley is now going past my window every day to help feed the hungry soil, and people and England. They call it POTASH. The world as yet does not recognize it reveals what will be left after the great Quake and Fire, which destroys Jerusalem and the Cities of the Nations.

Psalm 1 shows the Man who becomes the Tree of Life in Rev. 22 when you see the 2 witnesses meet; and no man can either add to or take from the words of the prophecy of Revelation and have any hope. As Noah was the one Man Prophet of the Flood, so the Son of Man who was the Sower who went forth to Sow, Jesus says is the Son of Man who produces the sheep who are to inherit the Kingdom, and the Son of Man becomes the King who separates the Sheep and Goats and gives them their just reward, for what they were to the Son of Man Shepherd in his days as the Least of His brethren, who becomes His King set on Mt. Zion, who is to break the nations and to gather by the 144,000 Apostles of the New Gospel.

The Goats are those produced by all the many imitators of the Son of Man; the Testimony with all the followers of their hypocrisy. You remember how every worker became the leader of their converts. There has been only one Son of Man on the earth these past 53 years, and you can see who they are and what awaits them in Matt. 25. The sheep marks are: they were loyal and helpful to the Son of Man in his Least Days, as the Goats followed and befriended the tares which the Devil sowed in Matt. 13. The Sheep did not know what they were doing, neither did the Goats know they were the Devil's seed, both in preachers and professors. How blind we were to all these wonderful things, but how perfectly it's now being revealed.

Rev. 1:3, Blessed is he that readeth and they who hear and obey. Psalm 2 is a perfect outline. The Heathen raging and the Kings and Rulers of the Earth set themselves against the Lord and His Anointed. The Earth is full of hot air soap bubbles these days, while He laughs at them and makes them laugh at one another. Then, NOW shall He speak to them in His Atomic power; in the coming of John with the decree from Heaven which makes His Anointed King on Mt. Zion, to rule the nations and break them in pieces.

"Kiss the Son" does not refer to Jesus in Heaven, but to His Son and Servant who is to destroy all His enemies and reward all who are His Sheep, and gather out of the Heathen and ends of the Earth all who will obey the new Atomic Gospel of Rev. 14. **So you see how all our delusions in Testimony days are being cleared.** Blessed is the Man in Psalm 1, and Blessed are all they who put their trust in the Man of Psalm 2.

My love to you and all who are sheep,

Wm. Irvine

P.S. How clear the vision becomes now, and what a set of fools have been revealed in those we once looked on as His. W.I.

Wm. Irvine's Letter To: Master Francis Reniari**April 24, 1946**

P.O. Box 696

Jerusalem, Palestine

My Dear Boy:

Thanks for your letter which reminded me of my life **when I was your age. I worked in a grocery – as message boy, in Glasgow City, S.S.**

I am glad you are still at school, and glad you enjoyed hearing God's Message and Jesus' from the Throne in Heaven, which is Rev. telling of the great conflict between God and Jesus and the world full of people who have been deceived by the Devil and Satan in name of many forms of Religions, which makes people hate one another, and fills the world full of political conflict and all sorts of fake educations; and war is the final. But God's purpose is to end all this.

Read Psalms 1 and Psalms 2 which gives you a good picture of me and my work, and your Uncle can help you in understanding it. Psa. 1 shows you my life in finding out the ungodly Councillors every where and way, and this by reading and meditating on what God has given us in Scriptures, and specially the simple Carpenter life of Jesus and all in the Gospels records.

I learned Psa. 1 and Psa. 2 by memory when I was about your age, and got a 3 penny piece each time as the prize, never thinking the part these Psalms would have in my life work for past 53 years in many parts of the world, and in giving God's Message to all I met. You are living in a very wonderful and terrible day when God's wrath is going to operate in judging the whole human race. If men and the whole human race will not fear God honestly, and purpose to please Him in all, there is only one end to it all. It's your and ours to tell them these things; it's their choice makes it life or death.

Read and understand Rev. 10 and 11 and 12; by the help of others, and it will give you some idea of how much there is and has been in what you and Uncle have been hearing. Give my love and best wishes to all whom I know in **Frisco. 40 years ago on 20th April, I was sharing the earthquake and fire which destroyed 10 square miles of the City. This was my first visit there.**

My best love to you,

Wm Irvine

Wm. Irvine's Letter to: Fladungs

May 2, 1946

My dear Fladungs & Co:

Thanks for your parcel. I hope John may be willing and able to share them; for the report of the anglo U.S.A. committee seems to point to the hour, day, month and year of Rev. IX; 12 to end, which seems to point John's coming, for the 2 witnesses work covers the same 3 ½ years of conflict between E. & W. **Matt. 24 shows us the end of the Alpha Gospel days** when the house was broken up by the Lord and choosing of the Son of Man to give meat in due season and the reading of Rev. to those who are blessed with hearing ears and obedient hearts; and now Matt. 25 shows the results in the 10 virgins; 5 wise and 5 foolish. Those who have vessels or hearts and minds filled with what the spirit has been ministering by His servant who is blessed to do it. The 5 foolish are those who had the same privilege but did not know how to use it, and now when we are near the day of the Bridegroom coming their words and actions declare their lamps are going or gone out and they talk about the mess they are in and some would like even to get help from others when they have failed to get His Blessing thro my witness. So they have been shutting the door on themselves by their cheap folly and walking in W.E.'s moonshine in place of the light offered to them by His Servant.

The Talent Parable shows what happened when the servant went to a far country leaving some with 5 talents by the use they had made of my lip ministry, some 2 and 1 which had prepared them to receive and sharing what I have been giving by pen and which they have helped to give to others, so that they have had full benefit: 5 or less, 2. But they have got His Blessing both by Alpha Witness and now also by my pen which will be a joy when they find they are sheep and share in what the shepherd says to them on the right hand. Surely I ought to know who have been for and with me as well as those who played the fool and were hinderers. So since W. & M. revealed themselves a year ago we can see them saying: our lamps have gone out, while those with oil in their vessels are the more glad and anxious for the Bridegroom who will enrich their lives as surely as it will close the door on triflers. How wonderful to find Jesus speaking the very words and No. Virgin refers to the fact that they had been delivered from religion but shows how people can trifle with the greatest privilege God can give them and how perfectly he reveals them.

The sheep and goat period comes after John comes with the decree of Ps. II: Thou art My Son, this day have I begotten thee the bringing forth of the Manchild and the King whom He sets on Mt. of Zion where He was sentenced to death. All the Kings & Rulers have been fighting to get control but His King is to rule the nations and break them.

The test of our faith is to believe all these things before we can see them, and the delay reveals triflers as in Noah's day and in Sodom. So I am very joyous to see He has made these things clear and comforting.

Read Matt. 25 every day and people will see who and where they are and what results follow. Frisco quake I was in in 1906 was probably a warning to me of where and what my work would be. I hope you who are His people and my friends will enjoy reading Matt. 25.

Wm. Irvine

Wm. Irvine's Letter to: Dunbars, 110 E. Franklin St.

May 6, 1946

P.O. Box 696,

Jerusalem, Palestine

My dear Arthur & Co.:

Thanks for yours, M.O. & Photo; which I was glad to see. It shows you have weathered these 26 ½ years & all it means to you & (word obscure) how our innocence and ignorance has been replaced by clear vision and fuller understanding, and appreciation of what we have got from the Book and the clearer revelation of who are who and why they are.

These 26 ½ years is but half of my nearly 54 years of being the Son of Man, and hid from men's eyes and now about to be revealed. 26 years giving Alpha message and seeing it finished up as in Matt. 24: leaving the Tares which the devil sowed to be the Testimony cut asunder, and appointed their portion with the hypocrites, LIVING BY WHAT I HAD MADE FOR THEM. Then 26 ½ years as reader of Revelation to those who became the virgins of Matt. 25: whom I gave meat in due season with all the various forms of testing and revealing.

Now we see the coming of the Bridegroom at hand and the wise with oil in their vessels, and some with their lamps going or gone out, while the wise will be trimming their lamps for the coming of John who will make clear the Book. So difficult till the time is at hand.

The 5 & 2 & 1, Talents was the results of those who had benefited by my Alpha work, and so professed to have ears to hear the Reader, and now have added 5 or 2 by what they got by my (pen) from the far country as they got the 5 & 2 & 1 by my lips and presence, and you find weeping, wailing and gnashing of teeth both for **Testy people**, the foolish virgins and those who had their talent as if they never had heard.

Blessed is the man who walketh not in the way of the ungodly etc. shows the tree planted by the rivers of waters etc., and in Rev. 22: he is the Tree of Life. Ps. 2: shows the ungodly nations all of them fighting against the Lord and His anointed. Yet have I set my King on my holy Hill of Zion. John brings the decree for me. Thou art my Son, this day have I begotten thee to rule the nations with a Rod of Iron, break all of them in pieces as a potters vessel. Warns the kings and rulers to be wise, fear the Lord and rejoice with trembling. Kiss the Son, not in Heaven, but on the earth, lest he be angry with you, and ye perish from the way. Blessed are all they who put their Trust in the son on the earth. His anointed to be His King on Mt. Zion, in using His Son and the Bridegroom. Blessed in Ps. 1: is the anointed who finds out the whole world ungodly.

Blessed are they who put their trust in the Blessed of Ps. 1: Blessed is He that Readeth and they who hear and keepeth the words of the Prophecy when the time is at hand. Then the Sheep who are the friends of the Shepherd who has been the Least of His Brethren and now King says Blessed, come inherit the Kingdom prepared for you from the foundation of the world and proof in them remaining friend of the Shepherd because they knew he was the anointed as the goats follow and fed those who had no anointing, and so were the cursed with the words of the anointed, but no anointing, which makes Testy folks the most deceitful on the earth, and so the most terrible judgment falls on goats, and who has better right to Judge the Goats after all their Judgment of the anointed when he was the least of those who are His sheep. Surely it's turning the world upside down as I look back over these 54 years. The Woman who brings forth the Manchild are those who are the True sheep who have followed the anointed when least, and so will share in the salvation and strength, the Kingdom of God and the power of His Christ.

Rev. 12: The Son of Man from Heaven seals and reveals the son of man on the earth, and so the 2 meet and God gives them power and makes them His mouthpiece. These are the 2 Olive Trees and the candle sticks standing before God of the earth. I hope you will be able to enter into the same Joy of our Lord in seeing reward for all. And just no false measure for any. It's been a long hard 54 years, but the rewards are sweet to our taste when the facts have been written in our lives.

My love in Him to all who are His,

Wm. Irvine.

Read Matt. 25 every day, will help you and Psa. 1 and 2.

Wm. Irvine's Letter To: Fladungs

May 8, 1946

P.O. Box 696,

Jerusalem, Palestine

My dear Fladungs and Co.:

Thanks for your parcel. I hope John may be willing and able to share them; for the report of the Anglo U.S.A. committee starts to point to the hour, day, month and year of Rev. 9: 12 to end, which seems to point to John's coming, for the 2 witnesses work covers the same 3 ½ years of conflict between E. & W. Matt. 24: shows us the end of the Alpha Gospel days when the house was broken up by the Lord and choosing of the Son of Man to give meat in due season, and the reading of Rev. to those who are blessed with hearing ears and obedient hearts, and now Matt. 25: shows the results in the 10 virgins: 5 wise and 5 foolish. Those who have vessels or hearts and minds filled with what the Spirit has been ministering by His Servant who is Blessed to do it. The 5 foolish are those who had the same privilege but did not know how to use it, and now when we are near the day of the Bridegroom coming, their words and actions declare their lamps are going or gone out, and they talk about the mess they are in, and some would like even to get help from others when they have failed to get His Blessing thro my witness. So they have been shutting the door on themselves by their cheap folly, and walking in W. E.'s moonshine in place of the light offered to them by His Servant.

The Talent Parable shows what happened when the servant went to a far country leaving some with 5 talents by the use they had made of my lip ministry, some 2 and 1 which had prepared them to receive and sharing what I have been giving by pen and which they have helped to give to others, so that they have had full benefit; 5 or less, 2. But they have got His Blessing both by Alpha Witness and now also by my pen which will be a joy when they find they are sheep and share in what the shepherd says to them on the right hand. Wm. Irvine

Wm. Irvine's Letter To: Tom McCaskill, Vancouver, B.C.

May 8, 1946

P.O. Box 696,

Jerusalem, Palestine

My Dear Tom:

Thanks for yours. Read Matt. 25 every day for it tells us the 3 consequences of my past 26 ½ years work, and now we look for John to come as the Bridegroom. Past year from 29th April, **W.E. & M.**, were revealed as a sign we are nearing the coming of John from Heaven as the Son of Man from Heaven in all his Glory and angels to carry out the will of God in judgment – which brings the decree which makes the Son of Man on the earth the Son of Jesus to be His Servant & mouthpiece & His King on my Mount of Zion, where He was sentenced to death as a Bastard pretending to be the Son of God. So He says – “My King on Mt. of Zion.

During the past year we have been seeing the 10 virgins showing where they are in heart and vessel. Their lamp going out – revealing those who profess in the Message and Man, but finding out its not in them, & even seeking help from others who recognize its a personal matter, & going out to buy in various forms & the Bridegroom comes & the door is shut. The Virgins are those who I have given Meat in due season for past 26 ½ years, now showing what people have been doing with it – Ruled by their own thoughts and ways rather than God's thoughts and ways as revealed in Rev. & by His reader.

The Talents 5 & 2 & 1 refers to those who heard from my lips before I went into the far country to be Reader and give them help by my pen, & finding out they have gained other 5 & 2 or become strong in their confidence in the Son of Man Reader. While the one who got help but buried it in the dust of the earth trying to forget are those who have revealed their hard-hearted trifling spirit & so are cast out as the foolish virgins are shut out with weeping, wailing and gnashing of teeth, when the Shepherd, **the Least in men's eyes becomes King** – he separates between sheep, who have followed the Anointed & sought to be a comfort & help, enter into the Joy of their Lord to find Salvation & Strength, the Kingdom of God and the Power of His Christ, while the Goats who followed what suited them best, hear Depart ye cursed into everlasting fire – prepared for the Devil and all who helped in the deceiving of the world by hearing and not obeying from the Heart.

The power of Lot's wife over him and his 2 daughters, which revealed how she had made Lot a victim to wine as you see the 2 daughters do, & separating him from Abraham so that her goat nature could have free play, & pretending to find righteous people in Sodom where the Lord found none & following her own choice ideals amongst her neighbours. So the past year has been very busy in revealing what people have done with the Man & Message & now to see what the Man & Message will do with them. As Matt. 24 shows us the end of my 26 years of Alpha witnessing & work, so Matt. 25 gives you the end and value of my work by pen and reading of Rev., so my 54 years as the Son of Man who was to find conditions as it was in Noah's day – and now we can see the end of the old Heaven & earth 7 years from the Bridegroom comes & the setting up of the New Heaven & New Earth, so no one need stumble on in the dark, when Jesus in Matt. 24 & 25 makes it very clear for both the true and the false hearted people.

My love and best wishes for all who are sheep.

Wm. Irvine

Wm Irvine's Letter to: Kinders

May 12, 1946

PO Box 696

Jerusalem, Palestine

My dear Kinder Family & Co.:

Thanks for letters, photo of 2 boys and M.O. Well I remember Ward's letter and the NEAR escape he had and which his Mother was useful in revealing the danger. If you read Matt. 25 every day you will see the danger of a foolish virgin, taking a wise virgin as companion any shape or form or a 5 or 3 talent person getting mixed up with a 1 talent person who is to be cast out as a goat taking a sheep or vice versa.

John comes as the Son of Man from Heaven to be the Bridegroom of the wise virgins after the foolish virgins have gone out as your see many have done during the past year since W & M were revealed as enemies of all that's truly of God as the work I have done in giving meat in due season or truth for these past 26 years, since I went into the far country to give them by pen, what I had done by my lips during the 26 years of Alpha witness as the **Son of Man Anointed**, tho I did not know then as I do now.

You notice the wise and foolish virgins all slumbered and slept which is a good description of what all have seen and felt. Then a cry is made at Midnight,, “Behold the Bridegroom, go ye out to meet Him,” and you see they all trimmed their lamps to find out whether it was walking in the light God gave them by hearing the truth or simply a matter of hearing what others said.

Vessel means a heart for what God says and making it your own. In the message, but the message not in them. Rev is what God and Jesus says is His program and purpose for the whole word. You notice the wise have nothing to spare, and tell the foolish to go to them that sell and so they go out to find the Bridegroom has truly come, the door is shut which shows how God gives people their own choice and reward.

Psalms 2 shows all nations have set themselves against the Lord and His Anointed Servant and are fighting to carry out their own plans and purposes. A year ago on May 11 they thought the war was won and have been filling the air with every sort of promises. So He laughs at all their talk and now He is to speak to them in His Wrath by John from heaven who puts up his hand before the whole world and says Time shall be no longer which seems midnight hour when we pass into the 2-witness period of His Wrath, which ends 7 years when all the plagues have been fulfilled. So I think the midnight hour is near when the **Least of His Brethren becomes King. Yet have I set my King on my Holy Hill of Zion and part of his work will be to reward the Sheep and Goats and to rule the nations with the iron rod and break them in pieces as a potters vessel.**

So you see it's the nations and rulers of the earth against the Lord and His Anointed, and He and His Anointed against them, ending in the Kingdom being set up on the Earth wherein dwelleth righteousness. Just as the whole world has gone the other way, and now God by His Atomic power will defeat all of them, sparing only those who have the fear of God and the Lamb, and provide for them when the nations are perishing by their own iniquity and the making of Rev. as His Message to prepare for these terrible days who have honest hearts. So don't mind what people say or think. Give them a chance. Beware of trifling or triflers who will do the weeping, wailing and gnashing of teeth as we see follows all who have heard but heed not, so are cursed rather than blessed.

My love to all who bear Sheep marks,

W. Irvine

Wm. Irvine's Letter To: Nobles & Co.

May 17, 1946

P.O. Box 696,

Jerusalem, Palestine

My dear Nobles & Co:

Thanks for 2 from you. It's easy now to see the value of the 2 witness in giving Matt. 23; revealing the whole ungodly world and Jesus as the Way, Truth and Life in Matt. 24: ending in the Lord coming and breaking up the house of Tares which the Devil sowed after I had got a few 30, 60, 100 fold and choosing whom He counted good and faithful to give Meat in due season as we passed on in becoming His servant to rule over all His goods. While the wicked servants said in their hearts My Lord delayeth His coming and etc. They knew not the Lord came in 1914 and began the Judgment. The War I being the sign, but it only caused them to begin to beat their fellow servants and eat and drink as the religious world did, drink with the wine of her fornication – seeking to be called ministers and sharing the favour of the religious world to escape war service, to be cut asunder and appointed their portion with the hypocrites leaving them quite unconscious of the Lord coming and the choosing of the Son of Man.

Matt. 25: becomes quite a new thing by the reader witnessing to John from Heaven and the 2 witness work which was given and is the centre truth in Rev. Took their lamp and went forth to meet the Bridegroom with no heart for the looking for the Bridegroom as their hope and the seeing of my reading of Rev. W.E. & M. began to revive the old Alpha Message and Justify all his own aims and purposes. They all slumbered and slept while the Bridegroom Tarried; and at midnight the end of the past day and beginning of a new day, as the war began to end a year ago and when Willie revealed himself as an enemy to the Reader, which awakened all who had ears to hear and obey – the reader – and those who had only ears and no heart to obey – the reader – and during the past year some began to see the reality of John being their hope. While others began to find out they had no real heart for either the man or message and began to play the fool revealing their lamps going out and trying to hang onto others and blame them and talk about a mess which they were making to cover up their want of heart for God's Message. They were more ready to go and talk to others than to give the Message to those in need. But the wise could see that the mess they were in was proof of their own folly in having trifled with the Message and only made it a hobby and excuse for running around amongst the wise pretending they wanted help from them. But now the wise are wise and tell them to go out, buy from them who sell. So 5 have proved foolish, and go out to enjoy themselves and now when they are revealed the Bridegroom came which shows they are only proving how near John's coming.

So God has been clearing out the unworthy and making Ready the wine for the Marriage which makes them the Bride the Woman that brings forth the Manchild, and reveals what the Spirit Bride means which will enjoy Salvation, Strength, the Kingdom of God and the power of His Christ. But they shut the door on themselves and the Bridegroom gives them the reason, I know you not. They had no heart for Him so He has none for them. Watch therefore for ye know neither the day nor hour of John's coming but you can be sure he will come when the fools are revealed and the worthy honoured.

My love to them,

Wm. Irvine

Wm. Irvine's Letter To: Walter Hooe & Co.

May 22, 1946

P.O. Box 696,
Jerusalem, Palestine
My dear Walter & Co:

Thanks for your letter, with news re-Ellen going and Ida on the same track – with quite a No. on the same track – they went out from us but they don't know they are fulfilling Matt. 25: – and pointing to John the Bridegroom from Heaven being near at hand, for he can't come till the foolish Virgins have gone out to try and buy what they don't have, and can't get from those who have – because they took their lamps but no vessel and no oil, which simply means they had no heart for God and His Message. But the same craving for what suits them.

For 26 years as the Sower who went forth to sow I preached Matt. 23: and 24: with my mouth as Jesus the Way, Truth and Life. But while men slept the Devil sowed tares, all sorts of people gathered round to imitate me – Till 1914 God cut them asunder and chose me as the Son of Man to give meat in due season by reading Rev. from the far country by pen through the few who got the 5 and 2 talents and the one. **These were the few who had kept true to me** and now have gained 5 & 2 talents more by my pen, while the one talent man who had heard but despised it, cast out. You notice the 10 Virgins all slumbered and slept for most of those years till we saw and heard enough to compel people to wake up at the midnight hour.

The change over from what we have had these years from 1914 till now – called the Beginning of Sorrow and now to become the day of wrath when war comes and John from Heaven, and you see the foolish find out where they are through trifling with their privileges, while God has been working in the hearts of the wise ripening them for sharing in what John becomes to the Bride, the Woman who brings forth the Manchild, with Salvation, Strength, the Kingdom of God, and the power of His Christ to heal the needy – when the foolish find out their mistake and would gladly come into the marriage – But He says I know you not. They had no heart God could work in by His Message re-John coming as the Bridegroom – for the Bride – in whom all our hopes lie and are founded. I have had all sorts of disappointments in people and did all I could to help. But other things had first place in their hearts. So at the end we taste what God has had to take. So our disappointment is sharing what God and Jesus have. So we should rejoice in sharing His disappointment no matter how hard it may be in our experience.

Rev. 10: and 11: is the very center of all our hopes and it's fulfilled when the foolish have gone out because they found their lamps have gone out and so they go out as proof of their heart attitude to what others valued beyond even their own life. It's a personal matter for both foolish and wise and no person can fool God in these matters. Truth by His anointed will either bring blessing or cursing, and the world is full of all sorts false prophecy and profession, which is Goat food, while the anointed Shepherd they will follow only because they find nothing of value. Matt. 23: shows the marks of all that's false. Matt. 24: shows there is no hope for those who don't recognize the Lord's work in changing from Saviour to Judge. Matt. 25: shows us what has been happening in the hearts of those who have been hearing and obeying, and it's God's work in revealing the foolish and in encouraging the wise who make ready for the marriage to the True Bridegroom, while the foolish will find out that all folly will end in () way they don't. Eternal life for the Sheep. Everlasting fire for the goats.

My love and best wishes for all who are wise,

Wm. Irvine

Wm. Irvine's Letter To: Grays, Warren & Co.

May 27, 1946

P.O. Box 696,
Jerusalem, Palestine

My dear Grays, Warren & Co:

Thanks for your good letters and all the details – present and past, these days when Matt. 25: is being partially fulfilled in the foolish virgins finding out their mistake in not having a vessel – their heart, receiving and obeying what is God and Jesus' Message from the Throne, made simple and clear as crystal by the Man blessed to read it and give it by pen from the far country, to those who had five and two talents entrusted to them when I left for Jerusalem; who have now got five and two more by my pen, and so can be and are useful to others; while the slothful and wicked one talent people will find out that trifling with what they got from my lips, was a very dangerous game.

I read Matthew 13: with great comfort and joy, as you see there the whole outline of my work as Sower, Son of Man and father of all who become children of the Kingdom. While the tares whom the Devil sowed while men slept, are in good safe control for the coming fire. And the Goats and their many leaders are also in safe keeping. If there had been two Sons of Man these 54 years, but only one and many hundreds of imitators to lead many sorts of Goats who know not the difference. The Devil sowed tares and they only beget Goats while living.

But they were all cut off and appointed their portion with the hypocrites, who know not the Lord came in 1914 and chose His anointed from amongst them, to give meat in due season to the Virgins – Wise and Foolish. Though while the Bridegroom tarried, they all slumbered and slept till the midnight came and people began to trim their lamps, and find out who are foolish and who are wise which is the near sign of the Bridegroom coming, when the foolish have gone out to try and get help from those who sell, to find the door closed and "I know you not", because you would not know me working in your heart.

I want you to read Matthew 14: which I enjoyed very much today, for it shows the difference between John the Baptist' righteousness which led to his death by his taking part in the scandal of Herod – the political ruler, having taken his brother's wife and daughter, showing the danger of social and political scandal, but it gave Jesus a chance to show His righteousness. Many of Jesus' Disciples had been disciples of John the Baptist. After they buried John, there was quite a panic amongst the people. Jesus had preached round Sea of Tiberias where Herod had his winter palace in the walled city of Tiberias.

Jesus got Peter to take them – the disciples, in his boat across to the 2,000 swine rushed down to death when Jesus cast out the Devil. 5,000 men and women and children followed on foot to hear what Jesus had to say, and at 3 P.M. they were all hungry and a-cry. He showed atomic power in feeding them all on what the disciples had for themselves, and leaving plenty to spare. Then He made the twelve promise to row back to the other side, and He by atomic power of God walked the water, while the disciples had a hard pull till 4 A.M. when Jesus came, and Peter showed how atomic power was only for those who had the faith Jesus had; and they worshipped Jesus saying, of a Truth, Thou art the Son of God.

Then they landed at South end of Sea, and the people gathered all the sick etc., and all who came to touch Him, were perfectly healed. Jesus had never been there before; His work had always been in the North end of the Sea.

So don't trouble about the wrongs others may have done and been, but aim at being the Wise Virgin who are ready to meet the Bridegroom, and be at the Marriage as the Bride – the Woman who brings forth the Manchild with Salvation, strength, the Kingdom of God, and the power of His Christ to heal our age and infirmities by His atomic power.

My love to all the Wise,

Wm. Irvine

Wm Irvine's Letter to: Youngs

May 18, 1946

My dear Veva and Russell:

Thanks for yours. I was sorry to hear of your brother, but it's commoner in the world today than ever was before in all history, and will increase till every man will be enemy of his neighbor, in place of loving our neighbor as ourselves; God revealing what men are without God.

54 years I've put in as the Son of Man though I knew it not, but felt how impossible it was to get people to believe that the whole world was under ungodly counsel. The marks being what you find in Matt. 23, as the marks with 7 Woes attached. I put 26 years into preaching Matt. 23 and 24 as the Alpha Gospel; which was Tares which the Devil sowed around me when they saw some result of my work. 1914 the Lord came and burst that all up and chose me to be the Man to give them Meat in Due Season during the Judgment period as in Revelation.

Blessed is he that readeth and they who hear and obey the prophecy of this Book. They did not like Matt. 23, but 1,000 held on to the Truth that Jesus was the Way, Truth and Life, and have spread it over the whole world. But Matt. 25 gives you my work since coming to the far country 26 years ago, and you see how perfectly it's outlined in the Book; like 10 virgins; as it had been by my mouth during Matt. 23 and 24. Now you see some with heart for it and some only with ear and mouth.

John from Heaven as my companion and the 2 witnesses work for 3-1/2 years is the center. He is called the Bridegroom who tarried long, and so they all were sleepy and slumbering. Then when the war began to end and the next part was coming on they began to say, Behold the Bridegroom cometh, and so you saw a stirring in the foolish and wise. 50% finding out their lamps were gone out and making a mess of themselves and trying to find excuse, and now when they have gone out to buy, the way is open for John to come to those with heart for God's Message to be fulfilled, and the door was shut, and the worthy went into the Marriage, and so the Woman brings forth the Man Child and Salvation, Strength, the Kingdom of God and the Power of His Christ becomes the experience of the Wise Virgins as the Bride who will be the mouth-piece of the Spirit. So it's good to see where we are at and why the foolish were foolish. I know you not shows they had o heart fellowship with God.

My love to all who are the wise,

Wm Irvine.

P.S. It's one thing to know about what's in the Book – as did the Jews, but quite another to have true heart fellowship with God and Jesus as He reveals Himself, and to truly AMEN every word spoken from the Throne of God and the Lamb. Sheep will follow the Shepherd because he meets their needs – being anointed. Goats will follow who and whoever suits their own self interest, and there are many goats and many false shepherd. You can see the end is sure and nor far off.

One Noah and his family were in the Ark, so the Son of Man would find his family in the Marriage Feast when they find John meets their needs, and more than they ever expected so numbers don't count for much. You can see and hear the world full of all sorts of promises and hot air, while He sits on His Throne laughing at their folly till He speaks in His Wrath by John's coming. W. I.

Wm. Irvine's Letter To: Ellen Pincetl & Hans Sutter

June 5, 1946

P.O. Box 696,
Jerusalem, Palestine
My dear Pincetls and Hans:

Thanks for your hearty and intelligent letter which I'm sure your troubles will have made possible. After operation dead blood has to be reabsorbed, and so pain in leg will be helped by heat and raising of leg, and also by massaging the right leg – rubbing up, and also right arm which helps circulation and absorption. You fear going to Calif. again. Fear God and fear not anything else or any one. The human heart is deceitful above all things and desperately wicked – so says Jeremiah, and the only cure is to honestly fear God and give Him Glory.

I'm sure you enjoyed meeting those who are the wise virgins, while the foolish can only share their folly. The wise took their vessels and oil – which means a fear of God in their heart guiding them in all their activities. Just as the foolish had only the hot air of others. 26 ½ years I have been reading Rev. after giving the truth by my mouth for 26 years, with a few who got 5 talents and others 2 and some one, before I went into the far country, and now by pen the 5 and 2 have got more and so are able to enjoy all that's going on, and so entering into the Joy of the Lord in what they can see going on. While the slothful and wicked one-talent people will be finding what darkness means and to be cast out.

The center of the message is in the center chapter 11 – The work of the 2 Witnesses. John's coming as the Bridegroom when the marriage takes place after the foolish virgins have gone out to buy, which began April 24 when **Wm. E. & M.** revealed they were the same as the Tares which the Devil sowed into my work for 22 years amongst. They had all the words they had heard by my mouth, but not one can I remember as having the anointed, and which they have spread all over the world, but only in word as did the Matt. 23 people of every age, which the Devil always uses and God never. And so the Devil is the deceiver and Satan the adversary of all who receive it in Spirit by His anointed. Tares can never know what's wrong with them. But those who have heard by the Spirit can. Matt. 25 shows my work as reader; and now we wait the Bridegroom coming when the foolish have gone out, and **W. E.'s work** is largely to blame as well as the Trifling with my message. Midnight is the ending of the past 31 years since 1914, now to be the wrath and atomic day of the 2 who receive power and prophesy what God will do in Judging the Nations by them.

Enoch was Raptured because he had provoked the Cain seed till he was in danger. Noah and Sodom was by atomic power in backing up the witness of Noah and Abram. Moses' work is a pattern of what is now to happen by the 2. You find Dan. 12 shows one from Heaven like the Son of Man, who comes to the ancient of days – the man whom Moses prophesied would come as prophet in Acts 3:21. Atomic power is all through the old Testament.

The 2 witnesses are to be clothed in Sackcloth – impossible for 2 old men, John 96 and I, 83 ½. They are the two olive trees by whom they get oil or Spirit, and the 2 candlesticks that stand before the God of the earth. The Bridegroom comes with Salvation, Strength, the Kingdom of God and the power of His Christ to heal, and all who are at the marriage will receive.

Fire means fire wherever you read it. Mal. 4 is to burn as an oven – the proud and wicked root and branch. Most animals will die – read Rev. 19:17-18. Its the birds of the air who are to eat what's left of the great of the Earth. Fish will die in the dried up river Nile and Euphrates. The Atomic power which destroyed the Egyptians also provided Manna and water for the Israelites for 40 years. Noah's provision was to start the human race again. But the world is finished as we have known it John says, and we are to have a New Heaven and New Earth.

The Woman who brings forth the Manchild is to go into the wilderness prepared of God, and her Child is to rule the nations with a rod of Iron and be caught up to God. The wise virgins will be aware of the change that comes into their lives as sure as the foolish where they are. What follows is His hands and no need to worry.

My love to the wise,

Wm. Irvine

P.S. To hoard food would be criminal. What comes by John will solve all our problems for the wise virgins who have their confidence in what God and Jesus have said.

Wm Irvine's Letter To: Pages

June 6, 1946

My dear Pages & Co.:

Thanks for yours today and photo which was highly prized as well as the fact of Mama's 80th Birthday. What a comfort and cheer Owen and you have been to Mama, while she has been 30 years a wise virgin; like waiting for the Bridegroom John who comes with all we have felt the need of these 26-1/2 years; **since I came on to the far country to do by my pen what I did for 26 years by my mouth**, not knowing that the Devil had sowed tares while men slept whom we called The Testimony who preached what they had heard from my lips, but no mark of anointing in any one of them, no matter how much I wished them to be, **till the Lord came in 1914 and broke up what we thought was of God, and took me out to be the Reader of Revelation** to those who had ears to hear me, and which John wrote while God and Jesus on the Throne has been the source of all.

Psalms 1 shows you the tree in the midst of the rivers; to become the Tree in the midst of the River flowing from the Throne of God and the Lamb, clear as crystal. The Tree bringing forth 12 manner of fruit per month, and the leaves or witness for the healing of the Nations My letters have been the 12 manner of fruit for the food of the virgins, wise and foolish; now being revealed in finding out that

the human heart is deceitful and desperately wicked, til the true fear of God takes control so they benefit by what God and His Servant can give them.

The wise took oil in their vessels while the foolish had only heard as from man. They all slumbered and slept for very long and many years till the midnight hour comes, when the change over from the Day of Judgment began in 1914, and the near approach of the Day of Wrath; which comes when John the Bridegroom arrives after the foolish virgins go forth to buy what God has so freely and fully offered them in John, who brings Salvation, Strength, the Kingdom of God and the Power of His Christ, when the writer and Reader become the Two Witnesses with Power—Atomic—that we may know.

Now faithful God and Jesus have been to all who have had a heart for all they have heard about John. Only the other day I noticed in Psalm 1, "*All he doeth shall prosper,*" and looking back, what piles of tares and foolish virgins I've seen who trifled, and are now scattered over the earth as fuel for the Everlasting Atomic Fire will also operate in and for all who are His people. Moses' atomic power operated both ways, for they got manna for food and water out of the rock and wilderness where they were for 40 years.

Rev. 12:6, The Woman that brought forth the Man Child fled into the wilderness where she hath a place prepared of God; that they should feed her there for 3-1/2 years during the Two Witness period, and during famine and war as in Rev. 9:12 to end. So our age and weakness may be only the test of our faith in believing what it says. It's to be a New Heaven and New Earth wherein dwelleth righteousness, so we have many surprises ahead for all our human conceptions.

We have been hearing so much about God's wrath in His enemies our flesh creeps if our spirit does not grasp the provision for His own in a measure we have never known before. "Come ye blessed of My Father, inherit the Kingdom prepared for you from the foundation of the world," means more than we have ever dreamed of, and we only begin to enter in when John comes as the Bridegroom to care for the Bride. The Spirit and the Bride are to say come, no wonder the sheep would not believe what they had heard as the reward for the care of and towards the Shepherd.

My love and best wishes for all who are the wise,

Wm. Irvine

P.S. You can read "Our Father which art in Heaven" with new and bigger and better meaning than ever before. Everlasting Fire for the goats will operate the other way. The atomic age is only beginning, but will never end, and the bomb is only using it to clear the Earth for the occupation by His people, old and young, great and small. W. I.

Wm. Irvine's Letter To: Ackersons, Vallejo, California

June 13, 1946

P.O. Box 696,

Jerusalem, Palestine

My dear Ackersons:

Thanks for yours many times and how we can see much that was being hid by pushing in what was never more than tares seed and fruit. While I always hoped they would see they were just the same as the **so-called Testimony** which was cut asunder in 1914 when the Lord came and judgment began and the Son of Man was chosen to read Revelation to those who had ears for the Son of Man and so sought to follow the anointing – so that all their words and actions and readings and quoting scriptures to enforce their claims. Tares can never become wheat and their attempt to read what I gave was poisonous and this covers my life work wherever I've been, though it was more or less hid from my eyes. The Virgins, wise and foolish covers my reading of Rev. Virgin just means separate from all other teachings etc., but a natural heart can never be a vessel with oil. If the true fear of God is not there then its only a matter of time till they tire of waiting for John who is the Bridegroom only for those who see in Him all their needs supplied by Salvation, Strength. The authority or Kingdom of God and the Power of His Christ to heal, and is only a shadow of the fullness by atomic power to protect and fit us to deal with enemies and friends.

We read and hear of a new Heaven and New Earth but all our experiences is largely the weak human interpretation and hypocrisy we find filling the whole world. But John coming and the marriage of the Bride will change things very much, as well as the shutting out of the foolish who have been a source of weakness unrevealed. They go out to buy what the Devil has filled the world full of and created an appetite for by all we see and hear. While the message of God and Jesus written and made clear by the Reader. Blessed the Reader and they who hear and keep the words of this prophecy and if that does not create a felt need for the 2 witnesses, though at first you can see they (all) slumbered and slept. But the wise will have a learning more than the foolish. Its like everything – familiarity breeds contempt. But if there is a vessel with any oil there will be a silent, secret seeking after all that in Revelation message and never more real than when attempting to witness to a blind, Godless world and we have got to the edge of the Revelation 9 period. And the 2 witnesses standing as two olive trees and 2 candlesticks to give oil and light before the God of the earth so there can be no room for doubts, meantime its been largely a matter of believing One Reader till we see it partly filled. You see the wise get wiser and the foolish who don't realize Rev. message is God and Jesus speaking to them of World conditions and the consequences.

The atomic bomb will be a big change in war, but the atomic power given to the 2 Witnesses is very much more terrible to enemies and help to the friends of God. Moses' work on Egyptians and on those delivered gives us the 2 sides. Come ye Blessed of God inherit who as from the beginning planned for all who have let God work in them, while depart ye cursed by the very truth they heard

but chose their own interpreters and interpretations, spell everlasting fire. The wise will hardly grasp all that's meant just as the foolish can't grasp the consequences.

My love and best wishes to all who bear your name and His,
Wm. Irvine

NOTE: The above letter is the last letter known to TTT written by Wm Irvine before his death in March, 1947.
